THE WHITE MAN'S VIEWPOINT

CONVENTION THUNDERS - CROMMELIN FOR PRESIDENT

JUDGE THREATENS F.B.I. WITH JAIL

Superior Court Judge, Walter I. Geer of Terrell County, Georgia, ordered county officials to withhold records from federal agents, even if it takes a special police force to stop the F.B.I.

"It is my attitude that no board of registrars appointed by me has to operate at the point of a bayonet," Judge Geer said, "If they need protection they can get the protection to perform their duties according to the laws of the state Constitution of Georgia." Judge Geer said that any F.B.I. agent who intimidated anyone under his jurisdiction "in any high-handed or menacing manner," would be arrested and thrown into the county jail.

The N.S.R.P. salute of the month goes to Judge Geer. When more patriots take this stand, our States Rights will be saved. (note "FBI EXPOSED" ad on page 3)

SENATOR FLANDERS ISSUES PAMPHLET BLASTING ZIONIST WARMONGERS

With pressure mounting to keep America out of any middle east war, Eisenhower has begun to bring some of our boys home. But at the same time, the blundering government has just shipped 30 million dollars worth of arms to Israel, and at the same time continued its ban on shipments to the arab U.A.R. The Jews have again succeeded in forcing the Arabs to seek aid from the Soviet Bloc.

Sen. Ralph E. Flanders, is the only man in the senate fighting against this treason. Sen. Flanders has just published a pamphlet (13 pages) attacking these policies. Senator Flanders writes the N.S.R.P. that all who wish a free copy of his pamphlet, entitled "The Middle East Situation", can write direct to him X Senate Office Bldg., Washington, D.C. CONSTITUTION PARTY DELEGATIONS FROM INDIANA AND OHIO ATTEND

Unity was the theme of the two day meeting, as the convention unanimously voted for a resolution urging that a grass roots draft be started in support of Admiral John G. Crommelin for President of the U.S.A.

Many new members and believers were gained during the informal evening session, in a packed convention hall. Many more members of the Constitution Party joined the N.S.R.P., and pledged to work hard within the Constitution Party to see to it that they nominate the same candidates in 1960 as the N.S.R.P. so as to present a united front to the American Public.

On page three of this issue you will find the "States Rights Manifesto", as adopted by the convention. This is to be given wide distribution throughout the trouble spots of the South. We want the defenders of White Freedom to know that the Constitution and law are on their side.

The highlight of the convention was the surprise guest speaker, and National Hero, John Kasper. The appearance of Kasper in the hall brought the delegates to their feet in the longest standing ovation ever given at a Nationalist meeting in the memory of your editor. Kasper was interrupted many times during his talk by applause and rebel yells.

To those of you who have never read anything about John Kasper except what has appeared in the Jew controlled press, we offer the "Kasper Special." Which includes the Congressional Record speech by Sen. Richard Russell of Ga. "Tragedy of Errors." Senator Russell completely proves the honesty of Kasper's stand. Also you get the tract, "The Importance of Kasper's second appeal". Kasper's newest booklet, "SEGREGATION OR DEATH", (contains four pictures of John) and as a special bonus offer, we will give (continued page 4)

STATES RIGHTS MANIFESTO

Adopted by The National States
Rights Party in Convention.
August 30, 1958

We hereby manifest that the Supreme Court has no jurisdiction over the public schools of the Sovereign States and therefore its infamous opinion that they should be integrated is null & void.

Whereas the 14th Amendment (upon which said decision was based) was never legally ratified by the States, and therefore does not legally exist, - therefore cannot be enforced upon the people by the tyrannical courts.

Whereas Eisenhower has signed into law a Civil Rights Bill which in part repeals his right to use troops in Civil Rights disputes, and since only Congress has the power to make law and provide for its enforcement, it is therefore illegal for said court to make law, and for the President to try and enforce it with bayonets.

Be it therefore resolved and made known that -

- 1) All States Righters, in accordance with Amendment two of the U.S. Constitution, That " - the right of the people to keep and bare arms shall not be infringed." should therefore arm themselves so that they will be able to defend their families, homes and rights from political despots who are inciting violence on our once peaceful communities.
- 2) That all citizens form Committees of Public Safety, or support the Citizens National Law Enforcement Commission, to prevent any Federal Judge, Federal Marshall, or other appointed agent from disrupting the peace of any community, or breaking any state laws, by following the communist directive to mix the races, and bring on public anarchy.

BE IT THEREFORE RESOLVED, that the States nullify said illegal decisions, and that Committees of Public Safety, or The Citizens National Law Enforcement Commission, make citizens arrests of all those who seek to illegally overthrow the Rights of the States.

This is in accordance with the U.S. Constitution, the grounds being that these subvertors have committed high treason by "Giving aid and comfort to the enemy," by helping the communists mix the races, and that they are inciting riots, disturbing the peace and guilty of disorderly conduct.

All these charges should be brought by citizens, who themselves, can make the arrests, and book said criminals in accordance with provisions in the U.S. Constitution.

REPORT OF ADL
MIDWEST FACT-FINDING DEPARTMENT - SUMMER, 1958
CHICAGO, ILLINOIS
OCTOBER 7, 1958

1. NATIONAL STATES RIGHTS PARTY, JEFFERSONVILLE, INDIANA

Early in the summer, a new vehicle for the dissemination of hate propaganda came to light at several points in Kentucky, Tennessee and Indiana. Prime leader in the patriotic-sounding "National States Rights Party" is Edward Fields, a Louisville, Kentucky chiropractor. Fields, still in his twenties, has a long record of hate activity going back to his teen-age days in Atlanta, Georgia. Fields will be remembered as the individual who was exposed as the one responsible for the posting of a large number of anti-Semitic signs which appeared in the Tri-Cities area of Moline and Rockford, Illinois and Davenport, Iowa, at the advent of Brotherhood Week several years ago. This bigot has extensive liaison with some of the worst elements in America. The newly-constituted "National States Rights Party" is publishing a vitriolic monthly sheet named "The Thunderbolt," circulated from Jeffersonville, Indiana, just across the river from Louisville, Kentucky. An office for the group is also being maintained in Knoxville, Tennessee.

From the very outset, this movement has tried to attract to it all those who espouse "white supremacy" and are not hesitant to blame the Jews for all the ills of the country. Feature event for the group was a much-ballyhooed national convention which met in Louisville, Kentucky on August 30 and 31. Although the event failed to attract a large crowd - our observers estimated that the audience never exceeded 60 people - the group which convened reflected a most disturbing ingathering of hatemongers and disciples of violence. Approximately fifteen states were represented in the small group, with delegates coming from as far away as New York and Florida. The feature attraction, enthusiastically received by those present, was John Kasper, who had been released from the federal penitentiary at Tallahassee, Florida just a month before. Kasper had been prosecuted following his involvement in the Clinton, Tennessee school disorders and received a one year prison sentence when he was found guilty of contempt. Kasper did not disappoint the motley crew which convened for him in Louisville. Pulling out all stops, Kasper harangued his audience with a blatant attack against the Jews, which evoked several standing ovations and shouting agreement from the people present. Piously

CSA
INDEX

claiming that he deplored violence and that he wanted to work within the law, Kasper studded his speech with exhortations which were unmistakable in their animus. In a frenzy, he predicted "a flood of black savagery controlled by Jewish masters" being loosed on America. "Everything that is clean and good has been corrupted by the Jew. All the trash, the rottenness, the pornographic magazines which are being sold to our children today - behind all of it stands the Jew." Warming up to his subject, Kasper then gloated: "The time is coming, yes, in this generation you will see it and I'll see it, the time when the Jew in these United States will be sharply curtailed by law. Where they gain an inch, we gain a mile!"

Among the stalwarts who participated in the program and reveled in the sheer blatancy of the event, were Joseph Beauharnais of Chicago, decrepit proprietor of the now defunct "White Circle League of America"; Eustace Mullins, also of Chicago, who will be discussed at greater length later in this report; John B. Hamilton, of St. Louis, leader of the "National Citizens Protective Association"; C. Daniel Kurts, of New York, aged bigot who screamed his vituperation of the Jews in a Brooklyn-German accent; and Bill Hendrix, Klan leader from Florida, who left the affair midway through the proceedings because he was denied a prime role.

As the convention ended, the delegates voted to draft Retired Rear Admiral John G. Crommelin of Alabama, as their party's candidate for President in the 1960 elections. Crommelin has become "the fair-haired boy" of the hate camp of America because of his full support of hate themes in recent years. Although Crommelin has run for public office on a number of occasions, he has been rejected over and over again, capped by his futile campaign for the governorship of Alabama last Spring when he finished close to the bottom among the fourteen candidates who sought the nomination. Even though this movement and others like it have failed to date in attracting anything like a true mass following, they are nevertheless important and of concern because of their advocacy of extreme hatred, which has the potential of generating acts of violence in areas where emotions run high. Their activities will continue to be of concern to us so that they may be fully exposed where needed and to enable us to brief law enforcement authorities at all levels on what they are trying to do.

2. NATIONAL COMMITTEE TO FREE AMERICA FROM JEWISH DOMINATION

Some of the same elements who have been figuring ⁱⁿ the above-noted "National States Rights Party" appeared to be involved in some flamboyant picketing of the White House on July 27. Similar picketing took place the same day in front of the offices of the "Atlanta Constitution and Journal" in Atlanta, Georgia, and the "Louisville Courier Journal" building in Louisville, Kentucky. In front of the White House, eight pickets paraded for an hour carrying inflammatory placards excoriating the Jews. The pickets also disseminated several kinds of anti-Semitic literature, all of which attributed the activity to the so-called "National Committee to Free America From Jewish Domination." The pickets dispersed after a short time, having been carefully observed by Washington, D.C. police and federal authorities. No incidents took place. In Atlanta, five pickets were arrested, convicted of disorderly conduct, and sentenced to serve thirty day terms in the city prison. They are appealing their case. In Louisville, two women were apprehended and charged with violating ordinances prohibiting the dissemination of literature on the street without a permit. Each was found guilty and fined \$10.00.

It is evident that the perpetrators of these scattered but definitely related activities hoped to gain maximum press attention. In fact, the events went off with little public notice.

3. F. ALLEN MANN, HINSDALE, ILLINOIS

F. Allen Mann, a young but extremely vitriolic hate activist, continues to grind out blatant material in the name of his vociferous "Christian Patriots Crusade." In his material he makes a point of literally "thumbing his nose" at law-enforcement agencies, including those at the federal level, declaring that he will not be discouraged from his work despite their "interest" in him. In a most audacious fashion, he began to circulate a new series of leaflets early in July, among them being a provocative piece bearing the title "Death to the Traitors." This item charges that "Communism and race-mixing are Jewish" and advocates that the "traitors" responsible receive some "old-fashioned American justice." This appeal to violence is embellished with a small drawing depicting the body of a man hanged from a tree. This material and other items emanating from Mann are being very carefully examined for possible violation of criminal

statutes. Conferences have been had with the several Government agencies which have been carefully watching this bigot's career.

In the development of the above-noted "National States Rights Party," Mann has been designated as the chairman of the Illinois unit. However, it is rather significant that Mann was not in evidence when the group met in Louisville on August 30 and 31. It has been rumored that Mann has had some clash of temperaments with others in the movement.

4. EUSTACE MULLINS, CHICAGO, ILLINOIS AND STAUNTON, VIRGINIA

Over the years, these reports have made frequent references to Eustace Mullins, who has established a well-known record for his frequent "literary" contributions to the hate propaganda camp. Mullins has dreamed up a number of fantastic, fraudulent documents which he has attributed to Jewish sources in his efforts to smear the Jews of America. After an erratic career on the East Coast where, among other things, he was fired from a job with the Library of Congress after his hate activities became known, Mullins settled in Chicago, and during the past few years has written frequent pieces for such publications as "Women's Voice" official organ of "We, the Mothers Mobilize for America."

In mid-September, a short news item in the "Chicago Daily News" announced that Mullins had just filed suit against the Chicago Motor Club for \$250,000. Mullins' action alleges that he was slandered, one-quarter million dollars worth, when he was fired from a job he had managed to obtain with the firm in their Public Relations Department. It may be expected that this man's complete, revolting background will be spread on the record in countering his outlandish charges. Currently, Mullins is maintaining a modest North Side apartment and spends some of his time working in a suburban antique shop.

5. MISCELLANEOUS ITEMS

..... [] long-time hate pamphleteer from New York and Connecticut, was back in the news several weeks ago. The "New York Times" and papers across the country revealed the fact that his latest diatribe attacking United Auto Workers' President, Walter P. Reuther, was being widely utilized in California to support the candidacy of Senator William Knowland, now campaigning for Governor of that state. Kamp's material had been endorsed by Mrs. Knowland,

b6
b7c

who indicated after the story broke that she had been totally unaware of Kamp's background or that he had served a jail sentence for contempt of Congress several years ago. She also appeared to be unaware of the fact that the same Kamp had been completely rebuffed by Senator Robert Taft of Ohio when Kamp's material was heavily promoted in 1952 in an apparent effort to aid Taft's bid for the Republican presidential nomination. Party leaders, including the National Chairman of the Republican National Committee, lost no time in disavowing Kamp and his material again in 1958.

.....GERALD L. K. SMITH. concentrated most of his fire during the summer peddling published material conveying his usual venomous messages. In one of his rare public appearances during this time, he traveled to San Francisco where he harangued an audience of close to 300 people. Noteworthy in his heated dissertation was an impassioned declaration that "Chief Justice Earl Warren and his court should be impeached. Warren, Frankfurter, and one or two more should be shot, and the rest put in jail for life after the decisions they have made!" As the Southern integration issue has become more and more emotionalized, Smith has made a calculated effort to attract "white supremacy" supporters.

.....INDIANA'S D. C. STEPHENSON, ONE-TIME KLAN LEADER, was back in the news stories several weeks ago. Stephenson, who had been an extremely powerful factor in Indiana in the '20's, because of his large Klan following, frequently boasted "I am the law in Indiana!" He was credited at the time with exercising strong influence in certain political campaigns, political patronage and the like. His career ended when he was convicted of murder in 1925 and began to serve a life sentence. In 1956, Stephenson was granted a parole - he had been an exemplary prisoner - and was ordered by the Governor into virtual "exile" from Indiana. Indiana papers have just reported that Stephenson quietly returned to Indiana several months ago to marry an old friend who had coincidentally been one of his defense witnesses back in the '20's. He has furthermore announced that he intends to settle down in a quiet community in Indiana despite the "exile" order. Legal experts agree that the restrictive order has no legal significance. The story may be marked "closed" with Stephenson averring that he has no interest in the Klan at present or any of its activities.

....."ANTI-SEMITISM IN THE SOVIET UNION TODAY" is the title of an excellent report disseminated by the ADL several weeks ago. The report publishes the ugly facts which demonstrate the manner in which the remnants of Jewry behind the iron curtain are being squeezed out of educational, economic, political and social life in the Soviet Union. This has been accompanied by a nationwide anti-Semitic campaign in the Soviet press and the continued repression of the religious life of Jews. Newspapers across the country, including the "Chicago Daily News," have hailed the ADL report for stating the facts and disposing of many myths relating to Jews and Communism.

....."COMMON SENSE", an extremely crude but widely circulated periodical, emanating from Union, New Jersey, has been given extensive circulation in the Midwest during recent months. Supporters of this rag at several points in Indiana and the Chicagoland area have intensified their surreptitious circulation of random issues, sending them through the mails or leaving copies in public buildings, buses and trains. In Hammond, Indiana and Calumet City, Illinois, homes on a newspaper route found that they were receiving, besides their regular Sunday morning paper, a copy of "Common Sense" folded in as an additional insert. Conferences with the newspaper in question and with the newsboy who handled the deliveries in the areas concerned revealed that someone had tampered with three bundles of papers which had been left at a street corner, as was customary. The newsboy suspected that someone had tampered with the bundles but paid no special attention to the matter because the Sunday paper regularly had special magazine and other inserts. He also reported that most of the customers along his route subsequently wanted to know how come "Common Sense" was being delivered to them. Investigation is being made in an effort to apprehend the perpetrator of this hoax. Reports from Milwaukee indicate that a number of business firms also received unsolicited copies of "Common Sense" when they picked up packets of their regular mail at the Post Office. It appears that these issues did not go through the mail as such. The matter is now being investigated by postal authorities.

....."WE, THE PEOPLE" held its fourth annual convention at the LaSalle Hotel on September 19, 20 and 21. This is an ultra-reactionary movement which has sought to become a national force, attracting to it many elements which

have clamored for a third party movement. A special rally on Friday night, September 19, attracted close to 1000 people who heard a series of speeches attacking Communism and the "socialization" of America. One of the featured speakers was "Reverend" Kenneth Goff, well-'nown bigot from Englewood, Colorado. Goff omitted his usual anti-Semitic canards from his convention remarks and concentrated his attack on the National Council of Churches, top Protestant body in America. Books written by Goff were conspicuously in evidence on the literature tables. A number of faces familiar to the Chicago hate scene were present for some of the festivities but did not actively participate in any of the seminars. Many of the speakers engaged in heated attacks on Walter Reuther. Joe Kamp's pamphlets against Reuther were also given a big plug. [redacted] founder and president of the "National Association for the Advancement of White People," was found guilty of murder, on August 5, 1958, in the shot gun slaying of his brother-in-law in Kountze, Texas. He is currently appealing a life sentence. [redacted] blossomed out in Delaware and Maryland, back in 1954, in a flamboyant promotion that saw him fomenting race tension, lavishly embellished with anti-Semitism.

A Report to the American People on "UNESCO"

Dear fellow-American:

"UNESCO," the United Nations' Educational, Scientific and Cultural Organization, is a subversive association. It is consciously furthering a campaign calculated to pervert the teaching profession in this Country, and so destroy the worth and integrity of America's first bulwark of freedom—our tax-supported public schools.

Strong words? Yes, but not strong enough to alert you and the American People to a proper understanding of the UNESCO menace, which, unless met squarely and eradicated by the concerted action of parents, teachers and the general public, may shortly transform our schools into laboratories for the systematic destruction of all sense of national-allegiance and loyalty in the minds and hearts of America's school-children.

UNESCO's scheme to pervert public education appears in a series of nine volumes, titled "Towards World Understanding," which presume to instruct kindergarten and elementary grade teachers in the fine art of preparing our youngsters for the day when their first loyalty will be to a World Government, of which the United States will form but an administrative part. The booklets bear the following individual numbers and titles:

- | | |
|---|---|
| I. "Some Suggestions on Teaching About the U.N. and its Specialized Agencies" | VI. "The Influence of Home and Community on Children Under Thirteen Years of Age" |
| II. "The Education and Training of Teachers" | VII. "Some Suggestions on the Teaching of Geography" |
| III. "A Selected Bibliography" | VIII. "A Teachers' Guide to the Declaration of Human Rights" |
| IV. "The U.N. and World Citizenship" | |
| V. "In the Classroom With Children Under Thirteen Years of Age" | IX. "Some Suggestions on the Teaching of World History" |

These booklets are cheaply priced for maximum distribution and are printed by Columbia University Press, New York. This seems appropriate, considering the role Columbia's Teachers' College has long played in developing new methods for radicalizing and internationalizing public education in this Country. The institution has become well-known as a hotbed of British Fabianism, that peculiar type of "creeping" Socialism which sired the present "Labour Government" which has reduced England to a fourth-rate power and a star boarder in the European section of America's world charity ward.

UNESCO's booklets read like the propaganda put out by UNITED WORLD FEDERALISTS, Inc., which has been denied tax-exemption because of its specifically political nature. They begin by advancing the totally un-American doctrine that the prime function of public education in the United States must be that of capturing the minds of our children, at the earliest possible age, for the cause of political World Government. The teacher is urged to devote every classroom minute to this end, and every subject taught must serve, or be revised in such a manner that it is made to serve, this same central objective.

The program is quite specific. The teacher is to begin by eliminating any and all words, phrases, descriptions, pictures, maps, classroom material or teaching methods of a sort causing his pupils to feel or express a particular love for, or loyalty to, the Un-

ited States of America. Children exhibiting such "prejudice" as a result of prior home influences— UNESCO calls it the outgrowth of "the narrow family spirit"—are to be dealt an abundant measure of counter propaganda at the earliest possible age. Booklet V., on page 9, advises the teacher that

"The kindergarten or infant school has a significant part to play in the child's education. Not only can it correct many of the errors of home training, but it can also prepare the child for membership, at about the age of seven, in a group of his own age and habits— the first of many such social identifications that he must achieve on his way to membership in the world society." (Emphasis ours in all cases)

Following this same line of attack upon patriotism and its parental encouragement, the same Booklet, on pages 58-60, goes on to further poison the minds of our teachers by adding:

"As we have pointed out, it is frequently the family that infects the child with extreme nationalism. The school should therefore use the means described earlier to combat family attitudes that favor jingoism. . . . Education for world-mindedness is not a problem that the school can solve within its own walls or with its own means. It is a political problem even more than an educational one, and the present position of teachers does not, in general, permit them to intervene in the field of politics with the requisite authority. . . . We thought with cautious optimism that educators could also try to influence public opinion. . . . Certain members of our group thought that educators might now besiege the authorities with material demands in the manner of a trade union. . . . In our opinion it is essential that, on the one hand, a Children's Charter should secure for all children such education as is summarized in this report, which alone can create the atmosphere in which development of world-mindedness is conceivable; and that, on the other hand, a Teachers' Charter should secure for all members of the teaching profession the liberty to provide such an education by the means they decide upon, as well as the right of access to commissions and councils responsible for the organization of public education."

Aside from encouraging the public school teachers to make war upon the ideals of patriotic national devotion which UNESCO sees as "infecting" our children in the home, precisely kind of instruction would the authors of these UNESCO booklets introduce by "influencing public opinion," "besieging the authorities with material demands in the manner of a trade union," and by pressing for a Children's Charter and a Teachers' Charter, which refer to instruments prepared in treaty form, making UNESCO principles the supreme Law of the United States? Let's see.

First of all, teachers are urged to suppress American History and American Geography, which might enhance pro-American sentiments which UNESCO wishes to sterilize. Here is how Booklet V., on page 11, treats the "problem" as it affects children aged 3 to 13 years:

"In our view, history and geography should be taught at this stage as universal history and geography. Of the two, only geography lends itself well to study during the years prescribed by the present survey. The study of history, on the other hand, raises problems of value which are better postponed until the pupil is freed from the nationalist prejudices which at present surround the teaching of history.

Translated into less abstruse phraseology, the teacher is instructed to purge American Geography from the elementary school classroom, by divorcing it from its national element, and to completely ignore the teaching of history until the pupil enters high school, since this subject cannot be similarly "internationalized," and so is too "risky" to advance until the youngsters' patriotic spirit has been thoroly emasculated! Parents who take a bit of time to investigate may find (as we found in Eastern Pennsylvania) that a number of elementary schools have already dropped American History as a standard, required subject.

Logical and orderly teaching methods are also to be discarded if found to obstruct UNESCO's program for de-Americanizing the minds and hearts of little children. Discussing the usual method of teaching geography, Booklet V., page 11, continues:

"One method much in use now is to teach geography in a series of widening circles, beginning with local geography (i.e. the classroom, the school building and its surroundings, the village, the country) and proceeding to a study of the nation and the continent. Only when that routine has been accomplished is the child introduced to the rest of the world.

"This progress from the particular and the immediate to the general and the remote may be logical, but does it serve our purpose?"

The Booklet goes on to conclude that it certainly does not, since it is found that this manner of presentation will "lead pupils to the mistaken conclusion that what is nearest to them is the most important" and vice versa. UNESCO-indoctrinated teachers must therefore reverse the procedure, upset the rule of logical sequence, and begin by teaching the 8-year old child about "the distribution of land and water, of air and sea currents, hydrography, climate, occupations, etc." But, even before this, and certainly before the youngsters are given any kind of formal study of their own Country, "every opportunity should be taken to enlarge the child's imagination and encourage him in an interest in all that is remote and strange" This is accomplished by occupying the impressionable mind of the very young child with the games, occupations, tools, domestic animals, etc., of foreign lands. The purpose of this is not simply to teach our kindergarten and elementary pupils about alien peoples, but to cause them to "identify themselves in their imagination with people different from themselves."

Truth, like orthodox and reasonable teaching methods, is to be suppressed wherever and whenever it stands in the way of glorifying those things which are foreign above those which are particularly American. On page 14, Booklet V., there appears the following advice:

"Certain delicate problems, however, will arise in these studies and explorations. Not everything in foreign ways of living can be presented to children in an attractive light. At this stage, though, the systematic examination of countries and manners can be postponed, and the teacher need seek only to ensure that his children appreciate, through abundant and judicious examples, that foreign countries, too, possess things of interest and beauty, and that many of them resemble the beauty and interest of his own country. A child taught thus about the different countries of the world will gradually lose those habits of prejudice and contempt which are an impediment to world-mindedness."

And there you have the UNESCO instructions on geography and history: Suppress American studies in these fields; accentuate, by "abundant and judicious examples," all that is especially worthwhile and attractive in foreign modes of living; but, as soon as the point of unfavorable reporting seems to be approaching, simply "postpone" further study, leaving the children with the false and truly prejudiced notion that the nations of the other continents are paragons of virtue, beauty and overall perfection!

What else does UNESCO's "Teachers' Guides" recommend that our little ones be taught? For one thing (Booklet V., page 16), "the methods for putting the resources of the globe at the disposal of all people," which reads like a passage from Marx' "Communist Manifesto." Following the same line, page 51 of the same work proposes an "International Anthem" for American classrooms ("and tomorrow (for) all the inhabitants of the world"). It is interesting to note that the Booklet we are reviewing was prepared in 1949, and that a "United Nations Anthem" was previewed by the UN in 1950, being presented to the public on October 1st of that year in California's giant Hollywood Bowl. The "Anthem" describes how things will be "WHEN ITS FLAG (the spiderweb banner of the UN, Ed.) WAVES O'ER EVERY LAND!"

We have quoted extensively from Booklet V., because it contains the most flagrant of UNESCO's anti-American propaganda, and develops it the most extensively. Now, in the space left us, let's quote from other Volumes in the series:

Booklet IV., on pages 13-14, sympathetically deals with the various methods for converting the United Nations into an actual World State. The original concept of the UN as an assembly of delegates representing free and sovereign governments is being challenged, teach-

ers are informed, in an effort to break up the concentration of political power in the hands of national governments— especially the "Great Power" governments, which includes the United States of America. There are two alternative proposals. The first, to popularly elect UN representatives; the second, to appoint representatives who will be "organized specialists in limited fields." The latter proposal follows the Fascist ideology which developed the "Corporate State" of Italy, under Benito Mussolini. UNESCO is not perturbed on this score, however, since "It would be a beginning of functional world government based on transnational rather than international cooperation."

Booklet VI. contains a series of "research suggestions" which indicate an intention to stimulate ultimate classroom expeditions into the field of detailed sex education. Here are a few samples of the type of questions which UNESCO, which is heavily subsidized by the tax dollars of many Americans who feel that sex training rests within the domain of the home or of the tenets of their own particular religious faith, propounds for our public school teachers: "Are there devices . . . for limiting the family?" "What are supposed to be the typical feelings of pregnant women?" "Do parents undress before the child?" "What is he (the child) told about where babies come from?" A sense of propriety prohibits us from quoting the even less modest "projects" which appear with the above.

Space does not permit us to further examine the other booklets in the series, but this brief analysis should serve to alert the citizen to the menacing nature of UNESCO's activities. Once alerted, then, it is his job— YOUR JOB AS A LOYAL AMERICAN —to take the next step. Contact your friends and neighbors, show them this Newsletter, ask them to join with you in forming a local committee to obtain further data and fight this danger. Order those nine Booklets of UNESCO, and also the heavier paper-bound book titled "A Handbook for the Improvement of Textbooks and Teaching Materials," which suggests another UNESCO project (to eliminate Americanism from schoolroom reading material) which we may deal with in the very near future. Read this material for yourselves, then, as a committee, go into action.

Firstly, prepare your own report and submit it to your local school board. Introduce the matter before your parent-teacher association. Interview the teachers in your community and ask their assistance in obtaining action. Join with the AMERICAN FLAG COMMITTEE in demanding that your U. S. Senators introduce and support legislation withdrawing our Government from UNESCO membership and terminating its activities in this Country. Many other ways will occur to you, in which you can help safeguard our American system of public education from infiltration and undermining by UNESCO's "America last" propagandists.

One further word remains to be added. Several of the Booklets discussed bear a preface which states that the views expressed are those of their authors, and that they do not represent the "official" views of UNESCO. If this weak-kneed attempt to avoid responsibility is brought to your attention by a UNESCO apologist, tell him that one who administers poison to a nation's youth is guilty of a crime, whether the prescription is "official" or other!

Yours for a strong, free Republic,

W. Henry MacFarland, Jr.

P.S. Additional copies of this Newsletter may be had at a price of 20 for \$1.00. Your orders will help place this material in the hands of others, and also provide financial support for continuing our research into the operations of UNESCO and other groups seeking the national extinction of our United States of America. If you would like to receive our Newsletter each month, remit in the amount you think appropriate. Our main objective is to place our monthly data in the hands of Americans who will read it and ACT!

REPORT OF: [redacted] 1959
SUBJECT: National States Rights Party Meeting (American Flag Committee)
TIME: May 6, 1959
PLACE: Atlantic Hotel, Banquet Hall

Approximately 100 people attended the meeting sponsored by the American Flag Committee, which was in reality a rally staged for the NSRP, organized initially by F. Allen Mann. See [redacted] memo of May 7, 1959 to Ellorin re the preliminaries of this meeting.

People were greeted at the door by a white-haired, grandmotherly type wearing a glittering American flag pin on her grandmotherly bosom; she was apparently representing the We, the Mothers organization. All were required to register and pay \$1.00 admission.

On every seat was a sealed envelope with a printed return address of the American Mercury; each contained copies of "POISONING THE UNITED STATES" and "THE POLICE STATE," bearing the stamp of Women's Voice.

Acting rather like the host of a social event was F. Allen Mann, who, sporting a white arm band emblazoned with a large red cross, charmingly welcomed friends and guests - helping old ladies to their seats, making polite and formal introductions and, in fact, playing well the role of "that nice young boy from Hinsdale."

One very old woman was told by Allen while she was seated in front of me that she was the very first person J. B. Stoner had asked after in Chicago. Mann then brought Stoner over to say hello. Because she fits the general description and since I overheard the name in another part of the room, I assume that this ancient patriot was Emma Grab. For your interest, she is: a little woman, probably in her early to middle seventies, wears her white hair rolled in a French knot, and through her pierced ears are what seemed to be tiny diamond ear rings. She appeared to be thoroughly familiar with all the popular anti-Semitic lingo and crowed a fervent response of "that's right, that's right" to each of Stoner's statements of "Jewish expose" throughout the evening.

After considerable socializing, for it was apparent that many of the people in the audience were "old comrades" (if that be an appropriate word), the official program began. Before a backdrop of three Confederate flags proudly displayed alongside the American flag, was the speaker's table, at which were seated two then-unidentified women and one man, namely J. B. Stoner, the speaker of the evening. The opening prayer was said by one of the women at the speaker's table, who was later identified as [redacted]. Following this was a little introductory speech made by a woman who was later introduced to me as [redacted]. I later overheard someone referring to a [redacted] and I assume that this is one and the same woman. A general description of this woman might be useful to you. I would say that she was about 48-50 years old, rather slim, approximately 5' 4", with light brown hair. I would by no means describe her as extraordinary either in intellect or in appearance. She devotes great care to looking young, rather ultra-feminine in her pink fluffy dress, little pink hat with a rose, and overly-rouged cheeks. While her introductory speech was by no means outstandingly coherent or well-worded, it certainly was direct. [redacted] very first remarks were a warning to the people in the audience that while many of them might have felt that the problems were racial, that in fact the real problem in America was the Jew. She then identified herself with We, the Mothers organization,

b6

an organization which she described as one which knew this to be the problem. In introducing Stoner, she alluded to the National States Rights Party, of which he of course is an organizing member, but indicated that the group might not agree with all of the platform principles, but that after all we were all working for the same cause. Her introductory statement was brief, enthusiastic and somewhat frenzied.

J. D. Stoner was indeed the main attraction of the evening, for he spoke from approximately 8:10 PM. to 11:00 PM. without interruption and would have kept on going except for the fact that some people were getting somewhat restless during the latter part of the evening. Much of Stoner's address concerned the topic of Jesse Benjamin Stoner himself, Now 35 years old, he proudly proclaimed that he has been fighting this cause for the past eighteen years. His endless tirade was preceded by the clarification that the Jews, about whom he spoke so antagonistically, were not in fact the people of the Old Testament who were the ancestors of Christ. Once having made this qualification, his presentation was openly, proudly anti-Jewish although always in his surprisingly soft-spoken and Southern-gentlemanly way. His whole manner throughout was remarkably gentle in light of the violence of his campaign against the Jew, at one time introducing the slogan "Kill the Jew" which apparently was even too embarrassing for the Klan and thus he ended membership in KKK. In talking of his days and ways as a crusader, he spoke fondly of his associate in the Christian Anti-Jewish Party, namely that very nice young man, Edward Fields, but actually only briefly alluded to the National States Rights Party itself. While this had been intended, I believe, to be a rally, enticing membership into the NSRP, the evening was actually dedicated to the usual anti-Jewish expose, answered only by documentation of a one-man fight against the enemy. The topics discussed, as announced, were: (1) The synagogue bombings. (2) His one-man fight against the FBI - terror in the South! (3) ~~Khrushchyov~~, is he a secret Jew? 4. Race-mixing menace. In all of this, Stoner was true to form, proclaiming that the only reason he was against the Jews was that they were against him and all good Christians.

A number of circumstances seemed to put Stoner definitely on guard, causing him to choose his words carefully and promoting a constant and nervous looking around the room. While hate literature circulated by Stoner has been viciously racist, he was notably circumventive in his handling of the race problem in his speech of the evening. The presence of [redacted] of Chicago, his wife, and a party of about twelve other Negroes, obviously necessitated Stoner's conspicuous precautions in addressing himself to this topic. [redacted] in his avid promotion of repatriation of the American Negroes to Africa, has been known to court professional bigots, including those that are blatantly anti-Negro. The very presence, however, of Negroes in the audience forced Stoner to translate his concept of racial pride into one which included the pride of being what he called "of the African race." To this declaration, [redacted] wife responded almost religiously, clapping her hands, "Amen, Amen." The [redacted] group enthusiastically received the information given by Stoner that the evil force which was behind the race mongrelization menace was of course the Jews. The very conflict between the races, Stoner contended, was a plot of Jews. "Yes" said one of the Negro women aloud thoughtfully, as if hearing these charges for the first time. She continued to shake her head sadly as Stoner revealed that it was also the Jews who first made slaves of the Africans and took them, against their will, away from their homeland to be sold into the American slave market. Stoner professed great sympathy for the position

b6
b7c

P
Y

of the "African" in America and felt that the responsibility was in fact the Americans' who owed a debt to those who had been made second class citizens and thereby suffered degradation and injury throughout their stay in this country. Stoner's recommendation that we appropriate a large sum of money, now being wasted on the fight over integration and being poured into foreign aid and lost on inevitable Negro crime, to be used to help repatriate the African to his homeland, was met with great applause from the general audience and an additional "Amen, Amen" from Mrs. [redacted]. Stoner thought that aid should be given to the rebuilding of a modern industrial nation in Africa for the American-African to go home to and his suggestion that they be provided with a first-class tourist boat worthy of any wealthy white American citizen on their trip homeward was met with the most gleeful "Amen" that Mrs. [redacted] uttered all evening. At one point in the evening, Stoner made the until-then scrupulously avoided error of referring to the Negroes as "Niggers" instead of Africans. He quickly blushed, apologized, but then said with a smile, "Well, after all, I know Mr. [redacted] understands me - why, we are much more relaxed in our correspondence with each other and I'm sure that neither Mr. Davis nor I would say aloud in this group what we would feel free to say to each other in our letters." The effort of being consistently polite to Negroes and judicial in any reference to the race question was an obvious strain on Stoner. In his extreme attack on Jews, however, he was at his best and completely at ease.

b6
b7C

A good portion of the speech that went on and on and on was spent on the bombing trial in Atlanta, but more particularly on J. B. Stoner's experience with his personal FBI investigators and "interrogators." His account seemed most engrossing to the audience as he raised scorn and indignation for their cruel, useless money-wasting, and even incompetent harassment of Stoner and other patriots. Though Stoner could by no means be described as a dynamic speaker, he injected enough spice and humor in his story-telling of how he duped 18 FBI men who were following him around, to delight and retain the interest of his audience for almost three hours.

Actually, nothing in the content of Stoner's address was surprising. To the contrary, what it avoided or omitted was of more interest. Considering that he is supposedly in the midst of touring the country, addressing local units of the National States Rights Party with the assumed goal of informing people of the nature of the NSRP, with the additional intention of soliciting membership, Stoner said astoundingly little about the group and in fact offered no real program of action of any sort to his listeners.

Apparently [redacted] had no intention of speaking before this group, for he was on his way out of the room after a weary three hours of listening, when Stoner called on him to present his case before this fine gathering of American patriots. Despite Stoner's attempt earlier to create the image of the African, so full of racial pride, [redacted] certainly illustrated anything but a picture of dignity or self-respect. He tearfully pleaded to be sent home, that is, to Africa, by reminding the audience of the saying: "If your right eye offends you, pluck it out; and if your right arm offends you put it off." He then declared that Negroes in America have always been offensive to the white population and that the Negroes no longer want to go on being so offensive, so "Won't you please, please send us home," he pleaded. That was his address for the evening, and so ended the entire program. May I add that Mr. [redacted] is an extremely sick man, completely bent over and crippled, apparently from arthritis, he can barely walk even with the use of a cane and a crutch. His wife is hardly in better shape, physically and probably psychologically as well.

b6
b7C

I refer you to Lincoln Rockwell's latest product named "We Challenge the Jews," sent out this last April, which has a picture apparently taken on April 5, 1959, of a meeting between Rockwell and [redacted] Pictured behind Rockwell and [redacted] is our charming Mrs. Davis, though I might add the photograph is certainly flattering, not revealing her true size or the fact that she has one blind eye and one near blind eye. The small man with the glasses and mustache standing directly to the right of her in the photograph, was also present at the meeting, though he did not speak. There were about eight other men in [redacted] party, a few rather young, studentish-looking fellows, and two women, one approximately middle-aged and the other a good deal older, who apparently was better known by our local crew. This older woman, with her "blue" curly hair, was the only one of the group who sat even somewhat away from the rest of her racial gathering and was greeted warmly by a number of people, including Mrs. [redacted] and F. Allen Mann; before she left, Emma Grab gave her a dollar, which she said was for carfare, to which the woman responded, "Yes, you certainly know that I need it. Thank you." On the whole I think that this group can be characterized as an unhappy, dedicated bunch of people, devoted to [redacted] personally, and certainly more interested in their particular cause than in the fine topic under discussion this evening. A few left entirely when they thought their portion of the discussion was over; the others waited outside of the room for [redacted] himself. There is no question, however, that their leader, [redacted] keeps bad company. His association with a Lincoln Rockwell, so well-known for his extremely violent anti-Semitism was even more directly confirmed this evening when acknowledging friendship with me during the evening, [redacted] passed across the room to me a copy of a sheet printed by Lincoln Rockwell, called "Restitution for the Negro." The local anti-Semitic scene has certainly responded in a big way to this alliance, as Emma Grab, [redacted] F. Allen Mann and [redacted] ^{trying} to shake his hand and congratulate him at the end of the evening. Indeed, his association with Stoner and the National States Rights Party rally is indication enough, I should think, of how [redacted] is being courted by the anti-Semites and, yes, even the anti-Negroes.

b6
b7C

No doubt I should be flattered by [redacted] acceptance of me and his personal invitation to attend his Bible class, held every Wednesday at his home, 2430 South State Street, here in Chicago, or to call, for further information, at Victory 2-6320.

As for the leading speaker, Mr. Stoner: though also crippled, he hardly presents so sick or disreputable a picture as our friend, Mr. [redacted] On the contrary, his appearance and manner are quite ordinary and conservative and certainly far from portray the picture of a man who is and has long been a violent and active anti-Semite. His attacks seem^d to come matter-of-factly, all in his consistently well-modulated and well-mannered fashion. Though he proclaimed having no fear of the FBI, that is the "JewBI," the ADL, or anyone else, he did exhibit uneasiness, especially when a photographer entered the hall while Stoner was speaking. Stoner stopped abruptly, and F. Allen Mann quickly went to the door to question the photographer, who was Negro, probably representing the Negro press, for he only wanted a picture of [redacted] and so was allowed to stay. Stoner claimed to be losing money on this tour and so asked for contributions to cover his traveling expenses. After the meeting, in a conversation with him, however, he told me that he is looking forward to a trip soon to Florida because he liked to play on the beaches, indicating that he isn't fkt broke at any rate. Although you are bound to run into a lot of Jews in Florida, Stoner said, he assured me that he wasn't at all afraid of them.

A personal note is that this noted Jew-hater doesn't know one when he sees one. He took quite a shine to me, thanking me for coming, recommending a pile of patriotic literature for me to read, inviting me to drop in for a visit if ever I happened to be in Georgia, and to top it all, complimented me. I think that he would die if he knew that he had told a Jew that she was the prettiest girl he had seen yet in the North.

Describing the rest of the crowd is made difficult by the fact that no one's name other than Stoner's was announced. Though acting as boy usher, F. Allen Mann spoke not at all and was never introduced. "We, the Mothers" as an organization unquestionably took the leadership role, contributing their literature, welcoming committee, song sheets, water-bearers to the speaker, fluttering hats, and in general lending an air of church-woman respectability to this hate rally. The leader of the leaders, however, Mrs. Van Hyning, took an unassuming position; she sat in the first row but didn't utter a public word and her presence in fact was not even mentioned by Stoner. She, by the way, is looking exceedingly well, though not at all like the elegant dowager picture in the "Women's Voice" photograph. She seems much slimmer and younger-appearing and certainly more fashionably-dressed. She left right after the meeting, saying "goodbye" to the girls who had run this shindig and to F. Allen Mann, but not to Stoner.

Quite in contrast to the deceptive propriety of the "Ladies Society," was a small group of men sitting in the back of the room, who looked almost like thugs, an exceedingly muscular one of which was dressed in an extremely bizarre manner, outfitted with boots, and at the neck of his plaid flannel shirt was a huge green stone brooch. These tough-looking guys were greeted by representatives of another element present, that is, the health faddists. While chatting with members of the Prairie State Health Federation casually about poison in the foods, fluoridation and things like that, I found that the rallying point was consistently condemnation of the Jews. These health groups seem to act as a vehicle by which otherwise independent and even opposing elements can have overlapping membership, while anti-Semitism serves as the organizing principle. Recommending to me that I eat only organically-grown foods and to read the wonderful Elizabeth Dilling seems to be naturally-associated ideas by these people who are sincerely afraid that their minds, bodies and souls are in the process of decay due to the clever plotting of the treacherous Jew. "Doc Carpenter", a gentleman who claims that he was being eaten away by cancer (and looks it) told me that he was cured by Naturopathy treatments, which the Jew-controlled AMA wouldn't practice. His tale was filled with horror stories of how the Jews were always getting him in trouble and advised that if I ever had Jew trouble or ADL trouble, I should immediately contact the Dilling lawyers (Elizabeth's son and ex-husband).

Most openly anti-Semitic of the Prairie Health people "George K." * who served as a valuable contact by pointing out or introducing people to me, indicated that he had seen a certain blind man in tonight's audience at a few health rallies. We have had recent complaints and inquiries about a blind man in the area who has been seen passing out "Women's Voice" and was spotted at a William Blessing meeting recently (see [redacted] #22-23, 1959.) and my observations lead me to assume this is that very man. Remarks overheard made by this fellow were filled with the most popular anti-Jewish slogans and he was known by our locals, [redacted] Mann and Emma Grab, and was quite anxious to meet Stoner and [redacted] He is of medium height, exceptionally thin,

* a three syllable Polish sounding name ending, I think, in a "ski". Will try to furnish more complete information soon.

with light, nothing-colored, thinning hair. While his dress is ordinary, though his clothes do hang on him as though he has lost quite a bit of weight since he bought them, his whole manner and appearance is obviously strange. I would hazard the guess that he is quite emotionally disturbed, exhibiting extreme and apparent nervousness and he has a laugh which sounds as if he may lose control entirely. He was guided to and from the meeting by an equally-strange-looking fellow, who was also known by F. Allen Mann and who greeted Emma Grab with the statement, "You remember me? I was at your house once." He seemed to be a friend of [redacted] sitting next to him throughout the evening. He was holding a manilla envelope which on the back flap said "From [redacted]" (that's [redacted] address). Also written on it were a number of jotted notes, one of which was "Rockwell" with a Chicago telephone number, a portion of which only I could see which was MI 2 -44. (Possibly the telephone number at which Rockwell stayed while in Chicago a short time ago.) This yellow-faced man was about 5' 10", getting quite heavy - I would say he weighed around 190 pounds or so, and was a seedy-looking 35 or somewhat older. He was rather sloozily dressed in a shiny white on white shirt, baggy pants and a light green rayon. Type sport jacket. He wore loose moccasins which flapped as he walked, and looked, though well scrubbed, either sick or off a recent binge. His face is getting somewhat paunchy and his dark, thin eyebrows are very distinctive, almost looking like 1920ish, thin penciled expressions over his dreary, slightly bloodshot eyes. His somewhat puffy hands were immaculately clean and his nails manicured. Although he conformed somewhat to the description of Mullins, after looking at our picture of Eustace and the fact that no fuss was made over his presence by anyone, I would think it safe to conclude that this wasn't our man, although I may be wrong. Certainly Max Nelsen, who should be easily identifiable, was not present.

b6
b7C

One young man who popped his head into the meeting just after it was over, was identified for me by my friend "George" as [redacted], who looks exceptionally good and, in contrast to the old pictures of him, could almost be described as a clean-cut, all-American-looking young man, [redacted] tall with short sandy hair and the ordinary features that American co-eds love. [redacted] was greeted by F. Allen Mann who, by the way, is also a very tall, good-looking boy, who responded when I asked him about his extraordinary suntan (thinking that I might get some information about a recent trip South) that he was cutting lawns for a living this summer. The two young, but long-time established leaders in the anti-Semite circle, stepped outside into the hall and out of hearing range to talk to each other. I think that a good deal of interesting conversations were probably held in the hallway throughout the meeting, but, alas, were not recorded. It was one of those endearing, unbearable Chicago days, hot, of course oppressively humid, and I imagine that a good deal of the considerable traffic in and out of the hall were vain attempts to get a breath of fresh air.

The sound of a faint rumble from outdoors and Mann's somewhat excited scurrying about indicated that at least some of this activity were private gatherings of patriots, giving voice to something or another. Though I observed friendliness among so many of the audience and had myself been treated cordially, to say the least, apparently these separate and private groups are indeed private and separate. Another observer, who while engaging in conversation with an unknown gentleman from the audience, tried vainly in vain to casually approach a number of these clusters in the outer room, but was each time met with sudden silence and I suppose suspicion. Though he by no means looked Jewish, he was still

regared as a stranger to the particular group. Included in the better-known locals bussing about were [redacted] well known in this area for his association with the worst of anti-Semitic elements, is a nasty one himself. Though our records indicate that he is [redacted] he looks somewhat younger. With his careless manner of dressing and rather overly-long auburn hair, mustache, and rather wild look about the eyes, he could be described, wildly, as decadent looking. He was accompanied by a few of his buddies whom I recognised from "We, the People" meetings, but could not identify.

C
O
P
Y
There were two other men whom I had seen at "We, the People" meetings, and will describe with the hopes that it might prove useful at a later date. One of these was quite thin man in his middle to late 40's, who had a small greying mustache, crowning what appeared to be either a broken or crooked front tooth. On his right hand he wore a gold ring which had a large flat black stone, on which was the gold letter "A". After each of Stoner's most blatant Jew-blasting statements, this man would say enthusiastically, "Listen to that - that's right!" It was this mustached one who was seen by our observer in the lobby after the meeting, giving S. A. Davis a card and saying "Now you must come to one of our meetings." His companion greeted me, probably recognising me from "We, the People" meetings, and he is the one whom I am most likely to later identify. He is quite distinguished-looking, in his early 40's, with very dark hair, greying at the temples and was, though conservatively, very well-dressed, especially in comparison with what seemed to be his political bedfellows.

Among those, interestingly enough, not present were Beaumais, Edwards Fields, Elisabeth Dilling and Matt Koehl.

The literature displayed was rather extensive, including copies of Mann's "Revere", a book by Mullins, much of the "American Mercury" literature and books such as "The World Conquerors" by Louis Marchalko; "Moscow over Hollywood" by Myron Fagan; "Gruesome Harvest, Costly Attempt to Exterminate the People of Germany," by Ralph Franklin Keeling; material by Kenneth Coff, copies of the "Protocols", much health literature, and all the usual garbage which "Women's Voice" promotes. By the way, all copies of the literature were stamped "Women's Voice." Again, it is more noteworthy to observe what wasn't there, that is, there were no copies of "The Thunder-
bolt" or any other National States Rights Party propaganda material.

In the [redacted] the suspicion [redacted] did hear a discussion of one of the elite and elusive circles, concerning the fact that Elisabeth Dilling and other groups weren't represented. Expressed were the usual grievances over the fact that there is so much jealousy and suspicion between personalities that one, over-all group, never seems to succeed.

ADMIRAL JOHN CROMMELIN - MAN OF THE HOUR

N.S.R.P. GRASS ROOTS DRAFT MOVEMENT FOR ADMIRAL CROMMELIN.
GIVES NLW HOPE AND DETERMINATION TO THE WHITE STRUGGLE

Crommelin was the first to publicly expose the F.B.I., as being "like Communist-Jewish secret police," controlled by the Justice Department, under that subversive traitor, William P. Rogers. Who now orders them to use terror methods against the White Segregationists of the South. Crommelin was the first to blast the FBI, and stated: "Mr. Hoover, I saw a letter today which stated that two of your agents had 'called on' a very fine patriotic woman in her home in Knoxville, Tenn. to find out, what she knew about the bombing of the school in Clinton." Mr. Hoover, I would bet my right arm that lady had absolutely nothing to do with the bombing of anything, and that you are carrying out the directives of the invisible communist-jewish government to try to intimidate all White Southerners who have demonstrated that they understand the organization, aims and objectives of the communist-jewish conspiracy, and its fiendish plot to mongrelize our great White Christian country.

FBI ON FRAMEUP RAMPAGE

United Press, Poplarville, Miss., May 15 : "J.P. Walker, a candidate for sheriff of Pearl River County, said Friday that FBI agents during interrogation accused him of being a member of the mob that lynched Negro M.C. Parker. The FBI refused comment." End of U.P. report.

It is typical procedure to flood an area with agents, and to use vicious third degree interrogation methods, in order to frame an innocent man, or frighten him into helping them frame his friends.

It is time these carpetbagging snoops were run out of the South. We suggest that the old fashioned American method of tar and feathering plus a ride out of town on a rail be used. One effective way to stop the Federal Bureau of Integration would be Legislation making it a criminal offense for state and city police to co-operate with the Jew B.I.

FREEDOM IS EVERYBODY'S JOB DRAFT CROMMELIN FOR PRESIDENT

SHAKE-UP IN ATLANTA F.B.I. OFFICE

Nat Johnson, has been removed as Agent In Charge of the Atlanta FBI office, and has been replaced by Charles E. Weeks of Louisville, Ky. It was Johnson who led the unsuccessful persecution of the Atlanta Five. Johnson was the object of much criticism after his disgraceful frameup failed.

(SPECIAL REPORT BY SPECIAL SUBCOMMITTEE INVESTIGATING FBI TERROR)

Bill Foster of Jacksonville, Florida is a good American who, like millions of his fellow citizens, believes in freedom and fair play. During the war he fought for our way of life. In peace he ventured to share some of his personal beliefs with friends and neighbors. By exercising his constitutional right of free speech, Bill came to the attention of the secret police apparatus in this country.

On the afternoon of February 10, 1959 Bill was bringing his aged father home from the doctor. For a month the elder Foster had been under close doctor's care following a serious cancer operation. A few minutes after coming home FBI agents, who had been lying in wait, pounded on the door.

When Bill went to see who was making all the noise, he confronted two sorry-looking characters who refused to identify themselves. It was later revealed that they were Agents William Johnson and Thomas Walsh, the latter a niggeroid creature. The ostensible reason for their visit was to ask Bill if he knew who blew up the Atlanta synagogue. This was a complete sham, since they knew all along that a fellow agent, L.H. Rogers, had done the dynamiting. In fact, their actual purpose was to try to cover up for Rogers by framing Bill, which they thought would be easy since he owned a '48 Buick similar in color to Rogers' Dodge. *stupid shit*

Bill smelled something fishy in the whole business. He asked to see their warrant. They had none. He then informed them that his father was sick and that he did not want a lot of commotion. Bill advised the pair to quietly leave the premises. He repeated the request seven or eight times. Only after spitefully bending the screening of the screen door and after a loud and boisterous performance did the two troublemakers leave....but not for long.

Around 7:30 that evening the pair returned. They did not come alone this time. Afraid to face Bill and his aging parents by themselves, they brought along some reinforcements. Seven cars pulled up and 24 brave FBI men poured out. Armed with sawed-off shotguns, they were ready to *face one unarmed niggeroid*.

Unaware that he had committed any crime, Bill was returning home about the same time that the swarm of agents arrived. As he approached the house, he saw eight or ten of the federal thugs browbeating his helpless father. They told him that if he didn't open the door, they would tear it down. When the old gentleman continued to refuse admittance unless they showed identification and a search warrant, they replied by breaking into the enclosed porch.

Bill came up and asked what kind of foolishness was coming off. He told the intruders that if they had a warrant he would not try to interfere, but warned the agents to leave his elderly mother and father alone. Barely had he said that when six of the thugs grabbed and handcuffed him. One of them, the mulatto Walsh, then broke into the living room announcing pompously that he was going to search the house. Foster's aging parents, who are nearly eighty, were rudely shoved out of the doorway with a sawed-off shotgun. The elder Mr. Foster protested that Walsh didn't have a search warrant. The FBI creature glared at the old couple and told them that he didn't need one. He then rammed the muzzle of his sawed-off shotgun into their faces and ran them out of their living room.

The strain was too much for Foster's elderly mother who fell back against a divan. His infirm father, who is nearly blind, collapsed in the doorway. Walsh then pushed them out of the doorway of the living room. This was too much for Bill. When he saw how cruelly his parents were being manhandled, he broke loose from the five assailants who were holding him. He made a dash for the phone to summon the family doctor for help. He was stopped by the niggeroid who stuck his shotgun into Foster's stomach and told him to "forget about your doddering old man."

Bill was then hauled away by J. Edgar's secret police who continued their illegal search and pilferage till about 4 A.M. the next morning, keeping the elderly couple up all night despite their weakened condition. Neighbors began to suspect that some sort of foul play was going on. When questioned, the F.B.I. agents claimed they were looking for a rifle. When it became obvious that they

(Continued, see page 3)

such bunk

were unable to find any rifle, they next told the neighbors that they were looking for dynamite." As part of the search pretext, the vandals maliciously lifted his automobile and let it drop the very next second, breaking both back springs of the vehicle.

For 17 days Bill was held incommunicado in a lonely prison cell. Finally he was brought before U.S. Commissioner P. Donald DeHoff, and--- of all things under the sun---charged with "assaulting federal officers with a deadly and dangerous weapon!" FBI perjurers accused Foster of aiming a .22 rifle at them, despite the fact that he doesn't even own one. The biased DeHoff refused to permit testimony relative to the criminal behavior of the secret police and set bond at the unusually high figure of \$5000 (which was later reduced to \$1500). Bill now faces indictment before the U.S. District Court. When the case comes up, it will be his word against that of 24 trained liars. The FBI is now desperately trying to obtain the conviction of Foster in a new frame-up that will save its face after the Bright acquittal, and detract public attention from the fact that one of its own agents, L.E. Rogers, conspired with leaders of the Atlanta Jewish community to bomb a local synagogue.

U.S. Senator Bessard L. Norriss (Dem-Fla.) condemned the action of the FBI in raiding the Foster home, saying: "Search of premises is not legal unless the searchers are in possession of a warrant for such purpose." State Senator Wayne E. Ripley of Duval County quoted Section 22 of the Declaration of Rights of the State of Florida which is practically identical with the Fourth Amendment of the U.S. Constitution: "The right of the people to be secure in their persons, houses, papers and effects against unreasonable seizure and searches, shall not be violated and no warrants issued, but upon probable cause, supported by oath and affirmation, particularly describing the place or places to be searched and the person or persons, and things or things to be seized."

When U.S. Senator Spathers asked FBI Chief Hoover what he thought of the unsavory incident, he cynically replied, "I can assure you that the FBI agents did not physically touch Foster's person or distrust them in any way." ... So much from America's Master of Deceit!

Scandalized by the unscrupulous and un-American behavior of the FBI, Bill's only request---apart from justice in his case---is that J. Edgar Hoover and the individual agents directly involved apologize to his elderly and infirm parents for the unlawful and cowardly assault made upon them in their own home.

After carefully studying this case, this subcommittee makes the following recommendations: (1) that all charges brought against Bill Foster be immediately dropped for lack of honest evidence and because the entire case is an attempted frame-up; (2) that ample apology be made to Bill Foster and his parents by FBI Chief Hoover and all individual agents responsible for participating in the illegal raid; (3) that all those responsible for committing felonies in the Foster home be brought to justice and prosecuted; (4) that all property stolen from the Foster home by the FBI be returned and restoration in full made for all damages caused by FBI agents; and (5) that Congress and the state legislatures appoint special committees to investigate the operations of the FBI in general and the moral and civic character of J. Edgar Hoover in particular, within their respective domains.

FLASH - BULLETIN - Attorney Reuben Garland, the victorious defender of George Bright will represent Bill Foster in Jacksonville, Fla.

Funds are desperately needed in this case, send all contributions direct to Bill Foster, 8255 Hogan Rd, Jacksonville 11, Florida.

JACKSONVILLE FBI OFFICE RUNS AMUCK

(Following is quoted word for word from the May 1st issue of the "Jacksonville Chronicle"; - this incident followed the Foster frame)

"FBI MAN OBJECTS TO PUBLICITY" *Samuel Crooks*
"Wilton Cummings, Attache of the local FBI office was reported to have visited the ABC Printing Shop, 605 East 6th Street last Saturday at approximately 1:45 p.m. to demand that his personal name and any reference to the FBI be excluded from copies being made of an original letter sent Cummings during mid-January."

(Continued, see page 4)

(F.B.I. RUNS AMUCK - continued from Page 3)

"The original letter to Cummings, dated January 23, 1959 was a 13 page, single-spaced typed missive written on stationery of 'Save-America, Incorporated,' with national headquarters at 230 Clay St., Jacksonville 2, Fla. It was signed by Warren H. Folks, USN (retired) as executive vice-president of the organization. The latter told Cummings, 'It is regretted that the FBI has become somewhat disturbed in view of certain facts aired to the general public, went on to quote printed books which have asserted that too much Communist influence exists in certain branches of the government. The letter referred to the trial of five Atlanta men for alleged bombing of a synagogue there as a now proven frame-up. All five were later acquitted. Communist forces were charged as persecutors with help of the F.B.I.

(End of "Jacksonville Chronicle" article)

This vicious attempt by the FBI to silence Freedom of The Press, (a Constitutional guarantee), in trying to stop the A.B.C. Printing Company from publishing Folks' article, is censorship of the press. Folks has just wired N.S.R.P. Headquarters that an agent (he didn't show any credentials) asked his landlady if he (Folks) were "mentally ill" or if he "steals things?" Thus the FBI uses suggestion as a new filthy smear technique against a White man's reputation. Being a true Patriot, Folks is fighting back. Since the FBI has failed again to stop the free press, you can now obtain a free copy of Folks' open letter to the FBI by writing direct to: Warren H. Folks, 230 Clay St., Jacksonville 2, Fla. Please enclose three 4¢ stamps to cover cost of postage.

***** JEWS CONFESS -- RACE MIXING IS JEWISH

"The Southern Israelite" of Febr. 27, 1959 quotes the Jew Isaac Toubin as he wrote in an article entitled "Recklessness or Responsibility" as it appeared in "The Congress Weekly", official organ of the American Jewish Congress. The Jew Toubin comments on charges by a few Southern Jews (who want change some quickly) that Jews are exposing themselves as the heads of the race mixing movement. Toubin answered that removal of Jewish leadership would end "effective opposition" to Segregation! Following is Toubin's word for word statement. Study closely to get the full importance of this amazing admission! The Jew Toubin said: "We contend that if the Southern Jews submit to this fear and try to extend it to their Northern Jewish neighbors, they will achieve precisely what the White Citizens Councils and the Ku Klux Klan desire to do. Far from being neutral, such a program would strengthen the hands of the white supremacists by removing any effective opposition."

The following are exact quotes from on the spot Associated Press reporters in Poplarville, Miss. a brother, said FBI agents took Arthur from the family home about 11 p.m. on May 10, questioned him in Bogalusa, La., hurry, and returned Smith about 6 a.m. on May 11. For the next five days, the brother said, agents maintained a round-the-clock watch on Arthur from a car parked on a dirt road that ends at the Smith family home just north of McNeill. Twice additionally during the week agents questioned Arthur Smith and one time they quizzed Cecil Smith. The last questioning was Saturday morning. FBI agents returned Arthur to his home about mid-afternoon. A short while later, relatives said, Arthur suffered the attack and a doctor was called. FBI Agent in Charge Ralph W. Bachman declined comment (END OF A.P. REPORT) It also was reported that another man suffered a nervous breakdown under questioning, and a general demand has developed to get the FBI out of the case.

THE FBI IS USING THE EXACT TACTICS AS ITS MVD COUNTERPART IN RUSSIA

TIPS ON HOW TO HANDLE RED SECRET POLICE
By - Attorney J.B. Stoner

There is a Federal law against giving false information to the FBI. Even if you tell them the whole truth, the FBI frame artists can falsely accuse you of lying, prosecute you and send you to Federal prison. Therefore, it is not safe for you to talk to FBI agents or answer any of their questions. Sometimes when the FBI starts questioning a patriot, they tell him that anything he says may be used against him. They will try to do just that, so don't answer. Don't help those slimy race mixers frame you, yourself, and don't help them frame any other White Christian. Even innocent sounding questions are dangerous, because they are trick questions. Keep your door latched, ask if they have a warrant, & to produce it. If they have no warrant, tell the mangy dogs to get off your property and never come back. Remember, if you answer any FBI questions, you are putting your own liberty in jeopardy and may end up in prison as the victim of a Jew B.I. frame-up. So, tell them nothing. If they have a warrant, act as a deaf mute, except to ask your lawyer. George Wright told the FBI that he wasn't going to answer any of their questions and they put him in an insane asylum so he could not testify at his first trial. They only want to know your alibi so they can illegally destroy it, so tell them nothing!

FBI agents are the Jew-controlled shock troops of integration. Those originals are working to destroy our White Race. Any person who gives information to the FBI is guilty of giving aid and comfort to the enemies of the United States. **DONT BE A TRAITOR!**

(Editors Note): If the Patriots in Poplarville had followed Lawyer Stoner's advice, they would have never even been questioned, much less taken from their homes in the middle of the night and now suffering in hospitals with cerebral hemorrhages and nervous breakdowns!

THE WHITE MAN'S VIEWPOINT

ONLY TRAITORS WELCOME THE JEW KHRUSCHEV

**N.S.R.P. URGES PATRIOTS TO PICKET AND DEMONSTRATE
AGAINST BLOODY KRUSCHEV FROM COAST TO COAST**

Republican and Democratic party officials who have invited the Communist mass murderer, Nikita Khrushchev, to America are guilty of giving aid and comfort to the enemies of the United States, which is the Constitutional definition of treason. Furthermore, Section 2381, Title 18, U.S. Criminal Code says: "Whoever owing allegiance to the United States, levies war against them or adheres to their enemies, giving them aid and comfort in the United States or elsewhere, is guilty of treason and shall suffer death." Eisenhower and the other cheap politicians in the two old parties, along with newspaper hacks, who participate in such treason could be tried, convicted and hanged until dead under the above law. Honorable Millard Dee Grubbs, National Chairman of the National Citizens Law Enforcement Commission, has reported to The Thunderbolt that his group is arming for the purpose of making legal citizens' arrests of treasonous public officials who entertain bloody Khrushchev. Khrushchev is the head of an enemy government that is actually (de facto) at war against the United States: Khrushchev has announced that he will bury us Americans. America cannot survive if she continues to tolerate treason among high officials, such as Ike, Governor Luther Hodges of North Carolina and Gov. Leroy Collins of Florida, and prostitutes of the press.

**NINA, KHRUSCHEV'S JEWISH WIFE
FIRST LADY OF RUSSIA**

While dictator Khrushchev is being entertained in America by traitors, Communists will continue building a Cuban Soviet dictatorship 90 miles off the coast of Florida. The Communist Castro regime was put in power by the Jew-controlled State Department under the direction of Eisenhower, Dulles and Herter. They stopped the shipment of arms and munitions to the Anti-Communist government of Batista while allowing an unlimited supply of weapons of war to flow to the red butcher, Fidel Castro. The red tyranny in Cuba was established with the support of the leaders of the Democratic and Republican parties. They hated Batista because his domestic and foreign policies were honestly against Communism. Batista did not do business with Russia. Soviet Russian officers have been surveying missile launching sites in Cuba from which they can pinpoint any target in the U.S., such as Cape Canaveral and our atomic bomb plants. Ever since the Communists destroyed the great Senator McCarthy, Ike and the reds in the U.S. Government have had the green light for treason. It almost amounts to surrender for Eisenhower to entertain bloody Khrushchev in the White House while Khrushchev's military envoys plan the building of missile bases in the Cuban Soviet Republic; bases from which America could be wiped out before she could learn that a war had even started. Not only should no Communist ever be invited to America, but all of the reds in America, including those in the State Department and F.B.I., should be jailed and held for treason trials.

KHRUSCHEV IS A WAR CRIMINAL

Every mayor, governor and policeman who entertains or protects the bloody butcher of Budapest and the Ukraine will one day be convicted and hanged for treason. Those disloyal FBI agents and cops who risk their lives to protect the red dictator should go back to Russia with him and stay. They are the kind of Benedict Arnolds who are fighting to destroy freedom and establish red rule in America. If they had any decency or love of America, they would resign their jobs rather than befriend the bloody monster. If they were patriots, they would arrest Khrushchev and prosecute him for war crimes and hang him, ala Nuremberg.

We presume that Ike will take bloody Khrushchev to Little Rock and show him that he knows how to use bayonets against the free people of Little Rock like Khrushchev did in Budapest. Ike can also show him that Little Rock has a mayor, police chief and vicious, violent, brutal cops like those in Budapest who oppress their own people.

(Continued page 2)

(Khrushchev continued)

Page 2.

Why has Khrushchev been invited to America by the Jew-controlled politicians, newspapers, radio and TV? Why do Jew-stooge editors praise Communism in Russia and become joyful about the red monster's visit? It is because Nikita Khrushchev, the mass murderer, is a Convert to Judaism. International Jewry controls Ike, the State Department, the red F.B.I., the two old parties and Khrushchev. They are having their two stooges, Ike and Khrushchev, exchange visits so as to soften up America for Communism. Ike has a long record of friendship with Communists. Patriots everywhere should picket and demonstrate against the bloody Khrushchev telling him that he is not welcome and peacefully fight back, in every legal way possible, against his red take over.

COMMUNISM IS JEWISH

About forty years ago Jew-communist revolutionaries overthrew the White Christian Government of Russia. The Jew Jacob Schiff of the international Jew banking firm of Kuhn-Loeb and Company boasted of financing it with millions of dollars.

Ever since the Jews seized power in Russia, they have attempted to conceal the fact that the Jews are the real rulers of Russia. Every time they have a purge in Russia, the Jew-controlled newspapers in America claim that the Jewish officials have been purged and that Jews are being "persecuted" - lies! Every time a Jew official in Russia becomes so old he has to retire to a life of luxury, the newspapers yell that he has been purged, but don't be fooled.

Communist governments have to purge Jews when they purge themselves because they are saturated with Jews. The next time the Communist Government of Russia purges itself, it will purge some Jews because it is a Jewish government, as Jewish as the illegitimate government of Israel. Who else is there to purge in Jewish governments? The Jew-communist Government of Russia would be destroyed if the peoples of the world were to ever fully realize that it is Jewish. Therefore, for reasons of self-preservation, the Jew rulers of Russia will continue to flood the world with lying propaganda that the Jews are being "persecuted" in Russia. Their lies help them to send well trained Jew-communist spies to America as refugees.

IS NIKITA KHRUSHCHEV A JEW?

Khrushchev Reared By A Jewish Family

Soviet Treats Jews "Fine"

Khrushchev Says Everything "Jake"

SPECIAL TO B'NAI B'RITH MESSENGER
LONDON (WNS)—To show that Russia treats its Jews well, Soviet Premier Nikita Khrushchev this week remarked at a reception at the Polish Embassy that not only he himself and Soviet President Klementi Voroshilov, but also "half of the members of the Presidium," the governing body of Russia, have Jewish wives.

MR. KHRUSHCHEV made this remark to Israeli Ambassador Joseph Avidar, who was among the guests. The Soviet Premier told Avidar that Dowager Queen Elizabeth of Belgium, on a recent visit to Moscow, had raised the question of a special Soviet attitude toward Jews in a talk with President Voroshilov and that Voroshilov had told her that the Russian leaders did have a special attitude towards Jews since so many of them had Jewish wives.

28—B'NAI B'RITH MESSENGER

— Friday, October 18, 1957

As a young man, at Mariupol in the Ukraine, Khrushchev was a poor turner's mate, boarding in the house of a Jewish cobbler where he also acted as a "Shabbath Goy."

In return, the cobbler's wife, Chana Yankelevitz, treated him to gefillte fish. Twice, during that period, she literally nursed Khrushchev from illness back to life. He even learned to speak and read Yiddish which he still commands superbly. His first love was Nadia Lazarovna, a Jewish neighbor's daughter. In order to be able to marry her, Khrushchev seriously thought of becoming a Jew.

72-YEAR-OLD Chana Yankelevitz, now in Israel, remembers that he had been scared off this idea when he found out that circumcision was inescapable.

Once in 1913, Khrushchev saved the lives of 1300 Jews. The local members of "The Black 100," the most vicious anti-Jewish element in Czarist Russia, were preparing a pogrom on the Mariupol Jews. Khrushchev organized his friends into a defense squad and when the blood-thirsty vandals assembled in the market square, Khrushchev led his squad, attacked and dispersed the mob of "The Black 100" before they could launch the massacre.

Over 40 years passed since then and Khrushchev the son of a Cossack blacksmith, became the most powerful man in Russia. His rise to power had been largely due to the material support given to him during his studies, first by the grateful Mariupol Jewish community and later on by his first love's brother, Lazar Kaganovich.

The above photostats from the B'NAI B'RITH MESSENGER prove that Khrushchev is a Convert to Judaism and has a Jewish wife, in spite of Jewish double talk. Mrs. Yankelevitz says that he changed his mind when he found out that circumcision was inescapable. That is ridiculous. Any man insane enough to want to marry a Jewess would not let a little operation like circumcision stop him. To prove that the Jews are revealing to their Jewish readers that Khrushchev is a convert to Judaism while trying to conceal the fact from us Gentiles, read the Universal Jewish Encyclopedia under the heading of "Circumcision" where it reveals that circumcision is not a requirement for converts to Judaism. Therefore, every Jewish reader of the above articles in the B'nei B'rith Messenger knows that Nikita Khrushchev, the bloody dictator, is a convert to Judaism.

Khrushchev, by destroying the Christian Anti-Jewish "Black 100", thereby proved his loyalty to Jewry and has been well rewarded ever since. Khrushchev then rose to prominence and power because the Mariupol Jewish Community financed his education and the most powerful Jew in Russia, Lazar Kaganovich, promoted him to a high place in the red hierarchy. As mentioned above, Khrushchev's first love, Nadia, was Lazar's sister. Now you know why Khrushchev is being honored with a visit to America!

Lenin and Stalin also spoke Yiddish superbly. Stalin's third wife was Rosa Kaganovich and one of Lazar's sisters.

(Continued on page 5)

Dear Mr. Gerald L.K. Smith:

In recent months we have become increasingly concerned by your attempts to whitewash the Jew controlled F.B.I. in the "Cross And The Flag." Mr. Smith, don't you know the FBI tried to frame the N.S.R.P. in Atlanta? Haven't you read of their brutality in Poplarville, Miss.? Or the Bill Foster story, (see "Thunderbolt" issue #10)? Don't you know they have harassed some 30 State and National leaders in the NSRP, and tried to place paid agents in our organization? The FBI even attempted to buy off a young member in Dayton, Ohio, offering money for regular reports (pimping) on NSRP activities? The FBI has let every Segregation leader in the South know that they are watching them (in one way or another). Bob Patterson of the Miss. Citizens Councils says, "You are not a Segregation Leader if the FBI has not investigated you." Sometime back you wrote us that, "The FBI had some bad apples in it, but on the whole were all right." I disagree, it is a Jew controlled, Red, Race-mixing outfit. They have been persecuting Patriots all over the South, and it started long before the 1954 Supreme Court decision, and I can prove it. They have especially attacked our youth, numerous boys have been visited in their homes and pressure put on their parents to have them quit the Nationalist Movement! Are they treating the AIL, NAACP, AJC, etc., this way? NO, in fact, that obnoxious traitor, J. Edgar Hoover praises these Jewish groups in his book, "Masters of Deceit." Hoover says that these groups have done much in the fight against Communism? What is your answer to his statement that, "One of the most malicious myths that has developed in the United States is that persons of the Jewish faith and communists have something in common." Is not this the exact opposite of what you have preached all these years? Mr. Smith, how can you say in your June issue, "By and large it was a great book"? What we want to know is, HAVE YOU ACTUALLY READ HOOVER'S BOOK? Contrary to being a 'great book', "Masters of Deceit" is the vilest whitewash of Communism ever to be published in America.

I also challenge your statements that the FBI is even anti-communist. Don't you know that the Harry Gold - Rosenberg spy ring was broken only by Klaus Fuchs spilling the beans in England. Whittaker Chambers got Alger Hiss convicted, Elizabeth Bentley exposed the Jacob Golos spy ring, while Igor Gouzenko exposed the Canadian and American Atom Bomb spies. The FBI had no inkling of these spy rings and never saved a single atom or other military secret! I ask you to name one spy ring exposed by the FBI's own investigation?

Don't you know that the FBI purposely and illegally arrested the Red spy, Judith Coplon and ADMITTED on the witness stand that they did so. The Judge had to throw the case out and free her! Would they do the same for a patriot such as George Bright in regard to his lie detector test? NO, THEY DELIBERATELY SOUGHT TO CONFUSE THE FIRST JURY AND CONVICT AN INNOCENT WHITEMAN BY SAYING THE TEST WAS 'JUMBLED' AND THEREFORE TENDED TO INDICATE BRIGHT FAILED THE TEST. This was not the sniveling little AIL, but the Jew controlled FBI. How about Russia's Number One spy in America, the Jew Gerhardt Eisler, whom the FBI let escape back to Russia after he was convicted on two counts and was under bond and even under subpoena by a Congressional Committee! The 'great' FBI allowed him to go to East Germany where he now rules over the East German people with his Jewish co-racial, Hilda Benjamin, (Present Minister of Justice, who has executed thousands of White Christians in Germany.)

Also in your June issue you condemn Harry Truman for accepting an award from B'nai B'rith. Why don't you also condemn J. Edgar Hoover for the award he received from the AIL at a banquet they gave him in 1957? Mr. Smith, you say that the FBI is the only thing standing between us and Communism. Perhaps Mr. Smith, that's the reason why the Soviets have all our military and nuclear secrets! Mr. Smith, you indicate that the FBI is the benevolent protector of our freedoms. Perhaps Mr. Smith, you can explain this to Bill Foster's aged parents with cruel memories of sawed off FBI shot-guns shoved into their stomachs, as they were pushed out of their own home. Perhaps Mr. Smith, you will explain this to George Bright, who nearly lost his life in a frame-up led by the FBI conspirators. Perhaps Mr. Smith, you can tell this to a sobbing little girl, as she discovers the cracked head of her doll lying on the floor after an FBI raid?

Mr. Smith, for years you have stated that Communists have infiltrated all departments of government. What makes you think for one moment that the Reds overlooked the FBI? Why was all this infiltration possible if our 'Great' FBI were on guard in the first place? Could it be that J. Edgar is himself one of the many crypto-communists in high places? Or does Mr. Hoover serve the Communist cause because of a strange hold the Jews have over him because of weak points in his character? Mr. Smith, the FBI is swarming with Reds. As a perfect cover-up, the Reds wage a bit of shadow-boxing with their comrades in arms, the FBI, by means of which they succeed in fooling and hoodwinking people like you. As far as the few Communist Party officials the FBI arrested, Secret Police Chief Hoover knew in advance that the pink-Supreme Court would turn them loose.

(continued page 4)

Hoover also knew the Supreme Court would outlaw all state anti-subversion laws and free those convicted under the Smith Act. We could go on ad infinitum. You will simply have to read coming issues of THE THUNDERBOLT so that you too, might become educated on this important matter. We are sorely grieved Mr. Smith, to see you, whom we had come to respect as a conspicuous spokesman on evils of Jewish Communism - have been "taken in" by the very same forces which you once courageously fought. We sincerely hope that you will recognize your error in praising the secret police apparatus in this country. We, for our part, shall go all the way in exposing the FBI Reign of Terror in the South and throughout the nation. We also intend to bring to light the facts about J. Edgar's private affinities which make him prey for Communist designs.

Several of our members have asked, "Why does Mr. Smith praise the FBI traitors, who are trying to destroy White Christian America?" "Why did Mr. Smith say in his July '59 issue, 'I want to be known as an admirer of the character and accomplishments of J. Edgar Hoover?'" "What's behind his naive support of America's No. 1, Master of Deceit?" "Is Mr. Smith really sincere in his defense of this traitor, or does he think he is 'using' J. Edgar Hoover?" "Has Mr. Smith swallowed J. Edgar's press releases hook, line and sinker?" Only you Mr. Smith, know what prompts you to this incomprehensible action.

Did you see the April 17, 1959 issue of COMMON SENSE, page 4, whereby the A.J.C. in their annual report state that the FBI has requested the AJC to furnish them with 'data' on those who are a 'threat' to 'Democracy'? Has the FBI ever asked our assistance in rounding up Jewish subversives? In Atlanta the homes of 30 some odd patriots were illegally raided by the FBI, on lists furnished by the ADL! The FBI led all these raids even though they had no authorization of any kind. Mr. Smith, we know that you are an honorable man, and that you will want to offer adequate explanation to these people who have witnessed FBI terror with their own eyes.

Yours for American Freedom

Views and Reviews By George S. Schuyler

Study the facial features on the above picture. It is one of total racial chaos. Hoover has a wide negroidal nose, short kinky hair, a soft puffy face with bulging eyes! How can any Whiteman trust such a creature as head of the contemptible secret police?

COMMENTING on the Rig-gins and McFarland letters suggesting a national organization composed of the two or more score thousand "mixed" couples in this country, it seems to me that these couples (much as they prefer to be left alone) might perform a definite social service by spearheading the miscegenation drive.

The Negro-phobes and Cracker-ologists are forever shouting warnings that this or that lowering of racial barriers will lead inevitably to intermarriage and intermixture. Well, I say that's just fine and exactly what this nation needs to maintain its world supremacy. Just as this is the richest and best-fed nation, so could it become the most tolerant and the best-looking nation — and I'm all for good-looks supremacy.

Mr. Schuyler

LITERATURE would be liberated. A mass of plots dealing with interracial romance languishes unused because no publisher has the courage to offer writers a market. We live in an unwholesome clandestine atmosphere in which we whisper about healthy love and desires across the color line but fear to speak out boldly. Writers go far afield, far across the seas, hunting romantic themes which are all about us in abundance. More open interracial romances and marriages would help to speed the end of this cold war.

Instead of remaining silent and ducking the blows of the bigots, why not boldly take the offensive. Do the Dixiecrats bemoan the fact that communications have been lost between the two races? Well, then, let's change that by launching a penpal campaign between romantically inclined colored and white folk of the opposite sexes! Every Kluxer's daughter or son should be in correspondence with a lad or lass across the color line! As this increased,

the color line may grow fainter.

EVERY COMMUNITY worth its salt should have a frankly interracial club or association where the boys and girls, colored and white, could associate, drink and dance. Indeed, the NAACP could increase membership to a couple of million if it adopted such a program. It might even change its name to the National Association for the Multiplication of Colored People—NAMCP! This would be particularly advantageous where Negroes enjoy some political power. A group like this would win a lot of friends (even among Kluxers) by boldly broadcasting: "Of course we favor racial mixing, including marriage, and are working openly to kill all racially restrictive legislation and social segregation and discrimination. Freedom is mockery if citizens who like or love each other cannot associate together because of difference of color and features." There would be the beginning of a great American youth movement! And I think a lot of oldsters would join.

The above article from a Negro paper, is written by George L. Schuyler who practices what he preaches. Schuyler has a white wife! When a Ralph McGill or Harry Ashmore writes that Negroes do not want to marry Whites, that they want simply to go to our schools, or that integration will not lead to intermarriage, HE IS LYING! The Negroes will never be satisfied until they destroy our White Race. If you are a real Whiteman, and want to fight these cowardly race mixers, Join NSRP, write: Box 2161, Knoxville 1, Tenn., for application.

(KHRUSCHEV, CONVERT TO JUDAISM, continued from page 2.) Page 5.
Stalin was also promoted to the top ranks of the Communist hierarchy by the powerful Jewish Kaganovich family. If Khrushchev were to turn against the Jews, they would purge him and torture him to death. Communism is Jewish and always will be - Jew convert Khrushchev is proof of that. The Soviet bureaucracy is so saturated with Jews that it would be impossible for any Gentile in it to rebel or revolt.

In Russia it is against the law to be against the Jews - the penalty is death. Remember that the largest Communist newspaper in America is not the Daily Worker, but the Morning Freiheit which is published in the Jewish language known as Yiddish.

Therefore, when the bloody killer Khrushchev, the Convert to Judaism, contaminates American soil with his Satanic visit, exercise your Constitutional rights with large signs and loud slogans so that Khrushchev will understand that we refuse to surrender to Communism. When that sadistic Jew Khrushchev comes to your town or a nearby city, go down and personally tell him to get out of Christian America.

Dear Mr. Larsen:

I don't know whether you and your cohorts ever have a chance to read any truly AMERICAN literature, especially the correct version of the persecution (trial) of George Bright and the other innocent Americans whom the FBI-ADL Combine tried to railroad for the Communist-planned bombing of a Jewish Synagogue (of Satan) in Atlanta, Ga. (Christ called these people the "Synagogue of Satan," Revelation 2:9 and 3:9, and that's good enough authority for me.) So I am enclosing a couple of little papers which give the correct version (there are many more to the same effect) of the disgraceful manner in which the FBI together with its unlawful Communist arm, the Jewish ADL* - tried to convict this innocent American, George Bright, of something he didn't do - and which would have been the height of folly for him to have attempted to do. The EVIDENCE proved him innocent - while the Jewish organizations collected many thousands of dollars and additional members as a result of this successful "coup!"

Even your own boss, J. Edgar Hoover, clicks his heels and bows to HIS BOSS, (and uses their Soviet-like unlawful dossiers on innocent Americans who do nothing worse than expose America's enemies) - the hate-mongering Jewish ADL - which makes every effort to deny Patriots their Constitutional rights of freedom, press, and action; while they put the screws on us! Mr. Hoover's book, Masters of Deceit, proves his cooperation with them, and deceives and deprives the American People of much-needed TRUTH.

As matters now stand, YOUR Organization is NOT on the side of true Constitutional American Government but is lined up with its enemies. I have therefore lost my respect and liking for the FBI, especially since the interrogation by your legman, whose allegiance I have no doubt also belongs to the ADL. I would not TRUST anybody or any organization that is dumb and/or subverted, as to cooperate with this anti-American anti-Christian secret police against genuine Constitutional American Patriots. We no longer have a true Constitutional Representative Republican form of Government in America as guaranteed in Article IV section 4 of the Constitution: we have a Socialist-Communist Jewish "Democracy," i.e. a Welfare State, which is inimical to the Principles and White Christian Founding Race that fought for and built America and wrote her Charter of Freedom. To uphold this Jewish Police State is treason to America, especially with the example before us of what happened in Russia. Come the revolution, or another foreign war foisted on us by anti-Americans, every man will have to search his conscience and decide whether he will stand WITH the Constitution of his Country, his own Religion, his own Race, OR with the alien ideologies and people that have so long afflicted us and led us into unconstitutional entanglements at home and abroad.

Most sincerely yours,
Marilyn R. Allen, P.O. Box 2243, Salt Lake City 10

*P.S. (Of course you and Mr. Hoover must know that this is the same kind of powerful, terrifying Secret Police that the Jews operated in Russia, after their Bolshevik conquest of that Country. By what right does it exist in America???)

IN MEMORIAM

It is with great regret we announce the death Aug. 13, of member R.E. Williams of Louisville. Mr. Williams never failed to contribute to any Party project. He volunteered his home for many Party meetings, and was host to official Party delegates at a party he gave the day after the NSRP Convention last Labor Day. Members will never forget Ralph E. Williams.

Another tragic death occurred with the passing of member G. Daniel Kurts of St. Albans, N.Y. He was known nationally as the great street orator of the "Christian Front." He was an outspoken follower of Father Coughlin. A loyal Catholic he always preached that the masses of Catholics were Segregationists. Mr. Kurts will be remembered for the way he closed his talks by raising the Christian Cross and the American Flag over his audience.

ALL MEMBERS will find enclosed with this issue a free copy of the booklet, "Who Is The Real Enemy," which comes to you with the compliments of the National Renaissance Bulletin, 10 West 90 St, New York 24, N.Y. Extra copies are 25 for \$1. Order direct from the Bulletin, and receive also a free copy of said Patriotic Bulletin.

NSRP Salute goes to the Little Rock Patriots who marched on Central High, in the face of brutal police tactics. Chief ~~Gene Smith~~ ordered the clubbing of innocent women & children, even pepper was thrown in the eyes of the marchers. God Bless the marchers, and may the entire South soon march for White Freedom.

THE WHITE MAN'S VIEWPOINT

SAMPLE COPY JEW HEADS U. S. COMMUNIST PARTY

The U.S. Communist Party elected the Jew Arvo Halberg, alias Gus Hall, as its official leader at its convention in a Harlem hotel in New York City which ended Dec. 14, 1959. The Jews have always controlled the Communist party, and always will, but this is the first time for a Jew to openly be the top red. The real head of U.S. Communists for many years was the Jew Gerhardt Eisler until a Congressional Committee exposed him. The F.B.I. willingly let him escape to East Germany where he is now ruling and persecuting White Christians. The Jew Eisler always used Gentiles, such as Earl Browder, to front for him. After Eisler fled the Country, Hall became the top power in the Communist party and used a stupid Gentile, Eugene Dennis, as his front man to conceal Jewish control. It is a big surprise to now see the Jew Gus Hall openly step forth as the chief Communist in America. (See photostats)

As further proof that Communism is a Jewish conspiracy to conquer the world read the article (photostat) on this page which was written by a Jewish newspaperman to the Jew-owned New York Times. It reveals that Communism in Poland is Jewish and only kept in power with Soviet Russian guns. The article admits that the White Christian Poles are so strong against the Jews and Communism that the Jew communist rulers have to rule from the background.

The Communist Party is like the NAACP. A Jew is now the official head of the Communist party with a negro, Benjamin Davis, as his official 2nd in command. The Jew Arthur Spingarn is the official head of the NAACP with a negro, Roy Wilkins as his official 2nd in command.

Due to Jewish control of the Democratic and Republican parties and the F.B.I., the red termites operate freely in America. That is why they prefer the old and rotten two-party system with no real differences between them. When the National States Rights Party is elected to power, we will get rid of all these Communist kikes. Vote against Communism & race-mixing by voting for the National States Rights Party!

NEW YORK WORLD-TELEGRAM AND SUN.

SATURDAY, NOVEMBER 7, 1959

By RAY CROMLEY,

NEA Service.

WASHINGTON, Nov. 7.—There's a bitter struggle for control going on in the U.S. Communist party.

The final round will be fought Dec. 10 to 13 in a New York City hotel.

Likely result is new, tougher, more aggressive leadership under a top-flight organizer... a man able to whip the party into shape. This means more trouble from the Communists in 1960 and 1961.

Probable winner: Gus Hall... real name (Arvo Halberg), aged 49; height, 5' 11"; weight, 220 pounds; build, heavy; eyes, blue-gray; hair, light brown;

In October, 1951, charged with conspiracy to advocate the overthrow of the U.S. government by force and violence. Convicted. Went underground as a fugitive from justice. Captured on the Mexican border. In jail six years.

Men who know Gus Hall say he's like a bull in a china shop... determined on direct methods... and noncompromising.

Hall is hard, tough, affable on the outside, tough as nails inside... ruthless... strong for hair-tine party discipline. Yet he acts like a hall fellow well met... a Khrushchev type.

U.S. Reds Elect Gus Hall As Chief

By The Associated Press

New York, Dec. 14.—The Communist Party of the United States elected Gus Hall its new leader today.

Hall, former Midwest chairman of the party and an ex-convict, replaced the ailing Eugene Dennis in the party's top post.

Under the change the post of national secretary became the No. 2 spot. Benjamin J. Davis, New York state party

chairman, was elected to fill it. Hall, of Cleveland, was one of the Communist leaders convicted under the Smith Act. He jumped his bond and served five years in prison after he was caught.

Davis also was convicted under the Smith Act.

The Story Of Poland

By A. M. ROSENTHAL

© New York Times News Service

Vienna, Dec. 1.—Poland's Communist Party, placed in power and kept in power only by Soviet might, has been thrown into confusion and bitterness by a leader it once followed out of hope and now follows out of desperation.

The fear is heavy in the party ranks — where nuances are of supreme importance — that Gomulka is so intent about establishing the power of the party and so heavyhanded that, whether he wills it or not, he is re-creating the influence of the Stalinists.

Some of the party's leaders are Jews and many of its organizers, killed in the purges, were Jews. The Polish Communist Government has fought anti-Semitism in the country and has a better record on that score than any other Communist government.

But deep-seated anti-Semitism is a part of Polish life and the party apparatus reflects it. A Polish Jewish Communist official leader once told this reporter that Polish Jewish Communists had learned that the party wanted them to fade into the background so as not to "run counter to opinion."

"I think more than twice myself about hiring a Jewish stenographer," he said.

Rape Victim's Child Can't Erase Night Of Horror

F. B. I. PROTECTS NEGRO RAPISTS

By BONITA APPLETON
Daily News Staff Writer

A four year old blonde with bright, laughing, brown eyes stops dead in her tracks, covers her face with her tiny hands, and cries with fear everytime she sees a Negro. Any Negro. Anywhere.

And her soft spoken mother is constantly reminded of a night of pain and sharp terror by her daughter's childish questions, asked again and again as if it were engraved in her brain: "Mommy, did a Negro rape you?"

"I have to tell her 'yes,'" said the victim of M. C. Parker's savage assault.

"She talks about it often."

the young mother said. "In the middle of playing she'll stop and ask me that question. She's scared to death of a Negro now. She used to not be afraid of anyone. She saw his picture in the newspaper and everytime she sees a Negro now she'll ask me, 'Mommy, is that the one who raped you?' I tell her, 'no, that's not the one.'"

This is a young white woman speaking. She's the sort of typical young housewife whose main interest is building a home, keeping it spotless and taking care of her little girl. In her spare time she works jigsaw puzzles and occasionally reads the white Bible kept conspicuously in her living room because "every home

needs a Bible in it."

She's a frail woman — her doctor told her months ago she has a heart condition that was not serious at the time but could become aggravated and she wears maternity clothes because she's four months pregnant.

The young woman, originally from New York state moved to Virginia when she was 10 years old. She came to Mississippi from Virginia nine years ago, "but people don't tell me I speak with a northern accent," she said. Her husband is employed in a Hattiesburg plant and works part-time as a guitar player with a Hattiesburg band.

This round-faced, full-lipped young mother was the victim

of a brutal attack by Mack C. Parker, troublemaking ex-soldier and Lumberton Negro woodcutter. He was identified as the man who snatched the 23-year-old woman and her daughter from their stalled auto and raped the young woman while her daughter watched.

A hooded mob took him from the Pearl River county jail at Poplarville and slew him three days before he was to have gone on trial for the attack. Authorities said there was little doubt he was guilty. And they revealed a stack of evidence which they believe would have proved his guilty.

Here is the victim's story as she told it exclusively to the Jackson Daily News at her home in Petal, Miss.

She seldom works jigsaw puzzles anymore because she's too nervous to sit still. She has good reason to be nervous.

February 24, was a dark, cloudy night — it was "just before raining" — when the car in which the young mother was riding with her husband broke down five miles from Lumberton, Miss. They were returning from a visit with relatives and their little girl was sleeping soundly in the back seat of the car.

FIVE-MILE WALK

"When the car broke down we decided that I would wait there because it was a five mile walk for help," the woman

said. "It was going to rain, I was two months pregnant and didn't think I ought to walk that far. My little girl was asleep and we didn't think anybody would bother us because we were on a public highway."

So the young husband set out for Lumberton to call his step-father to come and help him with his car, and the young wife began her lonely wait.

"When the first car stopped and shined their light into our car I didn't know what to think," she said. "I was surprised and kind of afraid because I couldn't tell if they were white people or Negroes. Then they went away. It was

quiet and I wondered if my husband was all right.

"When the Negro came back I didn't see him until he stopped his car behind ours. He came up to the window where I was sitting in the front seat and surprised me. The windows were closed and the doors were locked and I was holding the door on my side so he couldn't get in.

"He asked me if we needed any help," the young woman continued. "I told him no and thanked him. He told me to get out of the car."

BREAKS WINDOW

It wasn't until M. C. Parker used the butt of the gun in his hand to break out the car window that his victim screamed.

"He told me, 'don't scream, or I'll kill you and the little girl too,'" the woman said.

She was sitting tensely and talking quickly—as if by doing so she could tell her story more easily. "He pulled us out of our car to the ground. My little girl was crying. He told me to make her stop crying. I tried to but I couldn't."

"He made us get into his car," she related. "It was dirty. We both got in the car on his side and he made me sit in the middle. He started driving down the highway and I begged him not to kill us. He told me he had just broken out of prison and he had killed five people so he wouldn't mind killing a few more. He had hit my little girl on the head and she was bleeding and he told me again to make her quit crying."

Parker drove on the left side of the road, his victim said. "When he turned off onto a narrow road just wide enough for one car, he told me he had to meet somebody there. At first he told me he had to meet his father. I asked him if his father knew he had broken out of prison and he said no. When he said he had to wait for a white man who was his partner. He told me not to be frightened. He kept pointing the gun at me and clicking it and he told me his arm was hurt and his hand was cut."

AFRAID FOR LIFE

Speaking low, the woman said "when he first came up and told us he had escaped from prison I thought he was just going to use us as hostages or something. I never did think about him raping me, it never entered my mind. I was afraid he was going to kill us because he threatened to kill both of us if I didn't keep my little girl quiet."

After the Negro stopped the car, the woman said he told her he had to wrap the gun in the cloth that was around his cut hand "so he wouldn't leave any fingerprints on the gun. He threw the gun down on the front floorboard and then he picked it up and threw it in the back," she said.

"I told him I was pregnant and I didn't want anything to happen to my baby," she said. "He said that didn't make much difference to him because he had heard that excuse so much it didn't matter. He put his arms around my neck and began kissing me and said 'if you don't do what I want you to I'll kill you right now.'"

CHOKED HER

"When he started to rape me I screamed and he jerked my scarf off my head—a purple and white silk scarf—and gagged me with it. Then he began choking me with his hands. I kept trying to fight him off but it didn't do any good. He said, 'I've not been with a woman for a long time and I'm pretty hot.'"

The attack occurred in the front seat of the Negro's car in the presence of the little four year old girl who witnessed the violation through her tears.

"He was dirty and his hands were greasy just like he had been working on a car," Parker's victim shuddered involuntarily. "And he smelled bad. He had left grease marks on our car door when he broke in. He got grease on me and some on my underclothes where he put his hands on them."

The young woman has thrown the scarf away because "my husband kept looking at it."

"I kept begging him to stop and leave me alone," she recalled her night of horror. "I told him that my husband had some wine that had not been opened in our car and that he could have that. He finally told me to get out of his car and walk straight ahead and not to look back. I opened the car door on my side and got out with my daughter. He headed back toward the highway. I didn't look back until I got around a curve where he couldn't see me. My little girl looked back but nothing happened."

**RAPE STORY, con-
tinued from P.2.****C STARTS RAINING**

The young victim explained to her child that they were going to have to walk the highway for help "but we started out in the wrong direction. I was afraid he was going to come back. When we finally did get to the highway it began to rain and I was afraid no one was going to stop."

Always in the front of the frantic mother's mind was fear for her little girl's safety. "I didn't break down until we got to the highway," she said. "I had to keep hold of myself for her sake."

A passing truck driver stopped and took the mother and her child to Lumberton where the husband had stopped at a gas station. "The night watchman or marshal or whatever he is was there and he called the Highway Patrol," the woman said. "We waited until they came and then went to the hospital where they checked me over but couldn't tell if I had gotten a disease. After we got through there, we had to go back to the spot where it happened and we saw the tire tracks and our footprints."

I was 5:30 a. m. when the young woman finally got home.

"I feel like it was just a terrible dream," she said, "only it wasn't a dream because it really happened to me. I'm trying to forget it but it gets worse every day. So much is going on, we're scared to death because we're afraid something will happen to one of us as a result of this."

"My little girl will never be able to forget it either. It will go with her for the rest of her life. Even when she grows up, she'll remember. The Lord must have been with us that night because I'm just thankful to God that he did not kill us."

After you have read the above article from The Jackson Daily News, you will understand why White people are opposed to racial integration. The race mixing FBI did nothing to protect the civil rights of the pregnant White mother or her innocent four year old daughter. That is easy to understand when you recall that the red FBI is the action arm of the Jew-communist race mixers and that FBI chief J. Edgar Hoover is influenced by the fact that he obviously has negro blood in his veins. Instead of protecting the Constitutional rights of the White mother and her daughter, the FBI gangsters violated federal laws and States Rights by subjecting the respectable White citizens of Poplarville and Pearl River County, Mississippi to an illegal reign of terror. They made criminal efforts to pin convictions on almost every White man in the County so they could claim they had solved the lynching case of negro Mack Parker, all in complete disregard of guilt or innocence or legal evidence. The FBI bums are now denouncing the honest officials of Pearl River County because they refuse to prosecute White citizens without any evidence as was done in the Atlanta synagogue bombing trial in which innocent George Bright was found to be NOT guilty.

The FBI report on the case is composed of lies, rumors and hearsay. Pearl River County Sheriff W. Osborne Moody says: "I just don't think they have anything to support a conviction. If they did, there would have been arrests when they were here." Sheriff Moody says he and his deputies have not been able to trace the lynchers and he obviously has more ability in his own county than the integrationist FBI. The FBI perverts care nothing about legal proof or law and order; their determined objective is to enforce the orders of the Communist-Jewish Conspiracy to integrate the races and place every White woman at the mercy of negro rapists.

The Honorable Ross Barnett becomes Governor of Mississippi in January, 1960. He has already denounced the FBI integrators for their criminal conduct in Mississippi and says he will stop them from violating the Constitutional rights of his State's free citizens. Following in the footsteps of Gov. Faubus of Arkansas and Gov. Patterson of Alabama, Gov. Barnett is the third courageous Southern governor to declare war against the un-American FBI. Gov. Patterson, in defense of Freedom, said: "I promise to pack them out of the state as soon as I can. My advice to any Alabama official accosted or approached by these Federal agents or F.B.I. men is not to cooperate." Every loyal White citizen should follow that advice. Defend liberty! Stand up for States Rights! Don't talk to the F.B.I. Don't answer their trick questions! Slam your front door in their queer faces. Those three great governors are interested in protecting the White women of America from the FBI perverts who are giving the green light to all negro rapists. More power to those decent Southern governors. The National States Rights Party is also doing its part to protect White womanhood and calls upon all of the other governors to join the struggle to protect our precious White women!

(Editor's note: * When you think of* the F.B.I., you should also think of Mack Parker & every black nigger rapist that ever lived. The FBI stands for the "civil right" of a nigger to rape your wife, daughter or sister. The two are synonymous: the FBI & Mack Parker.)

ing its part to protect White womanhood and calls upon all of the other governors to join the struggle to protect our precious White women!

HOW TO GET AHEAD

According to Kent Courtney, a clever money raiser from New Orleans who brags to close friends that he has raised \$75,000 so far this year, anyone who publicly recognizes the ADL of B'nai B'rith as the key subversive group in the country is a "Hate Monger." (Apparently it is alright with Courtney to say all you want to about the ADL privately for he assiduously carries the favor of dozens of partiotic leaders and monied citizens who are quite outspoken in private—but considerably less frank in public.)

Out of a clear blue sky, Courtney suddenly slanderously attacked thirty or more of America's most outstanding and long-time patriots, among whom was Admiral John G. Crommelin. Courtney widely mailed a form letter on October 13 ordering the recipient to "stay away" from his "New Party Rally" in Chicago later that month or he would have them arrested for "creating a nuisance!"

Perhaps Courtney's tactics and terminology alone are enough to reveal the most likely source of his strange and sudden zeal, for the ADL is a past master at getting ambitious self-seekers to lead crusades up blind alleys, and to split and divide Nationalists over phoney issues, like Courtney is trying so hard to do.

But Courtney's odd opinion of the ADL and Zionism is not shared by an increasing number of publications which, to now, have carefully avoided this dynamite-laden subject.

Possibly this last note has an intimate significance to fund-raiser Courtney. For his father-in-law's name is Fred Weis and he is reported to be a key figure in the New Orleans branch of the Anti-Defamation League!

Jews seek to control third party movements by using their money-power and stooges like Kent Courtney and his publications, known as "The Solid South & Independent American." The Jewish A.D.L. hopes to form a kosher political party in a vain attempt to head off the National States Rights Party in 1960. Among others, Courtney wants to run either Sen. Barry Goldwater or J. Edgar Hoover for President, one part Jewish and the other part negro. This is the perverted thinking of the man who wants the support of rank & file Citizens Council members and Segregationists while, at the same time, stabbing them in the back by refusing to support Segregation or the White Race. Don't be fooled. Courtney is working for the Jewish A.D.L. which controls him through his Jewish father-in-law. (See photostat from "RIGHT" newsletter, this page.) Courtney's publications seek White support, but never mention Segregation or the White Race.

"KOL NIDRE"!

The following timely and interesting information is contained in a publication entitled "Facts are Facts," by Benjamin H. Freedman, 960 Park Ave., New York City, N. Y. "Facts are Facts" is a 62-page booklet (Price, \$1.00), in which Mr. Freedman questions a Dr. David Goldstein, LL.D., of Boston, Mass., concerning his conversion from the faith of a Jewish Rabbi to that of a Christian Cleric. Mr. Freedman, it appears, is puzzled by Dr. Goldstein's action, and seeks clarification of his motives. In fact, Mr. Freedman is so deeply concerned over Dr. Goldstein's apparent conversion to Christianity, that he prints in bold type, on the face of the booklet, the following statement:

"The historic facts revealed here for the first time provide incontestable evidence that their continued suppression will prove inimical to the security of the nation, the peace of the world, the welfare of humanity, and the progress of civilization."

Regardless of the religious sincerity of ex-Rabbi Goldstein, the following passage, contained on page 35 of "Facts are Facts" is of paramount educational interest to every loyal American citizen of Christian faith. "Kol Nidre" is an alien and Anti-Christian mental-conditioner of such an extreme nature as to be almost unbelievable. However, the accuracy of the translation of Kol Nidre, which follows, has been checked with the Florida State Library, Tallahassee, Fla., and the so-called 'prayer' or oath, as quoted herewith, is authentic:

"FACTS ARE FACTS" — Page 35:

"In Volume VII of the Jewish Encyclopedia on page 539, found in the Library of Congress, the New York Public Library and libraries of all leading cities, will be found the official (All Vows) prayer. It is the prologue of the Day of Atonement services in the synagogues. It is recited three times by the standing congregation in concert with chanting rabbis at the altar. After the recital of the "Kol Nidre." (All Vows) prayer, the Day of Atonement religious ceremonies follow immediately. The Day of Atonement religious observances are the highest holy days of so-called or self-styled "Jews" and are celebrated as such throughout the world. The official translation into English of the "Kol Nidre" (All Vows) prayer follows:

"KOL NIDRE"

"All vows, obligations, oaths, anathemas, whether called 'konam', 'konas', or by any other name, which we may vow, or swear, or pledge, or whereby we may be bound, from this Day of Atonement unto the next, (whose happy coming we await), we do repent. May they be deemed absolved, forgiven, annuled, and void and made of no effect; they shall not bind us nor have power over us. The vows shall not be reckoned vows; the obligations shall not be obligatory; nor the oaths be oaths."

Page five-A (5-A) of the Alabama Journal, Montgomery, Ala., Friday, Oct. 4th, 1957, and page one (1) of the Pensacola Journal, of Feb. 22, 1957, confirm the fact that "The Kol Nidre Service" is still in effect among Jewish groups now living in the South.

In the light of these admitted truths, what is now the status of Jewish individuals who annually take this religious vow? What is their true legal status in their local communities, in fraternal organizations, in lodges, in sworn secret-societies of combined memberships of Gentiles and Jews, in courts of law, in public office, or when registering to vote? Which oath is binding upon them; their religious "Kol Nidre" oath, or their civil oaths?

Is "Kol Nidre" the deeply-hidden, but real explanation for the unreasonable, arbitrary, and capricious decisions handed down since Black Monday, May 17, 1954, by Felix Frankfurter and his Jewish-dominated and Rabbi-instructed Supreme Court of the United States of America?

Does "Kol Nidre" in effect say, "the end justifies the means?" And if so, is not this the basic tenet of Communism?

RACIAL POLICY

1. We believe in the creation of a wholesome White Folk Community, with a deep spiritual consciousness of a common past and a determination to share a common future.
2. We favor complete separation of all non-Whites and dissatisfied racial minorities from our White Folk Community.
3. We demand that intermarriage between Whites and non-Whites be outlawed, in all states not already having such restrictions.
4. We demand that total segregation be maintained in the nation's schools, and that only members of the White Folk Community be allowed to engage in the educational and cultural activities of our White society.
5. We believe that segregation should be restored in the nation's armed forces, to rebuild morale and fighting efficiency.
6. We believe it better that only members of our White Folk Community be allowed to take part in the affairs of government or serve in the courts.
7. We demand a policy of non-interference in the cultural affairs of other races.
8. We favor creation of a National Repatriation Commission, to encourage the voluntary resettlement of Negroes in their African homeland, with fullest financial and economic assistance toward that end.
9. We approve the removal of all alien minorities, dissatisfied with our American way of life and the republic for which we stand.

10. We favor the preservation of Indian national life in America, and the unlimited development of reservation facilities.

11. We believe that immigration should be restricted to select White individuals.

12. We demand the impeachment or removal from office otherwise of any public official who advocates race-mixing or mongrelization.

ECONOMIC POLICY

1. We believe that the workers, farmers, businessmen and professional people of our nation should work together as a team, placing the greater good of our White Folk Community above any individual or group interest.
2. We approve of labor unions, run by honest White men and free of subversive influence.
3. We believe that the farmer should get a fair price for his product in a free market.
4. We believe that the government should refrain from competing with private enterprise, and from interfering in the hiring policies of private business.
5. We demand that Congress alone exercise its constitutional right to issue debt and interest-free currency, based on the production of goods and rendition of services in America.
6. We favor protection of the White American producer by limiting foreign trade to the direct exchange of surplus products.
7. We believe that the purchasing power of the consumer should be raised proportionately, as science increases the power to produce.
8. We demand that the confiscatory taxation policies of the federal government be ended immediately.

SOCIAL POLICY

1. We favor combined civic effort in every individual state to eliminate slum, flood and dust-bowl conditions.
2. We favor creation of proper outlets for the White youth of our nation, to encourage the development of mind and muscle, and provide for instruction in the highest racial ideals.
3. We demand the complete reorganization of our educational system, so that every individual White citizen is afforded full opportunity to realize his vocational ambitions.
4. We demand the elimination of all ideology and influences from the movies, television, radio, newspapers and all other phases of our national life, which tend to cause the degeneration and disintegration of our White Folk Community.
5. We demand the creation of a clean and honest White government, which will provide the basis for a sound economy, with full employment and improved living conditions for White citizens of every age.

STATES' RIGHTS POLICY

1. We demand that the federal government cease interfering with the sovereign rights of the states, as guaranteed by the Constitution.
2. We demand that the federal government stop issuing judicial decrees which violate state sovereignty.
3. We demand that the federal government stop fostering thought-control, and refrain from violating the traditional social customs of the individual states.

4. We demand the removal of all federal control over the national guard units and law enforcement agencies of the states.
5. We demand that all states exercise their authority to stop the secret-police tactics employed against them by the federal government.
6. We demand that the states uphold their right to investigate, prosecute, and obtain conviction of subversives within their borders.

FOREIGN POLICY

1. We approve the strengthening of cultural and moral ties among all White nations, in view of the world-wide survival crisis which the White Man faces.
2. We demand that White Christian boys never again be sent to fight and die on foreign soil to appease the interests of an alien minority.
3. We demand that all financial and moral support to the State of Israel cease, as a basis for the rebuilding of Arab-American friendship.
4. We demand an end to the policy of foreign give-aways.
5. We oppose any international entanglement whereby this republic would tend to lose its sovereignty and freedom.

ALL JEWS TO WORK AGAINST PRIVATE WHITE SCHOOLS IN THE SOUTH

The letter at the right is the most amazing expose of Jewish deceit and trickery yet to come to light in this struggle to keep White Schools White! The Jews themselves do not fear integration of their own race for they are the only people in the world united in the common bonds of one Race, Religion and Nation. (Gentiles have Race in common, but are split among many religions & nationalities.) The Jews are the only religion in the world which does not seek converts, there is no such thing as a 'Jewish Missionary.' A Gentile is not welcome in a synagogue. The Jews keep their race pure & segregated behind the Getto Walls of the Synagogue & Jewish Community Centers. But, at the same time they preach to our White children that we are no better than Negroes - there fore there is no reason why we should not mix, mongrelize and inter-marry? The N.S.R.P. condemns this highly organized Jewish subversion of this White Republic.

MEMORANDUM

To: Southeastern Regional Board
From: Abe Goldstein, Chairman
Date: April 8, 1959
Subject: Use of Synagogues and Other Jewish Institutional Buildings in Southern Communities for Private Schools After the Public Schools Have Been Closed in Order to Avoid Desegregation.
CONFIDENTIAL
Query: What shall be the national ADL policy on proposals or requests made by local governing bodies or by local school boards or by private groups to use Jewish institutional buildings such as synagogues, temples and Jewish community centers for the maintenance of private school classes for children because the public schools have been closed down?

The Chairman of the Southcentral ADL Regional Board has asked for a statement of ADL policy on proposals to use Jewish institutional facilities for private school classes instituted in southern communities where the public schools have been closed down under state or local law because of court orders that those public schools should be operated on a desegregated basis. This question has arisen because there is a possibility that rather than desegregate the schools in New Orleans, the Orleans Parish School Board might order them closed. (As most of you know, in Louisiana counties are called parishes.)

We are advised that if such closing takes place, private school systems will spring up and the local school board or city government may ask synagogues, temples or other Jewish institutions in the community whether private school classes may be held in their buildings.

A somewhat similar request came from the director of the Richmond Jewish Community Council last November. Mr. Julius Mintzer, director of the Richmond Jewish Community Council, wrote us asking the opinion of the ADL regarding the use of synagogue and Jewish center facilities for private tutoring classes should the public schools be closed because of court action. Because of apparent limitations of time in which to reply, the problem was not put at that time to the National Civil Rights Committee. Instead there was speedy discussion of the problem between the National Chairman, the Chairman of the National Civil Rights Committee, the National Director and four National Civil Rights Directors. As a result the Richmond Jewish Community Council was advised that the ADL had the same reaction to the proposed use of Jewish facilities which the Union of American Hebrew Congregations expressed in a resolution it adopted in November 1958. That resolution read as follows:

"We urge all congregations within our Union to withhold the use of their facilities in circumvention of judgments and orders of the Supreme Court and other federal courts and to refrain from any course of conduct which would support instrumentalities of any state or private organizations seeking to frustrate the enforcement of such judgments and orders".

Since the problem now seems to be one which may well develop in other southern communities, it now becomes necessary to put this issue to the National Civil Rights Committee for a formal determination of national ADL policy.

"Secret Jew Letter," continued.

ARGUMENTS:

The Whiteman pioneered & created America out of the wilderness - then welcomed the despot Jew under the false belief that he was being unjustly persecuted in Europe - only to discover that the Jew is an octopus which devours & destroys all that is good, clean and decent. The Jew was not satisfied with financial intrigue which is buying up all business & property and his communizing of our Government, but now he is directing his final all out assault upon our sweet, innocent little children! Why do the Jews seek to throw our children to the Negroes? It is a last desperate attempt to destroy our people, whom they have hated since the days of Christ.

The Jew knows that the Negro must have a 'boss man' to tell him what to do. They therefore believe that a mongrelized, high-yellow mulatto people will also be indolent enough to serve a 'Jewish boss man.'

With the Jewish race still pure & intact, they hope to turn our people into a race of boot-licking zombies serving Jewish masters! Thus fulfilling the Jewish dream of ruling the world as the 'Chosen People', ordained by their God, and as preached to them by their Rabbies.

This may shock some people, but the struggle against race mixing in the schools, is a struggle against a highly organized Fifth Column of Jews, hell-bent on destroying the very blood lines of our people! WHAT WILL YOU DO ABOUT IT? - Sit back and say, "Oh hum, why should I worry, I'll just turn on the T.V., and have a drink, soon I will forget about it?" Or will you get up off the sofa and make a stand with the National States Rights Party? This is the only political party really fighting a no holds barred struggle with the true enemy. If you are a loyal Whiteman and deserv-ing of having ancestors who built civilizations, culture and the heritage you now enjoy, THEN STAND UP AND BE COUNTED, JOIN THE N.S.R.P. TODAY! Fight with us against the evil satanic race mixing plotters who would destroy all traditions handed down to us by our forefathers. In the name of every White child in America, and those yet to be born, in the purity of their being, cast your future with us.

ADDRESS _____

From the point of view of southern Jewish communities the problem is a complex and difficult one. When the public schools have been closed and their children are denied the opportunity to obtain an education obviously persons of good will, even persons who are not supporters of segregated education, should do everything they can to fill the void. Hence, those providing facilities for the maintenance of private schools are not necessarily tarred with the brush of opposition to the public schools and to the Supreme Court's decisions on segregation. Furthermore, in view of the attacks being made by segregationists on the Jewish community for its generally liberal stand on the issue of segregation, the willingness of Jewish groups to permit Jewish institutional buildings to be used for private schools might well deny to anti-Semitic segregationists the argument that Jews have allied themselves with aggressive Negro groups such as the NAACP to undermine the southern way of life. The use of Jewish institutional buildings for such private schools would also open new opportunities for improving interreligious understanding between Jews in the South and decent Christian white groups. Such a practice might serve to separate the respectable white segregationists from the hate-mongering elements who engage in bigotry directed not just against the Negroes but also against Jews.

The arguments on the other side are also obvious. Jews, as a tenet of their basic religious beliefs, are wedded to justice for all. Hence, Jewish groups generally are against any form of racial or religious discrimination and are therefore opposed to racial segregation. Hence, they should avoid engaging in any program which would have the effect of strengthening or maintaining practices of racial segregation. Clearly a program of maintaining segregated private schools and using Jewish institutional facilities for this purpose could have the effect of helping maintain racial segregation in the schools of the South. Secondly, the effect of building a private school machinery as a substitute for public schools closed down to avoid desegregation is to develop a machinery for evading the spirit and purpose of the Supreme Court's declaration of law in the desegregation decisions. Hence, by permitting the use of Jewish institutional buildings for private schools which would replace the public schools, those in the Jewish community responsible for the operation and maintenance of the Jewish institutional buildings would be permitting the use of these facilities to circumvent the law of the United States as embodied in the judgments and orders of the United States Supreme Court and other federal courts. This could serve only to impede the maintenance of justice and to bring about an undermining of law and order.

This also could serve to undermine a basic institution of our democratic way of life in this country, the maintenance of universal free public schools for all. In view of the general support by the Jewish community of the tradition of a free universal public school education open to all, the Jewish community should not use its institutional buildings in such a way as to facilitate the undermining and destruction of the public school system. It is noteworthy, in this connection, that in many communities where proposals have been made to abandon the public school system rather than to permit public schools to be desegregated, members of the Jewish community have been active with others in organizations set up to preserve and protect the entire public school system. The use of Jewish institutional buildings for private schools in order to minimize or eliminate the need for public schools is hardly consistent with this attitude and goal.

Keep Negro Teachers Out Of White Schools

Omer Carmichael, superintendent of Louisville public schools is again making this city another 'testing ground for future race-mixing in the South. He has placed ten Negro teachers in five White schools ! Even the unconstitutional opinions of the Supreme Court have never gone this far, and have never ruled that it is necessary to force Negro teachers over our White children. Yet, Carmichael goes brazenly ahead, on his own, without any kind of legal authority. He called the Louisville School Board into secret session to have his evil plans rubber-stamped. ONLY WE THE PEOPLE CAN STOP THIS SO-CALLED 'PUBLIC' OFFICIAL - WHO WAS BROUGHT HERE BY A POWERFUL MINORITY PRESSURE GROUP FROM ANOTHER STATE, WHO WAS NEVER ELECTED TO OFFICE, BUT APPOINTED, BY THOSE WHO SEEK TO DESTROY OUR WHITE PUBLIC SCHOOL SYSTEM !

INTEGRATOR

Of Louisville Schools To Be Given Brotherhood Award Of Temples

The educator responsible for successful integration of Louisville, Ky., schools will be recipient of an annual Brotherhood Award during the combined brotherhood meeting of Cincinnati's Reformed and Conservative Temples February 18.

Omer Carmichael, superintendent of Louisville schools, will also deliver an address at the 8:15 p. m. meeting in Wise Temple, Reading Rd. and N. Crescent Ave. A number of city and county officials will be among the approximately 600 persons in attendance.

The Brotherhood Award is presented annually at the combined meeting, a feature of National Brotherhood Week. Last year's recipient was Governor O'Neill.

Carmichael was selected for the honor by presidents of the Brotherhoods of Temple Shalom, Wise Temple, Rockdale Temple, Ohav Shalom and Feinberg Synagogues.

The above photo-stat is from a Cincinnati newspaper. Where ever you find race mixing, you will find Jews backing it !

THE PLACING OF NEGRO TEACHERS IN WHITE SCHOOLS IS A VIOLATION OF THE KENTUCKY "DAY LAW," Sect: 158.020 in part states, "No instructor shall teach in any college, school or institution where both White & Negro races are received as pupils." Sect: 158.990 provides fines and imprisonment for violations of said law. WE CALL FOR THE ARREST, FINING & IMPRISONMENT OF CARMICHAEL UNDER THIS DAY LAW !

THERE IS NO SUCH THING AS 'TOKEN' INTEGRATION. First Carmichael placed just a 'few' Negroes in White Schools. Then, when he felt we were 'adjusted' to this outrage, he opened the flood gates wide and the Negro children poured into our White Schools. Now that he has accomplished this, (with police cars outside Male High each day to keep down race riots,) he has placed a few 'token' Negro teachers in White schools, and has recently stated on the T.V. program, "Whats Your Question" - that this is only the beginning! As soon as the people are 'softened up' again, he will hire them in mass, so that every White child will have a Negro teacher - and is even this the end? NO ! ! The newest onslaught against the White Race is being tried in New York City, where the race-mixers are hauling hundreds of Negro hoodlums out of Harlem into far away schools in all-White neighborhoods. They are even going to the extent of hauling Negroes across county lines into different school districts, this is called 'achieving racial balance.' NOW IS THE TIME TO STOP THIS CRIMINAL ACTIVITY BEFORE IT COMES TO LOUISVILLE, FOR CARMICHAEL TO USE AS A NEW TEST ON OUR CHILDREN. This time, Carmichael has gone to far, if you favor his arrest, contact the "National Citizens Law Enforcement Commission," Mr. Millard D. Grubbs, Chairman, 1427 South 6th St., Louisville, Ky., or better still phone him at Melrose 7-7321. Mr. Grubbs will lead the Committee making the arrest.

Let Louisville be a White Segregationist testing ground for a change. When we get Negro teachers out of White Schools here, it will be the beginning of the end of race-mixing in the South!

Drummer Is Wed—Kenny Dennis, drummer with Phineas Newborn's Trio, smiles as he helps his bride, the former Jean McNiff, a wealthy Oklahoma oil heiress, cut the wedding cake at a reception in New York at Sugar Ray Robinson's tavern following their surprise marriage in Philadelphia, a month after they first met in Oklahoma City when he was appearing at a night club there. Mrs. Dennis' yearly income is estimated to be over \$100,000.—Berk Costello. Photo.

Musician Weds \$100,000 Yearly White Heiress

NEW YORK—An engagement that jazz pianist Phineas Newborn and his trio played at an exclusive Oklahoma City (Okla.) country club a month ago culminated in a marriage for his drummer, Kenny Dennis, who wed Jean McNiff, white heiress with a \$100,000 yearly income.

United in holy matrimony at Philadelphia's High St. Baptist Church by the Rev. Horace Shepard, exactly a month after their glances first met when he was seated on the bandstand at the Shangri-La Country Club and she was a member of the social group that booked the band for the two-week engagement, the newlyweds confessed that "love hit them at first sight like a bolt of lightning." Currently appearing at Birdland on Broadway here, Dennis said his present plans are to continue playing with Newborn for awhile, then he plans on taking a trip to Europe for a honeymoon and return to enter Juillard Music School.

LIVING in a suite at a midtown hotel, Mrs. Dennis said that race and color never entered her mind when she chose her mate. She said that in Albuquerque, New Mexico, where she was born 23 years ago, she had attended mixed schools.

From other sources, it was learned that Mrs. Dennis mother, who has remarried and lives in Houston, Tex., was "upset" when she learned her daughter had wed a Negro musician. His gift to her for a wedding present was a '59 Cadillac.

J. Edgar Hoover And The Jews

Because of the constant drive being waged by the F.B.I. secret police against White Segregationists, the Jewish race mixing cult has gone all out to build up Hoover. The all Jewish Warner Brothers film Co., has produced "The FBI Story," directed by the Jew Mervyn LeRoy. J. Edgar Hoover himself actually appears in the Jewish movie, and states that his agency fully co-operated with these Jews in making the picture! Jews are now frothing at the mouth in rejoicing over Hoover, even to the extent of having Israeli Folk Dances between the movie scenes. (Note photostat at right taken from a New York Newspaper.)

If J. Edgar Hoover were a conservative as certain Rightists picture him, would the Jews be praising him, or would they be stabbing him in the back? The truth is that the Jews know that they own Hoover, both body and soul!

There seem to be a few White Segregationists who feel that by praising J. Edgar Hoover, they can influence him to keep his snoops off their backs. Recently a great American paper, "The White Sentinel" praised Hoover and stated, "Communists and race mixers are against Hoover." We would like to remind "The White Sentinel," that J. Edgar Hoover is himself a race mixer. Please study the exact photostats below, from his now infamous book, "Masters of Deceit."

The NAACP's national leadership has vigorously denounced communist attempts at infiltration. In 1956, when the NAACP and other organizations sponsored a National Conference on Civil Rights in Washington, the Party attempted to "move in," and started promoting the conference. The NAACP countered by screening the delegates.

WHAT A LIE - Hoover himself knows that almost all the N.A.A.C.P. leaders belong to numerous communist fronts.

Some of the most effective opposition to communism in the United States has come from Jewish organizations such as B'nai B'rith, the American Jewish Committee, the American Jewish League Against Communism, the Anti-Defamation League, and a host of other Jewish groups.

The entire purpose of the book is a build up for the above photostat, TO WHITewash THE VERY ORGANIZATIONS RESPONSIBLE FOR ALMOST ALL THE COMMUNIST ACTIVITY IN AMERICA! Anyone who praises the NAACP and the Jews is the worst kind of race mixer. Hoover cannot even be considered a 'moderate.' He is a race mixing extremist of the lowest sort, as he uses his official position to front for the Jews. The Harry Gold - Rosenberg spy trials brought to the attention of the general public the connection between world communism and international Jewry. These truths had to be buried, the Jews chose Hoover for the job!

We wish to congratulate the following Racial Nationalist publications which had the courage to expose Hoover and his "Masters of Deceit" book. They are as follows: "Common Sense", "Right", "Women's Voice", "National Renaissance Bulletin", "American Nationalist", "Don Bell Reports", "The Georgia Tribune", "The Revere", "The Virginian", and "The Thunderbolt." We hope that other Nationalist publications will cease being cowed and awed by the F.B.I., and stand up and print the truth, then let the chips fall where they may!

N.S.R.P. STOPS INTEGRATION IN FLORIDA

The nations press headlined the recent integration of Orchard Villa school in Miami. Immediately the N.S.R.P. went into action, and States Rights leader Fred Hockett started protest meetings and a boycott by parents in the school district. We dispatched Attorney J. B. Stoner, (Party legal advisor) to the scene. Hockett & Stoner explained our side to the parents right in front of the school. They were extremely successful and all White students pulled out of the school, leaving a few Cubans & Puerto Ricans with the four Negro children. On Oct. 9, the school board ended even this 'integration' under strong NSRP pressure. DID YOUR NEWSPAPER CARRY THIS?

"THE SOUTHERN ISRAELITE", Atlanta, of Febr. 27, 1959 quotes the Jew Isaac Toubin, powerful Executive Director of the American Jewish Congress, writing an article entitled "Recklessness or Responsibility" as it appeared in "The Congress Weekly," official organ of the American Jewish Congress. The Jew Toubin comments on charges by a few Southern Jews (who want mixing done quietly) that Jews should not expose themselves as the leaders of the race mixing movement. Toubin answered that removal of Jewish leadership would end "effective opposition" to Segregation! Following is Toubin's word for word statement. Study closely to get the full importance of this amazing admission! The Jew Toubin said: "We contend that if the Southern Jews submit to this fear and try to extend it to their Northern Jewish neighbors, they will achieve precisely what the White Citizens Councils and the Ku Klux Klan desire to do. Far from being neutral, such a program would strengthen the hands of the white supremacists by removing any effective opposition."

THE WHITE MAN'S VIEWPOINT

FAUBUS FOR PRESIDENT CROMMELIN FOR VICE PRESIDENT

**"Rights" Parley
Picketing Due
By NAACP**

TIME
THE WEEKLY NEWSMAGAZINE

On March 19, 1960, in disregard of enemy interference and persecution, the National States Rights Party assembled in national convention at Dayton, Ohio and nominated two courageous patriots for the two highest offices in the land. Gov. Orval Faubus was nominated for President of the United States and Admiral John G. Crommelin for Vice President. Much was accomplished. We unanimously nominated two real White men who are unafraid of the diabolical smear artists who run the Nation's so-called public press.

(Continue to Page 2.)

The National Association for the Advancement of Colored People (NAACP) will picket the national convention of the National States Right party when it meets in Dayton this weekend, Mrs. Miley O. Williamson said yesterday.

Mrs. Williamson, executive secretary of the NAACP's Dayton chapter, said the party is "opposed to everything we stand for." She said picketing is "the only way we feel we can voice our protest."

From 28 states came some 185 delegates to a convention of the National States Rights Party. Meeting in secret in a lodge near Miamisburg, Ohio, it took them only a day, instead of a slated two, to finish their business. It was clear from the start that their candidate for U.S. President, whom they nominated without shilly-shallying, would be Arkansas' Democratic Governor Orval E. Faubus. Also as expected, the party platform was anchored on "complete separation of all non-white and dissatisfied racial minorities from our white-folk community."

Faubus Named Presidential Candidate by States Righters

Secret Parley at Miamisburg; Students Demonstrate Here

By JOHN DYE AND BOB WRIGHT, Daily News Staff Writers

Members of the National States Rights party, proclaiming "White Folk" supremacy, met in closely guarded secrecy at a secluded lodge near Miamisburg yesterday and nominated Gov. Orval E. Faubus of Arkansas for president.

Picked as the candidate for vice president was Adm. John G. Crommelin of Wetumtka, Ala.

The nominations were revealed after the sessions by Dr. Edward R. Fields, the party's information director.

Nearly all delegates yesterday were wearing "Faubus for President" buttons in their lapels. It was Faubus who led the bitter fight against integration in Little Rock's Central high school.

DELEGATES came from 28 states according to Fields. He said about 185 attended the session.

We have cracked that sound barrier.

FAUBUS FOR PRESIDENT

All over the U.S., Arkansas Gov. Orval Faubus is being boomed as the White man's candidate for President. Meeting in Dayton, the NATIONAL STATES RIGHTS PARTY (Box 261, Jeffersonville, Ind.) nominated him for that high office on March 20. And a group of activists in Los Angeles have him scheduled for a rip-roarin' address on April 1, at 8 p.m., in the Embassy Auditorium. In spite of—or perhaps even because of—the intensive smearing he has received, millions of Americans recognize in Faubus the man of courage and determination who can lead them to Constitutional government.

RIGHT predicts here and now that a no-holds-barred smear campaign will be launched against both Faubus and his backers. The Anti-Defamation League and the Communist Party, again working in close unison, will spare no expense and stop at nothing to stop Faubus! Even a sizeable token vote for Faubus would be a disaster for the ADL. This could spell the beginning of the party realignment that the country so desperately needs!

From Here, There and 'most Everywhere:

★ Bill Simmons, the editor of *The Citizens Council* (206) is a well-informed, quiet-speaking man who means what he says. So when he reports, as he does in the February issue, that a well-led pro-segregation movement is being quietly formed in "a number of Northern states," you can rely that it is true. Rumor has it that this group will boost Faubus for President, though its main activities will be on the local level.

“Moderate ‘Token’ Mixing” is Treason

Token mixing means to only admit a few Negroes at the start - but, once the water starts spilling through the hole in the dam, everything breaks loose. We would then be lost in the flood of Negroes swarming over us. The only answer is **NO MIXING AT ALL!** This can be done. A courageous governor must set a good example by taking a firm stand and saying, "NO", and interposing the Sovereignty of the State over the puny Supreme Court. This has not yet been done. When enough patriots band together behind a White leader, **IT WILL BE DONE! JOIN THE NATIONAL STATES RIGHTS PARTY AND HELP US STOP RACE MIXING!**

MIXING JAZZ AND CIVIL RIGHTS—Lionel Hampton (R), internationally acclaimed jazzman and bandleader, is congratulated by Kivie Kaplan on the purchase of an NAACP life membership. Mr. Kaplan is co-chairman of the NAACP life membership committee.

Richard Allen Green, born February 19, 1959, grandson of Kivie Kaplan, one of the heads of the NAACP life membership committee. Baby Green is the 22nd member of the Kaplan family to become a fully-paid NAACP life member. Green is the youngest fully-paid NAACP life member.

Teacher Here Arrested in Morals Case

Accused of Taking Two Soldan Girls' Pictures in Nude

A Soldan High School teacher was charged in warrants issued Friday by the Circuit Attorney's office with molesting two 16-year-old girl students by photographing them in the nude and showing them obscene motion pictures and slides at the school.

Named in the warrants was George Herbert Outlaw, 39, a mathematics teacher at the school, who resides at 4010 Natural Bridge ave. He declined to make a statement on advice of his attorney, police said.

Outlaw, a Negro, was arrested Thursday afternoon by detectives of the Page Boulevard District, following an investigation made at the request of officials of the school and the Board of Education, who placed him under suspension. He later was released on bond.

Police said the incidents, dating back at least to last January, came to the attention of school officials recently when a girl student told a teacher that Outlaw had photographed another 16-year-old girl student in the nude.

The matter was turned over to police at the Page Boulevard District last Monday by Superintendent of Instruction Philip J. Hickey, Principal Otto P. Rost, Emmet T. Carter, Board of Education attorney, and other school officials.

IN SCHOOL BASEMENT

Detectives Raymond Boubek and Alfred Tucci, who conducted the investigation, reported that in the cases of two girls, Outlaw first made arrangements to photograph them in swim suits at the school, located at 912 Union boulevard, then persuaded them to be photographed in the nude.

In separate incidents, in a photographic darkroom and a storage room in the school basement, he later showed each of them obscene movies or picture slides, commenting that money could be made by posing for such pictures, the detectives were told by the girls. In each case the girls declined to pose again, police said. One girl is white and the other is a Negro.

One of the girls stated that she received a telephone call from Outlaw on April 1 saying that he was in trouble and had been asked to resign. He asked her if she had told anyone of the picture-making incident and urged her not to talk about it, police said.

OFFTRED \$200

The girl, whose home is out of town and who was living here with relatives, told the detectives that on the following night she received a telephone call from a woman who offered her \$200 for a trip home if she would change her statement to school officials.

Police said relatives told them that the girl's mother, after learning of the photo incident, came to St. Louis and took her daughter home with her.

The other girl told the detectives that she had been having difficulty with geometry and that Outlaw had been helping her with it. The picture taking and showing of obscene picture slides followed, police said.

Outlaw, who is married, has been in the St. Louis public schools system more than 10 years, and formerly taught at Vashon, Sumner and Hadley Technical high schools.

The two pictures at the left are of the Jewish Kaplan family and are taken from Crisis, the official organ of the N.A.A.C.P. The President of the N.A.A.C.P. is the Jew Arthur Spingarn. The N.A.A.C.P. is filled with Jews. They brag that the youngest and oldest N.A.A.C.P. life members are Jews and the youngest one is at the left. Study closely the above article from the St. Louis Globe-Dispatch. They started out with "token" mixing and then placed Negro teachers over White children. How would you like to have a Negro Outlaw teaching your little boy or girl? How would you like to have a Negro teacher coaching your child in geometry after school? Would you want to have Negro teachers propositioning your child to pose for filthy movies? The above story is only part of the story. Let no one be lulled into thinking that Outlaw didn't seduce those girls. Yet, that is the fate the Jews have designed for our children. Are you going to stand for it? IF NOT, JOIN US AND HELP US PURGE THE LOW, VILE, SATANIC RACE-MIXERS. Don't wait. Tomorrow may be too late. Join now - **TODAY!**

Election Board Quits Over F B I Probe

Somerville, Tenn., March 15 (AP) — Racially tense Fayette County is without the means to register voters today, after the election commission quit over alleged F.B.I. investigations.

The resignations came after a concerted effort resulted in 17 Negroes being registered to vote two weeks ago. It was the greatest number of non-whites to pass through registration lines in a single day.

Commission members, who resigned separately but agreed to make a joint statement, said: "We have tried to carry out all duties according to law, but have been subjected to investigation by the F.B.I. at the request of the Department of Justice on what we consider unfounded charges."

The statement was issued by Dr. J. B. Haddad, James W. Freeland, and Mrs. Inez Davis.

The shocking photostat at left is the result of Jew and Negro domination of our Government. The FBI is being used to cram the Negro down the Whiteman's throat. The innocent White men and women on the election board resigned in protest against secret police tactics. Whitemen are not going to be intimidated by illegal harassment of dime store gumshoes from Washington. To quote Gov. Patterson of Alabama: "I promise to pack the FBI out of the state as soon as I can!"

Hoover's Fake Patriotism

Study closely the clever propaganda leaflet Hoover has issued in the photostat at right. The photostat has been greatly reduced and is actually a large color poster. The entire poster is masked in patriotism, but the real punch line is circled at the bottom. "Attack bigotry and prejudice wherever they appear," says J. Edgar. Every Communist paper in America attacks so-called bigotry and prejudice. Those words are communist terminology when attacking the White Race's right of freedom of choice; the right to use intelligent discrimination that will guarantee our children a White education in White surroundings. To be a loyal Whiteman is "bigotry and prejudice" according to our chief of the secret police. Hoover is trying to use thought control over Americans. Brainwashing was invented by the communist NKVD secret police in Russia when its chief was the Jew Beria. Now Hoover is using it on us! The main object of the Communist party in America is to mongrelize our White Race. Hoover says he is against communists, but he is actually doing more than they are to interfere with our efforts to solidify White resistance to racial mongrelization. J. Edgar is for our downfall and a mongrel America. Hoover is much worse and more dangerous than the open communists because he masks his anti-White conspiracy under a false cloak of patriotism and Americanism. Truly, Hoover is America's No. 1 Master of Deceit! Taxpayers, take note of the letter Hoover wrote to Rev. Walberg. Hoover is using leftist race-mixing preachers to pass out propaganda posters to Church goers. Congress gives Hoover every dollar, thinking it will be used against crime and communism. Yet, Hoover misappropriates the funds and uses them to harass innocent voting registrars and for trick propaganda handbills at the taxpayers expense. Let us encourage our Congressmen to cut Hoover's budget immediately.

DR. FIELDS WRITES THE NATION'S PRESS

We must start awakening our fellow Americans to the sinister conspiracy which has held Hoover in office for over 35 years - longer than any other department head in the history of Washington. Will you sit down tonight and write a letter to the editor of your local newspaper, using Dr. Fields out line at the right? Write your letter in a moderate tone so as to start people thinking. DO IT NOW!

WHAT YOU CAN DO TO FIGHT COMMUNISM

AND PRESERVE

Avert yourself - learn the true nature and tactics of communism.

Make civic programs for social improvement your business.

Exercise your right to vote; elect representatives of integrity.

Respect human dignity - communism and individual rights cannot coexist.

Inform yourself; know your country - its history, traditions, and heritage.

Combat public apathy toward communism - indifference can be fatal when national survival is at stake.

Attack bigotry and prejudice wherever they appear; justice for all is the bulwark of democracy.

Dear Mr. Walberg:

Your letter and enclosures were received on September 11, 1950.

I am glad to know that you have found our poster entitled "What You Can Do To Fight Communism" of interest, and it is a pleasure to forward to you, under separate cover, 5,000 copies of it without charge. For your information, we do not have a mailing list for the dissemination of material concerning communism, but enclosed are some related publications which you might like to read.

Sincerely yours,

Would Retire F.B.I. Chief

I heartily approve of your editorial December 23 on J. Edgar Hoover of the F.B.I. It seems that Hoover maintains a permanent publicity department in order to build himself up personally. Hoover is forever issuing statements to the nation, denouncing juvenile delinquency, bad baby sitters, etc., as if the rest of the nation were in favor of such.

How is it that Hoover has held on to the same job under five Presidents? What power holds him in office? Could it be that even Presidents fear J. Edgar? In every F.B.I. office in the land hangs a giant picture of Hoover. Mind you, there is not a picture of the President or George Washington, but of "Big Brother" Hoover benevolently watching over us.

When Presidents can serve only two terms, I feel it dangerous to the nation's freedom for a man to remain as head of our secret police for 35 years. Certainly eight years should be the limit. I feel it is about time Hoover be retired and the job given to someone with less ego.

Louisville.

"THE WHITEMAN'S PARTY"

THE WORLD CONQUERORS
THE REAL WAR CRIMINALS

By Louis Marschalko

WORLD CONQUERORS expresses some of the bitterness and contempt of millions of enslaved Europeans for the rulers of the "victorious nations." It shows that by being urged to throw off the German yoke, the central European nations were tricked into becoming satellites of the Soviet. WORLD CONQUERORS indites the real criminals. It gives horrifying glimpses of the agony behind the Iron Curtain and describes the plot to extend the slave system to the Western world. From this book the reader will also learn something of the situation in Germany following surrender. Thousands of copies of the Hungarian edition have been sold and this English translation is published to warn the West. It is written by one who is a firm friend of the English-speaking people but an implacable foe of their vacillating and corrupt governments. 296 pages, paper cover

Among other lies, they lyingly stated that the delegates drafted a "Protestant supremacy platform." The controlled press seeks to make our Party appear to be anti-Catholic. There is nothing anti-Catholic in our platform, as anyone can see by reading it. We have many Catholic and Protestant members - all White Christians. The Democratic and Republican parties also have Catholic and Protestant members. They are trying to pin an anti-Catholic label on the N.S.R.P. in an effort to turn our White Catholic friends against us. It is the old enemy trick of "divide and conquer." The United Press put the lies on its news wires, but has been honest enough to make a retraction and send corrections to newspapers throughout the Country. Our Party is mainly interested in whether or not a man is a loyal White man rather than whether he is Protestant or Catholic. As a political party, we cannot become involved in theological disputes between Protestants and Catholics.

We call upon all loyal Party members and their friends to fully cooperate in the Party's campaign to place Governor Faubus and Admiral Croomelin on the ballot in almost every state in the union. In getting up petitions to place our Party on the ballot, be sure that all who sign write their names and addresses very clearly. For the first time in this generation, the people will have an opportunity to vote for candidates who represent the American people and not the enemies of our Country. The two old corrupt parties are the parties that have led America down the road to the cemetery gates. It is impossible for the Democratic and Republican parties to nominate any real patriots for President and Vice President; we don't need to wait until their conventions to learn that. The National States Rights Party is the right party and we have the right candidates.

VOTE FOR FAUBUS AND CROMMELIN!

N. S. R. P. NEWS NOTES

F. ALLEN MANN, Box 147, Hinsdale, Illinois, has become the new N.S.R.P. Chairman of Illinois. He is actively organizing the Party in that State.

ALL MEMBERS will receive, with this issue, a two-color copy of the Constitution and By-Laws of the N.S.R.P. If any member fails to receive his copy, he should notify Ned Dupes, National Secretary, P.O. Box 2161, Knoxville, Tennessee.

IMPORTANT NOTICE This month we are making a survey on the election laws in every state in the Union. By the time you receive this paper the survey will be completed. Campaign Funds are urgently needed for sending workers into the various states where State Conventions are required by law. There must be campaign funds on hand to cover these expenses. If you have ever wanted to aid this Patriotic Movement. **NOW IS THE TIME!** Please note the form below. Please send in something this month, whether it be your renewal, or a subscription for a friend, or an order for extra copies. Remember every little bit helps. And don't forget the Campaign Fund.

A REPORT TO THE MEMBERSHIP

Dear Fellow Patriots:

We wish to thank all who donated to the mailing of "THE THUNDERBOLT" issue #13 headlined "JEWS SABOTAGE WHITE SCHOOLS." This issue has been so effective that recently the Jew-controlled "N.Y. World-Telegram" attacked our widespread distribution of it. Thus far, you have enabled us to cover all state legislators in Georgia, Florida, Arkansas, Virginia, North Carolina, South Carolina, Tennessee, Mississippi, Delaware, Kentucky and Indiana. All Congressmen and U.S. Senators from all Southern states have been covered.

We now wish to cover every member of the U.S. House of Representatives and the Senate, as well as the remaining Southern and border state legislators with issue #13 and also some Northern legislatures. We call upon those who were unable to give last month to donate this month so we may finish this expanded program. May we hear from you today? The Editor.

THE THUNDERBOLT

THE WHITE MAN'S VIEWPOINT

Faubus - Crommelin On Alabama Ballot

The National States Rights Party held its Alabama state convention in Opelika, Alabama on May 3 of 1960 at the Lee County Court House. Under state law eleven electors were nominated and will be certified to the Secretary of State. This is the first state in the Union to formally place a patriotic Whiteman's ticket on the ballot in 1960. No other 3rd party has acted this early. It is now too late for any other party to place elector candidates on the Alabama ballot. This means that the Democratic and Republican parties will be lined up against the States Righters. The National States Rights Party elector candidates are FLEDGED to Governor Faubus and Admiral Crommelin. There can be no doubt that Faubus & Crommelin will carry Alabama because the Whitemen there will not take a chance on unpledged electors. We want to KNOW who we are voting for. Plans are being made for Admiral John G. Crommelin to give a coast to coast TV broadcast. The Admiral is a courageous World War II hero of the Pacific campaign.

Jews Organize Negro Sit-ins

THURSDAY, APRIL 21, 1960

White Americans have long been shocked by realization of the fact that the Nation's "free" press has, for years, concealed the fact that the N.A.A.C.P. was founded by the Jewish Spingarn brothers (Joel and Arthur Spingarn). Joel Elias Spingarn was the first President of the NAACP and held office until his death in 1939. His brother, Arthur, then took over as President and is still running it. There has never been a Negro or a Whiteman at the head of the NAACP. Jews are an Asiatic-Semitic strain; they are not Whitemen. NOW, FOR THE FIRST TIME, The Thunderbolt exclusively reveals that ALL of the Negro sit-ins organized by C.O.R.E. (Congress of Racial Equality) are under the direct orders of the JEW Marvin Rich of New York City. See picture at right from Associated Press. There can be no dodging this fact. THE JEWS ARE HEADING THE DRIVE TO DESTROY THE WHITE SOUTH. The Jews segregate themselves behind their ghetto walls and in their private Jewish community centers where neither Whites nor blacks are allowed. Yet, the Jew demands that we Whitemen mongrelize our children with black apes. Our answer to the Jewish race mixers is: "We united Whitemen will crush down into hell your satanic plot to destroy our people."

STRIKE LEADER—New York, Apr. 21—Marvin Rich is community relations director of CORE (Congress of Racial Equality) which has been credited with direction of the current wave of lunch counter sit-down strikes in the South.—AP.

The Negro sit-ins in White restaurants are hammering home to our White folk what N.S.R.P. has been saying for years: "Give the nigger an inch and he will take a mile." The black man wants EVERYTHING the Whiteman owns. The Negro wants your job, your home, your wife and your daughter. And, the Jews are pushing him forward, telling him to take everything the Whiteman has. The N.S.R.P. rises in opposition to the menace. Are you with us? Join now! We stand for action!

Hoover Raps Hate Group

FBI Chief Blasts KKK

Sat., April 30, 1960

J. EDGAR HOOVER (left), director of the FBI, shakes hands with John H. Sengstacke (right), publisher of the Daily Defender, at special awards dinner which honored Hoover. Looking on at center is Dr. Archibald J. Carey, minister of Quinn Chapel AME church which sponsored Hoover's appearance at the Congress Hotel Monday night. The FBI director was presented with a plaque "For strengthening the public confidence in government by developing a federal agency unexcelled in efficiency and untainted by impropriety or suspicion. . . ." Defender Staff Photo

CHICAGO—"I place the 'fiery cross' of the vicious Ku Klux Klan in the same category as the 'swastika' of the Nazis and the godless 'hammer and sickle' of atheistic communism."

"All ignore the rights of everyone to life, liberty and the pursuit of happiness."

These were the words of J. Edgar Hoover, director of the FBI, in a speech at the Congress Hotel at a dinner staged by Quinn Chapel AME Church.

Dignitaries at the speaker's table and in the audience included: Rt. Rev. Joseph Gomez, States Attorney Benjamin S. Adamowski, Joseph Bibb, Illinois Director of Public Safety; Harold E. Rainville, and a long host of others.

ENTITLING his speech "Faith or Fear," Mr. Hoover said in part: "In recent months, still another dangerous threat against decency and life has asserted itself with renewed vigor on the American scene. I refer to the hate groups, the rabble rousers and other lawless elements which have dedicated themselves to maligning, intimidating and terrorizing vast segments of our population."

"Prejudice and intolerance, hate and fear, are a disease as infectious as a virus. The general increase in organized prejudice is most disturbing. It includes anti-Protestant, anti-Catholic, anti-Jew and anti-Negro individuals and groups."

"These merchants of hate, slander and insinuations clutter the mails with their obscenity. Some of it falls into the hands of impressionable juveniles, neurotic dupes and moronic adults who then resort to smearing and damaging churches, synagogues, schools and homes."

ALL THE VARIOUS forms of the virus of bigotry exist, either dormant or active, in every community — large or small.

"These elements have hurled a critical challenge at the law enforcement profession and other forces for decency across the nation. The person who would bomb a school, desecrate a house of worship, or spread the doctrine of hate toward his fellow man constitutes a real threat to our American way of life. He lives in a vacuum of moral degeneracy. His crimes are so outrageous it is unthinkable that anyone except the extreme 'Lunatic fringe' could rationalize or condone them."

"Invariably, these hate mongers attempt to drape themselves in a cloak of patriotism, but their real objective is to destroy the very American ideals which they claim to uphold. They preach 'mobocracy'—disrespect for law, for our Constitution, and disregard for the welfare of others . . ."

Hoover - Violent Race Mixer

THE ABOVE ARTICLE IS FROM THE NEGRO "PITTSBURGH COURIER" OF APRIL 30, 1960. Hoover went to Chicago to receive another "award" from a leftist Negro group. At a dinner of the Negro A.M.E. Church at the Congress Hotel, Hoover made his most shocking public attack against the White Race to date. It is interesting to note the names of Hoover's hosts: Joseph Gomez, a mongrel Mexican, Benjamin Adamowski, an outright Jew, and the Negro Joseph Bibb. In the picture you can see Hoover with Rev. Carey, the Negro Chairman of the President's "Committee on Government Employment," a race mixing group which seeks to force business men with government contracts to fire Whites and hire Negroes. With all of J. Edgar Hoover's mixed and mongrel friends, we would like to ask Hoover this question. "J. Edgar, with all your kinky hair, flat nose, bulgy eyes, etc., just what is your Race?"

WE QUESTION J. EDGAR HOOVER

1) J. Edgar, if White groups like the Citizens Councils and States Righters are "hate groups & rabble-rousers," then what are the Negro and Jewish groups you continually praise who are staging sit-down riots?

2) You say Patriots are spreading "obscenity" through the mails. Why haven't you denounced the criminal Communists for sending the "Daily Worker" and other treasonous papers through the mail? How about the Jew-led NAACP and all of their race mixing obscenity? You say fighting for the White Race in spreading the truth is an "unthinkable, outrageous crime." Just who do you think you are? Are you above the American Bill of Rights? You have been in office for 36 years (36 years of Communist growth in America) and the people are beginning to smell a rat. You can fool some of the people some of the time, but you can't fool all of the people all of the time. People are beginning to awaken to your lying attacks against White Patriots and Segregationist organizations. Hoover, your days in office are numbered. Your odorous name will go down in infamy as the most disgraceful in the history of law enforcement.

ABOLISH THE PUBLIC SCHOOLS! NOW!

Page 3.
BY JOHN KASPER

Push has come to shove! This is it! There's no more beating around the bush. The 'Supreme Snort' is hell-bent on *white-race destruction* through its latest and final insanity of using its powers to strike down efforts and plans of States to maintain a private school system through the use of public State funds. One crime after another, here they come, first striking down separation of the races (the white from the venereal disease—illegitimate—rapist); then they say public school teachers and textbooks can't be used in private schools.

We are *glad* they are trying to ram home their evil designs! They have unwittingly *awakened* the American people to the fact that the nigger is only a tool of 'hook-nosed' jews for taking over America and the world . . . the 'jig' is only one of many master plans of the jew to try to drive the white man to total and final destruction.

Thank God! that good old-fashioned American horse-sense is now coming to the rescue. We have finally realized that the jew is a *menace* to American Liberty . . . whether he is the organizer and backer of the Communist Party, the NAACP, the Federal Reserve System, the World Bank, etc., or whether he is just a gaberdine-clad 'kike' with a pushcart out to cheat the eyeballs out of Christians.

The Supreme Court (and "Ike") has done more to awaken the American people to the fact that jews are *cancer* than any other public body in our lifetime.

Now, getting down to business, *THE PUBLIC SCHOOLS CAN'T BE SAVED* by piecemeal legislation of States, no matter how sound and constitutional it appears to be. The Supreme Court consists of illegal gangsters and they care not one jot about law and Constitution. As one more glaring example, there were eleven reversible errors in my first appeal, all violations of constitutional rights, and they ~~wouldn't even hear the case.~~ The same supreme contempt was shown to the State of Virginia when they sought to appeal a particular crime of a particular Federal judge.

"De Co't" will strike down any effort to maintain segregation by using public buildings, teachers, textbooks, or monies.

The time is NOW to abolish the Public School System altogether, everywhere throughout the United States, and be done with it!

Why not?

It is first of all cheaper to have private schools. Out goes the gas taxes, sales taxes, license taxes, mileage taxes, and interest-bearing bond issues which are levied for public education. Out goes much of the graft and the corruption of contractors and school boards who grow fat off the taxpayers in the name of 'booblic' education.

Too, friends, private schools are better. The jew has put communist, left-wing textbooks and pinko teachers in the public schools. Every parent and every child can keep a close watch on the 'materials' of education, both books and procedures, and there cannot be any left-wing National Educational Association, or a foul ball like

50 M - 10/58

Lawrence Derthick trying to brainwash American children to accept a *one world, one race, one color, super-state* setup with jew control at the top. Parents will *know exactly* what they are paying for in educating their children and they will *know exactly* what kind of value received they are getting by the *increased intelligence* of their children.

It is none of the Federal government's business to interfere with the educational process and private schools will once and for all put to rest notions of communizing the schools through Federal control through Federal aid. Period!

You can bet your 'bottom dollar' that "Ike" and Nixon don't send their kids or grandkids to school with niggers, but to *private* schools. *What's good enough for them is good 'nuff for you 'n me.* If this is a dumbocracy then why can't we have what the 'prez' has — good private schools for all . . .

DOWN with public schools and a vast "system" and back to the solid virtue of *local control of local affairs* and let each private school serve the local community and the children who live there.

The initial cost and outlay is high but *far* cheaper in the long run. Drum up unused buildings, churches, retired teachers—put your money together, incorporate in your State and community as a local private school, buy your own textbooks and make sure they are free from pink and red communist, one world, internationalist, jew-inspired brotherhoodism.

Above all, see that the Constitution of the United States and sound American history is made compulsory in every private school. The kids have got to know the Constitution ~~backwards and forwards.~~ The Supreme Swine nearly swindled us out of our true heritage of Constitutional government and a country governed by law, not men; they nearly took us to the cleaners simply because the last four generations of Americans have not troubled to find out what the Constitution means as protector of our liberty and they have not told the kids, father to son, why we are the greatest Republic ever conceived by mortal man and how we caught the jew and sorry white politicians only in the nick of time before they slipped our nation away from us in the attempted greatest steal of all time.

Private schools will make us a great people and an intelligent nation of strength, truth, justice, culture and other abstractions which have to do with civilization!

Send this to your Governor, State Legislators, Congressmen, and Senators. Present this personally to your local newspaper publisher. Demand now that these public servants act at once in special session to abolish the public schools. *Let private citizens establish private schools.* The niggers can fend for themselves — lets see if the NAACP will start private schools for niggers.

JOHN KASPER, Executive Director
SEABOARD WHITE CITIZENS' COUNCILS, Inc.

JOHN KASPER NEEDS WHITE MEN'S HELP!

John Kasper is in the Nashville Workhouse on a phony charge of inciting to riot (when no actual riot occurred) simply because he had the courage to rally the people of Nashville against the evil crime of race-mixing. Kasper has stood his ground for you and me and every other White man in the South. Kasper was the first to rally resistance in the South against race-mixing. He stood for you. Will you now stand up for him? Kasper will be freed from jail on July 15th if his fine of \$1431.00 is paid. IF IT IS NOT PAID, KASPER WILL HAVE TO WORK IT OUT AT TWO DOLLARS A DAY! That would take ABOUT 2 YEARS ON THE CHAIN GANG. This is the last sentence pending against Kasper. Do you want him back in the fight for White schools this Summer? If so, do something about it. Mail a donation today to John Kasper, P. O. Box 8771, Nashville 11, Tennessee.

Remember, every \$2 you give Kasper gets him out one day earlier. Fourteen dollars frees him one week sooner. Sixty dollars frees him one month sooner. Our goal is \$1431.00 NOW! That will free Kasper on July 15th. Don't let John down. Please give today. Send as much as you can to John Kasper, P. O. Box 8771, Nashville 11, Tennessee. For Christ, Race & Country, DR. EDWARD R. FIELDS P. O. Box 261 Jeffersonville, Indiana

(Note to the Editor: Please publish either this letter, or the one enclosed from Kasper, or both. Let's all support Kasper in this, his hour of need. It would be a disgrace to the White Movement in America if Kasper could not get out of jail because our side could not raise \$1431.00. Our enemies raise millions to defend their people. Let's stand together and help John NOW!)

WHITE CHRISTIAN MANIFESTO - 1960

A White Mass-Meeting, sponsored by The Citizens Council of Ky., Inc., presided over by Millard D. Grubbs, Chairman of its Board of Directors, was held at 8:00 P.M. Wed., Feb. 10, 1960, at Liberty Hall, Louisville, Ky., and the following RESOLUTION was unanimously adopted:

RESOLUTION

WHEREAS, Art. VI of the Constitution of the United States requires all members of the U.S. Congress, members of the legislatures of the several States and all Executive and Judicial officers of both the United States and of the several States, before entering upon the duties of their respective offices, to be BOUND BY OATH TO SUPPORT AND DEFEND THE CONSTITUTION OF THE UNITED STATES against all enemies, foreign and domestic; and,

WHEREAS, many so-called Jews are holding key positions in the governments of the United States and the several States, and in county and municipal governments in the various States of the United States, who are members of a Tribe, which refers to itself as "World Jewry" and is controlled by Jewish Law; and,

WHEREAS, this said Jewish World-Tribe, on one of their ceremonial or memorial days, called Day of Atonement, (YOM KIPPUR), held on or about Sept. 24th of each year, (10 days after ROSH HASHANAH, their New Year's Day), at which time they take the following Vow,

KOL NIDRE VOW

"All vows, obligations, oaths, or anathemas, pledges of all names, which we have vowed, sworn, devoted, or bound ourselves to, FROM THIS DAY OF ATONEMENT to the next day of atonement, (whose arrival we hope for in happiness), WE REPENT AFOREHAND OF THEM ALL. They shall be deemed absolved, forgiven, annulled, VOID AND OF NO EFFECT. They shall not be binding, nor have any power; the vows shall not be reckoned vows; the obligations shall not be obligatory, nor the oaths be considered as oaths."

This KOL NIDRE VOW is a self-evident attempt to commit the most brazen and audacious crimes imaginable. It proposes to repent in advance for the frauds and crimes they contemplate committing during the coming twelve months, and utterly destroys the binding effect and very purpose of the Oath they are required to take to hold public office in the United States, and totally disqualifies them even to vote, or participate in the civil and political life of this Nation;

NOW THEREFORE, BE IT RESOLVED, in this meeting, that the criminal nature and disqualifying effect of this Kol Nidre Vow of the so-called Jews, made and taken by them on YOM KIPPUR, their Day of Atonement, be brought to the attention of the President of the United States, all Cabinet Members, all Governors of States, and all Law Enforcement Officers of each State; and,

BE IT FURTHER RESOLVED, that all Citizens Council Groups, throughout the several States, and all other worthy and patriotic groups be called upon as real Christians and true Americans to immediately call mass meetings, in their respective cities, towns and communities, to introduce and adopt similar resolutions; and,

BE IT FURTHER RESOLVED, THAT ANY and ALL White Christians who reject and will not join in this work to defend and vindicate the religion of their Lord and Saviour, Jesus Christ from the false and blasphemous attacks now being made upon His Kingdom by the Communist, Jewish Atheists and Apostate Judah and its renegade rabbis, be excluded from the society of all true Christians and loyal Americans.

(Introduced by Dr. Edward R. Fields, of Louisville, Ky; seconded by Mr. Walter Mullikin. Motion for adoption having been properly made and seconded, it was submitted to the meeting and was unanimously adopted.)

CERTIFICATE

It is hereby certified that the foregoing RESOLUTION was submitted on the date and the time set out above, and was unanimously adopted by the attending citizens, which we estimate to have been at least seventy-five persons.

WOLFS SINK TO NEW LOW

THE APRIL ISSUE OF THE WHITE SENTINEL WAS 8 PAGES LONG. They used 5 of the 8 pages in a lying attack against the ONLY political party in America which is offering a slate of candidates on a Whiteman's ticket against the Democratic and Republican race mixing parties. Why do they attack us at this crucial hour when we are so definitely trying to get on the ballot in every state possible? We will try and analyze that question.

1) Helen and Forrest Wolf had an up and coming publication when it was written and edited by the capable John W. Hamilton, its founder and editor for nine long years. Finally, the Wolfs ousted their friend Hamilton and took over. The only trouble is that the Wolfs do not know how to run a publication and cannot write. For this reason, the "White Sentinel" has gone down, down, down. Note the article at right. It is taken from the "White Sentinel" of issue of July 1958. The Wolfs were all for us then - that was before we started our own publication, The Thunderbolt. Poor jealous Wolfs. The "White Sentinel" has continually gone down, under Wolf control, for lack of any intelligent, constructive leadership; while The Thunderbolt is the fastest growing Conservative paper in America.

2) The "White Sentinel" goes into a long drawn-out story on James H. Madole and the National Renaissance Party of New York. They try to tie us in with the Renaissance party because The Thunderbolt boosted a leaflet by the Renaissance party showing the difference between the Races. What is wrong with that, Forest Wolf? The Thunderbolt tries to boost a fellow patriot every month. Once, we even boosted the "White Sentinel."

Forest, do you ever try to help a fellow patriot or do you only wish to sabotage publications which are successful in contrast to the financial failure of the so-called "White Sentinel."

2) You condemn us for having had John W. Hamilton as a member for one year (Hamilton is now a member of the Lincoln Rockwell Party). If there is anything bad about that, you are 9 times more guilty because you worked under Hamilton for nine long years. You state Hamilton was connected "briefly" with the "White Sentinel". What a whale of a lie. Forest, you are lying. Is nine years brief? Forest, you say that many of your "friends" have been "threatened and intimidated in an obvious attempt to destroy the White Sentinel," by the N.S.R.P. You are a liar again, Forest Wolf. WE CHALLENGE YOU TO PRODUCE ONE SINGLE PERSON WE HAVE "THREATENED AND INTIMIDATED." You say we are a "little" outfit. If being the largest 3rd party in America is to be called "little", what is the membership of your so-called N.S.R.P. with half a dozen members, to be

MERGER OF THREE RIGHT-WING GROUPS ANNOUNCED

States' Rights and Constitution party groups in states announced their merger with the United White Party in Knoxville earlier this month. The new organization will be known as the National States' Rights Party.

Delegates from Southern and Midwestern states, as well as several from the East and Far West, met in closed caucus to hammer out a platform and adopt tentative by-laws.

The merger came as the upshot of long-standing dissatisfaction among rank-and-file "conservative" party members, because their organization refused to take a strong stand on racial issues.

The aims and objectives of the National States' Rights Party are the same as those of the old United White Party. It stands for unqualified White supremacy and separation of the races in every phase of American national life.

National headquarters of the new organization are in Jeffersonville, Indiana. The Party also has district headquarters in Atlanta, Knoxville and Louisville. Plans are now underway to open up several new offices in the near future.

Party officers include Arthur B. Cole (LaFollette, Tenn.), Chairman; Mrs. Peter Cowan (Jeffersonville), Vice Chairman; Ned Dupes, (Knoxville), Secretary-Treasurer; and Matt Koehl (Milwaukee), Organizer.

The National States' Rights Party will hold its first national convention at Jeffersonville, Indiana on August 26 - 27th.

(For information write: Corresponding Secy., National States' Rights Party, P. O. Box 2161, Knoxville 1, Tennessee).

The Pittsburgh Courier reports: "Pure White" Party Formed Delegates from 26 states were present in Knoxville for the merger of various States Rights Parties with the United White Party. The new organization working on a "Save the White" platform will be known as the National States' Rights Party. Senators who had representatives at the meeting included William E. Jenner (Republican-Indiana); John C. Stennis (Democrat-Miss); Strom Thurmond (Democrat-S. C.); and Herman E. Talmadge (Democrat-Ga.). The Party will convene in August at Jeffersonville, Indiana."

RACIAL POLICY

We believe in the creation of a wholesome White Folk Community, with a deep spiritual consciousness of a common past and a determination to share a common future.

We favor complete separation of all non-Whites and dissatisfied racial minorities from our White Folk Community.

We demand that intermarriage between Whites and non-Whites be outlawed, in all states not already having such restrictions.

We demand that total segregation be maintained in the nation's schools, and that only members of the White Folk Community be allowed to engage in the educational and cultural activities of our White society.

We believe that segregation should be restored in the nation's armed forces, to rebuild morale and fighting efficiency.

We believe it better that only members of our White Folk Community be allowed to take part in the affairs of government or serve in the courts.

We demand a policy of non-interference in the cultural affairs of other races.

We favor creation of a National Repatriation Commission, to encourage the voluntary resettlement of Negroes in their African homeland, with fullest financial and economic assistance toward that end.

We approve the removal of all alien minorities, dissatisfied with our American way of life and the republic for which we stand.

10 We favor the preservation of Indian national life in America, and the unlimited development of reservation facilities.

11 We believe that immigration should be restricted to select White individuals.

12 We demand the impeachment or removal from office otherwise of any public official who advocates race-mixing or mongrelization.

ECONOMIC POLICY

1. We believe that the workers, farmers, businessmen and professional people of our nation should work together as a team, placing the greater good of our White Folk Community above any individual or group interest.

2. We approve of labor unions, run by honest White men and free of subversive influence.

3. We believe that the farmer should get a fair price for his product in a free market.

4. We believe that the government should refrain from competing with private enterprise, and from interfering in the hiring policies of private business.

5. We demand that Congress alone exercise its constitutional right to issue debt- and interest-free currency, based on the production of goods and rendition of services in America.

6. We favor protection of the White American producer by limiting foreign trade to the direct exchange of surplus products.

7. We believe that the purchasing power of the consumer should be raised proportionately, as science increases the power to produce.

8. We demand that the conscriptionary taxation policies of the federal government be ended immediately.

SOCIAL POLICY

1. We favor combined civic effort in every individual state to eliminate slum, flood and dust-bowl conditions.

2. We favor creation of proper outlets for the White youth of our nation, to encourage the development of mind and muscle, and provide for instruction in the highest racial ideals.

3. We demand the complete reorganization of our educational system, so that every individual White citizen is afforded full opportunity to realize his vocational ambitions.

4. We demand the elimination of all ideology and influences from the movies, television, radio, newspapers and all other phases of our national life, which tend to cause the degeneration and disintegration of our White Folk Community.

5. We demand the creation of a clean and honest White government, which will provide the basis for a sound economy, with full employment and improved living conditions for White citizens of every age.

STATES' RIGHTS POLICY

1. We demand that the federal government cease interfering with the sovereign rights of the states, as guaranteed by the Constitution.

2. We demand that the federal government stop issuing judicial decrees which violate state sovereignty.

3. We demand that the federal government stop fostering thoughtcontrol, and refrain from violating the traditional social customs of the individual states.

4. We demand the removal of all federal control over the national guard units and law enforcement agencies of the states.

5. We demand that all states exercise their authority to stop the secret-police tactics employed against them by the federal government.

6. We demand that the states uphold their right to investigate, prosecute, and obtain conviction of subversives within their borders.

FOREIGN POLICY

1. We approve the strengthening of cultural and moral ties among all White nations, in view of the world-wide survival crisis which the White Man faces.

2. We demand that White Christian boys never again be sent to fight and die on foreign soil to appease the interests of an alien minority.

3. We demand that all financial and moral support to the State of Israel cease, as a basis for the rebuilding of Arab-American friendship.

4. We demand an end to the policy of foreign giveaways.

5. We oppose any international entanglement whereby this republic would tend to lose its sovereignty and freedom.

Bill of Rights

As provided in the FIRST TEN AMENDMENTS TO THE CONSTITUTION OF THE UNITED STATES
Effective December 15, 1791

Preamble

The conventions of a number of the States having at the time of their adopting the Constitution, expressed a desire, in order to prevent misconstruction or abuse of its powers, that further declaratory and restrictive clauses should be added: And as extending the ground of public confidence in the Government, will best insure the beneficent ends of its institution.

1 Right to Freedom of Religion, Speech, Press, Assembly, Petition.

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

2 Right to Keep and Bear Arms.

A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.

3 Rights on Quartering of Soldiers.

No Soldier shall, in time of peace, be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

4 Right against Unreasonable Search and Seizure.

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

5 Right to Protection of Persons and Property.

No person shall be held to answer for a capital, or other, wise infamous crime, unless on a presentment or indictment of a Grand Jury, except in cases arising in the land or naval forces, or in the Militia, when in actual service, in time of War or public danger; nor shall any person be subject for the same offense to be twice put in jeopardy of life or limb; nor shall be compelled in any

Criminal Case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

6 Rights of Persons Accused of Crime.

In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial, by an impartial jury of the State and district wherein the crime shall have been committed, which districts shall have been previously ascertained by law, and to be informed of the nature and cause of the accusation; to be confronted with the witnesses against him; to have compulsory process for obtaining Witnesses in his favor, and to have the Assistance of Counsel for his defense.

7 Right of Trial by Jury.

In suits at common law, where the value in controversy shall exceed twenty dollars, the right of trial by jury shall be preserved, and no fact tried by a jury shall be otherwise re-examined in any Court of the United States, than according to the rules of the common law.

8 Right to Protection Against Excessive Fines, Bail, Punishment.

Excessive bail shall not be required, nor excessive fines imposed, nor cruel and unusual punishment inflicted.

9 Rights not enumerated retained by the people.

The enumeration in the Constitution of certain rights, shall not be construed to deny or disparage others retained by the people.

10 Rights reserved to the States and the People.

The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people.

P R E A M B L E

We of the National States Rights Party believe in the Christian heritage of our people, the White race and the Nation which the Whiteman created out of the wilderness of this continent. We believe in the principles laid down by our forefathers in the United States Constitution and in the Bill of Rights contained therein. We believe in preserving the Race of our forefathers which built civilizations out of jungles and which gave art, culture, inventions, freedom and justice to the entire world. We will not allow the blood of our people to be polluted with that of black, yellow or mongrel peoples. We know that only the pure White race can preserve America and the freedom handed down to us by our ancestors. All that is patriotic, good, clean, and decent springs forth from the foundations of our White folk. These high standards of living do not, and cannot, exist in the non-White backward areas of the world, except where the Whiteman maintains a foothold of control. Therefore, we dedicate our lives and fortunes to the expansion and goals of the National States Rights Party. We feel that only through a political movement can we unite our people and bring the government back into the hands of the White Christian majority.

We dedicate ourselves to the task of saving America and the White Race and the preservation of the pure blood of our forefathers, so that all future generations which come after us will be born as White children with a creative intelligence that will strengthen our civilized influence over the world for the good of all mankind. Therefore, we join together for these honorable purposes as outlined in this Constitution and By-Laws of the National States Rights Party.

We struggle for ---- Race, Nation, Faith!

ARTICLE I - NAME

Sec. 1: The name of this organization shall be the National States Rights Party.

ARTICLE II - OBJECTS

Sec. 1: The objectives of this Party are as stated in the official platform of the National States Rights Party.

ARTICLE III - MEMBERSHIP

Sec. 1: Any White person, who subscribes to the platform, objectives, principles and aims of the National States Rights Party, and is of good moral character, may become a member after being approved by the National Secretary-Treasurer, unless the National Chairman objects.

Sec. 2: The first year's dues and initiation fee must accompany an application for membership.

Sec. 3: Every applicant for membership must agree to support the Constitution and By-Laws, platform and principles of the National States Rights Party, abide by the discipline of the Party and work for the fulfillment of its aims and purposes.

Sec. 4: A member must give his full political loyalty to the National States Rights Party and must not be a member of, or support, any other political party, unless the National Chairman gives special permission.

ARTICLE IV - NATIONAL EXECUTIVE COMMITTEE

Sec. 1: The officers of the National States Rights Party shall consist of a Chairman, Vice Chairman, Secretary-Treasurer, Director of Information and National Organizer. They shall constitute the National Executive Committee.

Sec. 2: The term of office for members of the National Executive Committee shall be four years beginning with the election by the National Convention on or about Labor Day or Thanksgiving of 1960. From that time on election of officers shall be as provided for by this Constitution and By-Laws.

Sec. 3: The National Chairman may appoint assistants for members of the National Executive Committee when the need arises.

Sec. 4: The National Executive Committee shall meet at the call of the Chairman, otherwise known as the National Chairman; except that by written request of a majority of the members of the National Executive Committee, a meeting may be held without a request from the National Chairman.

Sec. 5: The National Executive Committee shall conduct any and all affairs, business, policy, strategy and activities of the National States Rights Party between conventions of the Party.

Sec. 6: The National Executive Committee shall have the right to abolish or reorganize any local unit or state organization. It may revoke the charter of a unit that wilfully violates or deliberately goes contrary to the platform, aims and purposes of the Party.

Sec. 7: If the National Executive Committee is not in session, the National Chairman shall have all of the rights and duties that are given to the National Executive Committee in Sections 5 and 6 of this article and exercise them to the best of his ability. His decisions are immediately binding, but may be appealed to the next session of the National Executive Committee.

Sec. 8: The National Chairman may remove from office any officer of any local unit or state organization for disloyalty to this Party or other cause, and appoint a successor for such office until elections can be held. Any officer who is removed may appeal, in writing, to the National Executive Committee.

Sec. 9: All property of the local units and state organizations shall be held in the name of the National States Rights Party. In case of the revocation of the charter of a local unit or its termination or the termination of a state organization, all property belonging to the local unit or state organization shall go to the National Secretary-Treasurer.

Sec. 10: A member of the National Executive Committee can be suspended from office by a 3/5ths vote of the National Executive Committee. He may then be permanently removed from office by a majority vote of the National Committee.

Sec. 11: Each member of the National Executive Committee shall make a report covering his Party duties and activities to every regular meeting of the National Committee. If he is unable to be present at the meeting of the National Committee, his report must be submitted in writing to be read at said meeting.

Sec. 12: At the expiration of his term of office, by termination or otherwise, each officer shall turn over to his successor all monies, property, papers, records and books belonging to the Party that he may have in his possession.

Sec. 13: Should a vacancy occur on the National Executive Committee, the National Chairman shall appoint a successor who shall hold the office until the next meeting of the National Convention. At that time, the National Convention shall elect a successor.

ARTICLE V - DUTIES OF NATIONAL OFFICERS

(Members of the National Executive Committee)

Sec. 1: The National Chairman shall preside over the National Convention, and at all meetings of the National Committee and the National Executive Committee. He may delegate the duty of presiding. He may call a meeting of any committee whether national, state or local unit, whenever he deems it advisable by giving reasonable notice to members of the committee. He also has authority to call special National Conventions of the Party. He shall have full authority in hiring and discharging salaried

employees and other employees and, with the consent of the majority of the National Executive Committee, determine the salaries or compensation to be paid. He shall enforce the Constitution and By-Laws, appoint all committees not otherwise provided for, and transact such other duties as are usual to the office of National Chairman or that may be rendered by the Party. Any and all other matters and authority not covered in this Constitution and By-Laws shall come under the jurisdiction and duties of the National Chairman.

Sec. 2. The Vice Chairman shall act as Chairman in the absence of the National Chairman. In case of the death, resignation or removal of the National Chairman from office, the Vice Chairman shall become National Chairman until the next National Convention, at which time there will be an election by said National Convention. The Vice Chairman shall aid the National Chairman in the fulfillment of his duties in whatever ways possible.

Sec. 3: The National Secretary-Treasurer shall keep a true record of all proceedings of the Party, including financial reports. He shall also receive, read and safely keep all important papers and documents and shall conduct the membership correspondence of the Party. He shall receive all monies due his office and give his receipt for same. He shall notify all members in arrears of the amount of their indebtedness. When called upon to do so by the National Chairman, he shall submit his books to be audited by a special auditing committee selected by the National Chairman or a certified public accountant chosen by the National Chairman. He shall never reveal, divulge or otherwise allow any reports, records, membership lists, etc., to fall into other hands or in any way divulge the names or addresses of any Party members without the consent of the National Executive Committee. He shall issue charters to local units when approved and signed by the National Chairman.

Sec. 4: The National Chairman shall appoint a Sergeant-at-Arms to have charge of the doors of any and all meetings over which he presides. The Sergeant-at-Arms shall bar enemies of the Party from entering Party meetings, assist the Chairman in preserving order and perform such other duties as may from time to time be assigned to him by the Chairman. The National Organizer, subject to the National Chairman, shall have charge of the organizing work of the Party. He shall make regular reports to the National Executive Committee. All State Organizers shall submit regular reports to him and shall be responsible to him for the fulfillment of their duties. The National Organizer's task shall be the establishment of local units in every community in the United States and state organizations in every state. The

ARTICLE V (Continued)

members of the National Executive Committee, National Committee, and National Convention shall assist him in every way possible. He shall call upon the Party and all its members for assistance - financial, physical and moral - to reach the goal of organizing the Nation for the National States Rights Party.

Sec. 5: The Director of Information is in charge of all printed material published or distributed by the Party, subject to the National Chairman. He is empowered to establish and operate an official Party organ, other newspapers and magazines, as well as tracts, pamphlets and books. He shall aid Party members seeking special information on given subjects. He shall be in charge of all publicity, press releases and dissemination of all official Party information. He shall be custodian of the Party library and shall keep files on all subjects concerning the Party including information on the enemies of the National States Rights Party and their activities. The Party press should finance itself; however, with the consent of the National Chairman, the Director of Information may appeal for funds for the furtherance of his work from both the Party and its members and friends. All Party property, materials and supplies in possession of the Director of Information shall be owned by the National States Rights Party. He shall make regular reports to the National Chairman.

Sec. 6: The National Chairman shall transact all business of the Party between sessions of the National Committee and between National Conventions; adopt measures in the interest of the Party, etc. He shall receive and make recommendations in regards to the reports of the officers and committees of the Party. He may delegate authority as he deems necessary.

Sec. 7: The National Chairman shall call nominating conventions of the Party before each election in which the Party participates. Unless otherwise stated in calling such conventions, nominations will be the only order of business.

Sec. 8: The National Chairman shall have full administrative authority in giving effect to the policies of the National States Rights Party, and in supervising its activities.

Sec. 9: The National Chairman shall retain legal talent and make it available at all times.

Sec. 10: The National Executive Committee shall advise and assist local units and state organizations in every way possible.

Sec. 11: The National Chairman is empowered to establish special funds for the work of the Party, such as a Press fund, Defense fund, building fund, organizing fund, etc. He shall report to the National Committee the amounts collected and how spent.

Sec. 1: The National Committee shall consist of all National, State and Local officers of the National States Rights Party as verified by the records of the National Secretary-Treasurer.

Sec. 2: All members of the National Committee must be approved by the National Executive Committee. A member of the National Committee may be suspended or expelled from office by the National Chairman. In that case, the member may appeal to the next meeting of the National Committee; further appeal may be made to the National Convention if one member of the National Executive Committee endorses the appeal.

Sec. 3: The National Committee shall convene the day preceeding the National Convention and at other times and places as decided by the National Chairman.

Sec. 4: The National Committee may meet without a call from the National Chairman by signed petitions of at least seventy-five percent of the National Committee members.

Sec. 5: The National Secretary-Treasurer shall notify National Committee members at least 10 days in advance of called meetings of the National Committee.

ARTICLE VII - NATIONAL CONVENTIONS

Sec. 1: The National Convention shall meet Labor Day weekend of each year. When more convenient, the National Chairman may postpone the National Convention until Thanksgiving Day weekend of the same year.

Sec. 2: The legislative body and the final authority of the National States Rights Party shall be its National Convention. The National Chairman shall determine the place of each National Convention, as well as each meeting of the National Committee and the National Executive Committee. The National Chairman shall determine the details of each convention and supervise its operations.

Sec. 3: The rules of parliamentary law or Robert's rules of order shall never be applicable to meetings of the National Convention or any other meeting of the National States Rights Party.

Sec. 4: The National Convention shall be composed of every member of the National States Rights Party in good standing who attends said Convention.

Sec. 5: The National Chairman may call nominating conventions at any time to nominate candidates for public office on national, state or local level. Voting rights will be vested in every member in good standing in area affected who attends. Unless otherwise stated in the call of nominating conventions, the only order of business will be nominations for public office.

Sec. 6: While Party business is the primary function of our conventions, the National Chairman is empowered to ask outstanding individuals to speak.

ARTICLE VIII - ORGANIZATION

Sec. 1: There shall be three levels of organization as follows: national, state and local.

Sec. 2: The local unit shall consist of at least three members in good standing. The National Secretary-Treasurer shall issue a Charter to each qualifying unit which shall be valid when signed by the National Chairman.

Sec. 3: The National Secretary-Treasurer may accept memberships where there is no local unit. Such members shall be considered members at large. He may also accept memberships at large where there are local units.

Sec. 4: Each unit shall make a report of its activities to the National Chairman.

Sec. 5: Both local units and state organizations are empowered to choose their own officers subject to the approval of the National Chairman. Provisional and initial officers shall be appointed by the National Chairman who shall also make appointments to fill all vacancies. Local units may engage in all types of activities that are not contrary to the policies, platform and program of the National States Rights Party.

Sec. 6: All local units are subject to the state organization where such exists.

Sec. 7: Until such time as a state holds its own convention and elects its own officers, the National Chairman shall appoint a state chairman. Said state chairman can then appoint other state officers.

Sec. 8: All local units are encouraged to hold regular meetings, preferably every week, and actively participate in public affairs. State organizations should hold regular meetings.

Sec. 9: Local unit and state organizations should always bear in mind that the primary purpose of the National States Rights Party is to gain political power through the ballot. It is therefore vital that each group seek to qualify candidates for political office.

Sec. 10: Local unit and state organizations and any other subdivisions of this Party may not endorse candidates for public office either running under other party labels or as independents except with the approval of the National Chairman.

ARTICLE VIII
(Continued)

Sec. 11: All candidates running for public office on the ticket of the National States Rights Party must be approved by the National Chairman.

Sec. 12: Local units are required to keep the state chairman and the National Chairman informed as to all of their activities. Each State Chairman shall make a regular report concerning all phases of state activity to the National Chairman.

Sec. 13: Membership cards in the National States Rights Party shall be issued only by the National Secretary-Treasurer upon receipt of yearly dues. Each member of a local unit must be a member in good standing of the National States Rights Party.

Sec. 14: The National States Rights Party and its National Executive Committee members are not responsible for debts incurred by local units, state organizations, any subdivisions of the Party or any Organizer.

ARTICLE IX - INCOME

Sec. 1: Each member shall pay to the National Secretary-Treasurer such dues as the National Executive Committee prescribes and in the manner prescribed each year.

Sec. 2: Income may be derived as provided for in this Constitution and By-Laws or the National Executive Committee may obtain income from sources other than membership dues.

ARTICLE X - FINANCE AND ACCOUNTING

Sec. 1: The National Chairman shall cause to be devised, installed and operated a suitable budget system for the Party.

Sec. 2: The National Chairman shall cause to be installed and maintained an efficient system of accounting.

Sec. 3: The National Secretary-Treasurer shall make an annual financial report to the National Executive Committee who shall then audit the report.

ARTICLE XI - MEMBERSHIP AND DUES

Sec. 1: The National States Rights Party's desire is for members who will take an active part in building this Party; regularly read and distribute Party literature; attend meetings, support and vote for Party candidates; assist in placing this Party on the ballot; become candidates for public office and otherwise participate in furthering the cause of a free White America.

Sec. 2: The avowed aim of the National States Rights Party is to gain political power through the ballot and other peaceful means. Each and every agent-provocatuer who worms his way into our Party for the purpose of inciting to or advocating violence shall be immediately expelled by the National Chairman and such agent's

ARTICLE XI (Continued)

name, physical description and picture, if any, shall be publicized so that all members may be beware. Any member who advocates violence or any illegal acts is automatically expelled before action by the National Chairman.

Sec. 3: All members whose dues are paid for the current year and have a paid up membership card from the National Secretary-Treasurer and who are in otherwise good standing shall be deemed active members. Only active members shall hold office, hold membership in a committee, attend business meetings or vote on Party affairs.

Sec. 4: Until changed by the National Executive Committee, dues for members at large shall be five dollars per year, payment to accompany application for membership. Renewal dues are due on or before the expiration date on each membership card. If renewal dues are not paid by the expiration date, the member is not in good standing. If a member has not renewed his dues within three months following his expiration date, the National Secretary-Treasurer is empowered to drop said individual from membership.

Sec. 5: Each member of the National States Rights Party must have a membership card signed by the National Secretary-Treasurer.

Sec. 6: Each local unit shall remit to the National Secretary-Treasurer the yearly dues for each member on or before the expiration date on each member's membership card. The amount of the yearly dues will be determined from time to time by the National Executive Committee and also its division. The dues should be automatically sent by the local unit and it should not be necessary for the National Secretary-Treasurer to remind local units that membership renewals are due. Each local unit shall keep a record of membership and dues payments. The National Secretary-Treasurer shall give receipts to local units for monies received from said units.

Sec. 7: Each member, whether of a local unit or at large, may receive a copy of the Constitution and By-Laws, a membership card signed by the National Secretary-Treasurer and a subscription to The Thunderbolt, official organ of this Party.

Sec. 8: In states having a State Organizer or State organization, the National Secretary-Treasurer may remit part of each year's dues for each member in the state, as decided by the National Executive Committee, to the State Organizer or State Chairman to be used for Party work in the state concerned.

Sec. 9: Local units are empowered to set their own dues, providing five dollars or whatever amount is prescribed by the National Executive Committee is sent to the National Secretary-Treasurer.

Sec. 10: Local units and state organizations may raise money by whatever legitimate means they deem fit.

Sec. 11: Candidates for membership shall make written application. Such candidates, after being approved by the membership committee, shall be enrolled upon the membership books at the next meeting of the unit. If objection is made to any applicant by a member, then it shall require a majority vote of all members present for such applicant to be accepted as a member. Before any application can be accepted, it must be sent to the National Secretary-Treasurer. The National Secretary-Treasurer may approve or reject any application. An appeal from his decision may be made to the National Chairman.

Sec. 12: Collections may be taken up at meetings of the Party. Voluntary contributions from members and friends should be encouraged in order to strengthen the Party.

ARTICLE XII - LOCAL UNITS

Sec. 1: A local unit consists of three or more members of the National States Rights Party living in the same county. Each unit must have at least three officers as follows: Chairman, Secretary-Treasurer and Sergeant-at-Arms. Other officers may be added as the need arises.

Sec. 2: The Chairman shall preside over all meetings of the unit. He may call special meetings of the unit as the need arises, but must notify all members at least 12 hours in advance of any special meeting. He shall be in charge of the affairs of the unit with the exception of the duties assigned to the Secretary-Treasurer and the Sergeant-at-Arms. The Chairman is responsible for holding at least one regular meeting each month and one every week if reasonable. He shall appoint all committees and transact such other duties and business as are usual to the office of Chairman or that may be rendered by the Party. In addition to presiding over meetings, he should furnish active leadership to the local unit in its meetings and all other activities.

Sec. 3: The Secretary-Treasurer shall keep a true record of all unusually important proceedings of the local unit, including financial reports, but should not waste time on keeping minutes. He shall receive all monies due the unit and give his receipt for same. He shall keep a file of the membership of the unit and record their dues payments. He shall notify all members in arrears. He shall turn his books over to an auditing committee when asked by the Unit Chairman or the National Chairman to do so. He shall make a financial report to the Chairman each month. He shall make all payments authorized by the unit member-

ship, by the Constitution of the National States Rights Party or by the National Chairman.

Sec. 4: The Sergeant-at-Arms, subject to the instructions of the Chairman, shall have charge of the doors and only admit qualified members and invited friends to meetings. He shall open and close the meeting hall and assist the Chairman in preserving order when called upon to do so and shall perform such other duties as may from time to time be assigned to him.

Sec. 5: All unit members should be present at every meeting unless they have a valid excuse. A record of those present and absent should be kept. The rules of parliamentary law or Robert's rules of order shall never apply at any meeting. The Chairman shall determine the rules of order subject to the approval of the National Chairman.

Sec. 6: The Unit Chairman may place a time limit on any report of committees or the discussion of any subject, provided the time limit apply equally to all concerned.

Sec. 7: When a new unit is formed, provisional officers may be appointed by the Organizer of the unit, subject to the approval of the National Chairman.

Sec. 8: Any member who is disloyal to this Party may be expelled by the local unit or by the National Chairman. A hearing on a specified date must be offered to anyone accused of disloyalty to the Party and his failure to appear will constitute sufficient grounds for expulsion.

Sec. 9: The Order of business for Local Units shall be as follows:

(1) Chairman shall call meeting to order, (2) Christian prayer to open the meeting, (3) Members will sing the National Anthem, (4) Unfinished business, (5) Applications for membership will be voted upon, (6) Report of Committees, (7) Reading of communications from National Headquarters, (8) Report of Secretary-Treasurer, (9) Announcements, (10) State by Chairman about Party activities and general political developments in accordance with his duty to furnish active leadership, (11) General business, (12) Speeches, (13) A patriotic or military song or two, (14) Christian prayer to close the meeting, (15) Chariman will announce time of next meeting and close the current meeting by bidding members goodnight or giving them some other appropriate salutation.

ARTICLE XIII - COMMITTEES

Sec. 1: The Unit Chairman shall appoint all committees necessary for conducting the affairs of the unit and may remove members of committees at will. He may designate one member of each committee

to be its Chairman or allow the members of each committee to pick their own Chairman.

Sec. 2: The following standing committees are recommended: Membership Committee to maintain contact with all members of the unit; Organizing Committee to solicit new members; Educational and literature Committee to distribute Party and other racial literature and the Party's official organ known as The Thunderbolt; Phone Committee to phone members and friends to support the Party, attend meetings and vote in every election; Election Day Committee to transport members and friends to the polls to vote; Committee to contact like-minded people who write letters to newspaper editors, etc.; Welfare Committee; Committee to visit sick members; and Recreation and Picnic Committee. The Unit Chairman shall appoint other committees as recommended by the National Chairman.

Sec. 3: Special committees may be appointed by the Chairman of the local unit as the need arises.

ARTICLE XIV - ELECTION OF NATIONAL OFFICERS

Sec. 1: The National Officers of the National States Rights Party shall be known as and compose the National Executive Committee. Members of the National Executive Committee shall be elected by the National Convention of the National States Rights Party every four years beginning in 1960. Preceding the election by the National Convention, the National Committee shall nominate a slate of candidates to be National Officers. Their slate shall be presented to the National Convention as the choice of the National Committee. The floor will then be open for additional nominations. There will then be a vote.

Sec. 2: The National Committee shall be composed of all officers at all levels of the Party, including organizers, such as members of the National Executive Committee, State officers and local unit officers, but not members of standing or regular committees of local units.

ARTICLE XV - OFFICIAL ORGAN

Sec. 1: The official organ of the National States Rights Party shall be known as The Thunderbolt.

Sec. 2: No publication or other printed material using or bearing the name of the National States Rights Party shall be issued by the National States Rights Party, its state organizations, its local units or by individual members except with the approval of the Director of Information or the National Chairman.

ARTICLE XVI - CHARGES AND TRIALS

Sec. 1: The National Chairman shall have the right to suspend or expel any member for cause. Any member who is suspended or expelled shall have the right of appeal, within thirty days, to the National Executive Committee.

ARTICLE XVII - EMBLEM, FLAG AND SLOGAN

Sec. 1: The emblem of the National States Rights Party shall be the Thunderbolt.

Sec. 2: The slogan of the National States Rights Party shall be: Honor, Pride, Fight - Save the White.

Sec. 3: The flag of the Party, other than the Stars and Stripes, shall be the Thunderbolt.

ARTICLE XVIII - REVOCATION OF CHARTER

Sec. 1: The charter of any local unit or state organization may be suspended or revoked by the National Chairman. Revocation of charter may be appealed to the National Executive Committee whose decision shall be final.

ARTICLE XX - AMENDMENTS

Sec. 1: This Constitution and By-Laws of the National States Rights Party may be amended by a two-thirds vote of the National Convention.

THE THUNDERBOLT

THE WHITE MAN'S VIEWPOINT

Headquarters Moves To Birmingham N. S. R. P. To Open Campaign Office

ANNOUNCEMENT: ALL CORRESPONDENCE SHALL HEREOFORTH BE ADDRESSED TO THE NATIONAL H.Q.
NATIONAL STATES RIGHTS PARTY

P.O. Box 783

Birmingham, Alabama

All mail to The Thunderbolt, Lloyd Martin, Dr. Edward R. Fields and the other National Officers shall be addressed to P.O. Box 783 Birmingham, Ala. Our National Secretary Ned Dupes, will continue to process membership applications from his office at, P.O. Box 2161, Knoxville 1, Tenn.

The National States Rights Party has made an extensive survey of every major city in America. Birmingham, Alabama is the most Race conscious city in America. We have more people, supporters of this cause, in the city of Birmingham than any other locality in America. The local populace want our new movement because only we have a concise program for all White America. Birmingham is made up of a tough, industrial working class, determined that race-mixing will nevertake hold of their city. Birmingham is the perfect location for permanent N.S.R.P. headquarters. Therefore the following steps will be placed in effect.

The N.S.R.P. and its staff will move this month, June, lock, stock & barrel from Jeffersonville, Ind., to Birmingham, Alabama. A large office & center will be opened. The Thunderbolt banner will fly in the streets of Birmingham, Ala. The great masses of the people in Alabama have been generally indoctrinated by the many T.V. broadcasts of Admiral John G. Crommelin. The National States Rights Party will force the sell-out Democratic & Republican parties off the political scene. Our headquarters will be in a large building. The front office will house the campaign H.Q. for Governor Faubus & Admiral Crommelin. A large banner proclaiming, "Faubus For President" will drape the entrance. Great amounts of patriotic literature will flow from this office. There will be an inner office for private conferences. There will be a meeting hall connected with the building.

Regular mass meetings will be held in Birmingham. The Thunderbolt banner will fly in front of the N.S.R.P. office over the street. Great public speakers will be sent out all over America from Birmingham. This will be America's greatest Whiteman's center in the very heart of the White South. The force which saves all America will reach out its saving hand from Birmingham to save the Whiteman lost in the mongrel cesspools of other cities.

OBJECTIVES OF THE BIRMINGHAM OPERATION

- 1) Operation of a National Faubus For President Headquarters.
- 2) Educate the great loyal White masses to the principals of NSRP.
- 3) Organize the Whiteman into tight political Units.
- 4) Place candidates in local elections under the NSRP banner.
- 5) To save America, we must first elect an NSRP slate in a major American city.
- 6) When we are elected to office in Birmingham, we will be in position to elect the next Governor of Alabama. When we have Alabama, we can branch out and elect real White men to office all over the South.
- 7) Our final goal is complete and absolute political power in America.

SPECIAL NOTICE

The N.S.R.P. is NOT interested in converting either the Democratic or Republican parties back from the extreme left to a rightist-conservative stand. We want to elect our own men to office and kick the traitors out. We are NOT trying to win a compromise with the race-mixers or win a stalemate in this fight. We are only interested in total and absolute victory for the Whiteman in America. There can be no compromise in this struggle. This will either be a White America or a Black America.

The N.S.R.P. is not a debating society. This is a political action movement, bent on electing loyal Whitemen to office. We are dedicated to freeing America from the treasonous sell-outs who are destroying the Whiteman's Bill of Rights & our other White Liberties. (Continued on page 4.)

House, Senate Groups Defied By Negro Red

By The Associated Press

Washington, Feb. 3.—A Negro Communist leader scowlingly refused to answer question after question and flung out a string of defiant charges in separate appearances before Senate and House committees Wednesday.

Members of neither committee moved to rebuke the witness, Benjamin Davis, Jr., national secretary of the United States Communist Party since December.

Davis first went before the Senate internal-security subcommittee, which is trying to determine whether any change in policy can be expected from the party's regime.

Tears Into Eastland

Davis said the subcommittee "seeks to convict people without proper proceedings." Then he tore into the subcommittee's chairman, Senator James O. Eastland (D., Miss.), who was not present.

Calling the senator "one of the worst Negro haters, and of Jewish people as well," Davis said Eastland "ought to be thrown out of Congress."

Davis said the senators lacked authority to pry into his political views and "will get no cooperation from me."

Then Davis went before the House Committee on Un-American Activities, which is investigating Communist activities and propaganda among youth groups.

Yet, in the photo reprint below from the Negro "Jett" magazine, secret police boss J. Edgar Hoover whitewashes the Negroes & encourages more attacks on White Rights.

THE U.S. COMMUNIST PARTY, NAACP, CORE, ARE ALL FILLED WITH NEGRO COMMUNISTS.

FBI Chief Commends Negroes For Snubbing Reds
When charges were leveled that Negroes demonstrating in the South were Communist-inspired and dominated, FBI Director J. Edgar Hoover told Congress: "This generation and generations to come for many years owe a tremendous debt to our Negro citizens who have consistently refused to surrender their freedoms for the tyranny of Communism."

Both of the articles below are also from Jett. Hoover's snoops are out harassing & intimidating White voting officials all over the South. Hoover claims he will see to it that every uneducated, backward, illiterate & unqualified Negro votes.

FBI Investigates Jim Crow Voting In Georgia

An investigation of segregated polling places in Bibb, Fayette and Peach counties in Georgia was conducted by the FBI to determine if Negroes were being denied their Constitutional rights. The inquiry grew out of testimony before the Senate Judiciary Committee by Macon lawyer Charles J. Bloch, who acknowledged that voting procedures were different for whites and Negroes in his county.

FBI Probes Birmingham Cleric's Arrest

FBI agents in Birmingham, Ala., were investigating Presbyterian Rev. C. Herbert Oliver's complaint that police dragged him from his home nearly naked and threw him into jail for a night without filing charges. The father of three who pastored interracial churches in Maine for five years and moved to Birmingham early this year, said his "crime was talking to students at a local college," some of whom participated in a sit-down demonstration.

We wish to congratulate Police Commissioner Eugene Connor for arresting Red Negro agitators in Birmingham. Connor also ordered his men not to talk with snooping FBI troublemakers. We urge more Southerners to take his stand. Strange as it may seem, a puny little group in Fla., called the "White Sentinel," has a perverted idea of what this fight is all about. They actually ran an article urging J. Edgar Hoover for president! Even the Socialist Democrats-Republicans have not even

ARE WOLFS LISTED AS SUBVERSIVE ?

IN THE APRIL ISSUE OF "THE WHITE SENTINEL", Forest Wolf denounced a White Supremacy group named The Columbians. The Columbians disbanded in 1946 in Atlanta, Ga., after much persecution at the hands of Mayor William B. Hartsfield, a captive of the Jew-Negro bloc vote. At that time, the pro-Communist Attorney-General of the U.S. was illegally using his powers to list patriotic groups as subversive. No finer Whitemans group ever existed than The Columbians. The same red Attorney-General placed some patriotic Klans on "subversive lists", as well as other anti-red groups. At that time you could tell who a patriot against communism was by examining those who were placed on the list during and shortly after World War II, while traitors in Washington had America allied with Communist Russia. There was no shame in being on that list during those years.

During the Korean War, Roger Wolf, son of Forest Wolf, went into the Armed Service. It seems that the Armed Forces keep their own list of undesirable organizations. Anyway, Roger Wolf was kicked out of the U.S. Army for being a member of the "National Citizens Protective Asso.," official organization of The White Sentinel, and headed by none other than FOREST WOLF himself! We are publishing these sensational facts for the first time, because the Wolfs have long sought to conceal the true story. But even more amazing, is that the man they sent to Washington to defend their son at a closed hearing, was none other than JOHN W. HAMILTON, the man they now stab in the back, and declare that they knew only BRIEFLY. (That is they worked under Hamilton for nine (9) "brief" years.) The Wolfs are lying hypocrites, they denounce "The Columbians" for being on the Attorney Generals list, WHEN THEY THEMSELVES ARE LISTED BY THE U.S. ARMED FORCES!

We should point out here that the National States Rights Party has several members on duty with the U.S. Armed Forces. Your editor, Lloyd Martin shall soon graduate from college & enter the Armed Forces in the service of his country. None of our members have ever been kicked out of the U.S. Armed Forces for being members of the N.S.R.P.

ONE MORE NOTE: The Wolfs keep screaming about their old friend of 9 "brief" years, John W. Hamilton being arrested in 1956. WHAT THEY CONVENIENTLY FORGET TO MENTION IS THAT THEIR OWN SON ROGER WOLF WAS PLACED UNDER ARREST AT THE SAME TIME AND TAKEN INTO CUSTODY ALONG WITH JOHN W. HAMILTON!

These are the people who cast stones at others & seek to hold back the NSRP wheels of progress. Their senseless attacks are like dropping a pebble in the ocean. The great waves are unmoved by the tiny ripple. The NSRP cannot be stopped by the puny lies of phony patriots.

sunk as low as the Wolfs. They are not even considering nominating J. Edgar Hoover for President. Yet, the Wolfs go on praising Hoover, the South's number one enemy.

The Constant Companions

HAS YOUR PREACHER STARTED RACE MIXING YET? OR DOES HE INTEND to bring the negroes in at a later date? The press has been filled with resolutions, statements and advice from ministerial associations and other church groups denouncing the Whiteman's God-given right to intelligently discriminate in choosing his own associates. The modernist preachers are perverting the true meaning of Christianity. The Bible clearly states that the species were created to reproduce after their own kind and God saw that it was good. Those who preach race mixing are preaching against the laws of God and nature. We can be thankful that, of late, there has been an uprising of patriotic and fundamental preachers against race mixing. The honest preachers, who believe in racial integrity, are mainly led by Parson Jack Johnston and Rev. Billy James Hargis. These courageous Christian leaders have exposed the Jewish revised (RSV) version of the Christian Bible; they have also exposed the Communist influence in many seminaries which are turning out atheistic, brain-washed, preachers. The recent expose of communists posing as preachers by the truthful Air Force Manual, along with Dr. Burnett Magruder's denunciation of red clergymen, has done much to put the spotlight on communism in the pulpit.

If your preacher starts integration nonsense in your church of any kind, waste no time in speaking out in protest. Demand that the congregation, or church officers, remove him immediately. Only through outspoken action can Christianity be saved from more corruption and destruction at the misguided hands of modernist integrators.

Note Dr. Fields letter, at the right, to the press. Write your daily newspapers and your Church publications today and give them your views on race mixing in the Church. Let them know that you will never go to Church with negroes.

THE PERFECT IDIOT. Look at the picture at the top right of this page. Notice the blank facial expression and glaring stare of Rev. Barbour. He is obviously insane. His simple-minded expression can be found on the faces of most race mixers. The nutty integrationist has such a fanatical hatred of the White Race that he encourages the British royal family and his own children to commit racial suicide by intermarrying with negroes. Genuine Christians will not follow the Judas goats down the road to racial self-destruction.

The Rev. William H. Barbour, Presbyterian clergyman of Newcastle-on-Tyne, England, in his parish magazine has urged Queen Elizabeth to encourage her children to marry into colored families.

RACE MIX URGED IN ROYAL FAMILY

NEWCASTLE, England, Feb. 15 (Reuters).—A Presbyterian minister suggested here Monday that members of the British Royal family should marry colored people to help eliminate racial discrimination.

Writing in his parish magazine, Rev. William Barbour said: "Christian people must not be unwilling to marry Africans, Chinese and Indians. It would make a wonderful difference if the royal family themselves would think about marrying colored people."

Speaking to reporters Monday night, Rev. Mr. Barbour added: "I can see no reason why, for example, Prince Charles or Princess Anne should not marry Buganda royalty (in the East African protectorate of Uganda) if they fall in love. Color just does not matter and I mean no disrespect to our royal family."

"I have a boy of 14 and a girl of 10 and if they decided to marry colored people I shall have no objections if their partners fulfill normal standards a father would look for."

Disagrees With Clergy

To the Editor of The Courier-Journal:

It is interesting to note that certain ministers in the local ministerial association were able to push through a resolution attacking the decent policies of Louisville theaters and restaurants which keep the races segregated. Why don't those preachers practice what they preach? Why don't they start mixing their congregations? Are they afraid their white members would walk out? They would then be able to speak with a little knowledge on the subject.

I believe those ministers want everybody to integrate except themselves. Also, don't those "pious" race-mixing preachers still believe in their time-honored cry of "separation of church and state"? Why are they now denouncing our courageous and respected Board of Aldermen? The aldermen are doing their duty in giving the people of Louisville freedom of choice in deciding with whom they wish to associate. It is Communism and Fascism to force people to mix against their wills. Is that what those preachers believe in? I say that those preachers should get out of politics and start reading their Bibles for a change. Thank God for patriots like Dr. Burnett Magruder who have the courage to denounce the leftist, pro-Communist trend among the clergy.

Louisville.

EDWARD R. FIELDS.

Members and supporters will be welcome at the National Campaign Headquarters at all times. We hope many of you will drop by and visit us on your summer vacations in the South. We will try and publish pictures of the office in a future edition of The Thunderbolt.

A political movement must go forward. We cannot stand still or we will slide slowly backward. Therefore the leaders of the N.S.R.P. movement have decided to march forward. The task before us is a tremendous one. Funds are needed now, more than ever before. We have adopted this program of action, with the knowledge that all Party members and supporters will stand with us in this fight and help us carry it directly to the enemy. The forthcoming hours, days and weeks are times of great decisions. The Segregation line running from South Carolina, Georgia, Alabama, Miss. and Louisiana must not be broken. Future months will prove historic in the struggle to preserve White America. THE SOUTH

MUST NOT FALL. When we save the South, we will save all America! The enemy is hell-bent on destroying the White Race. BUT, THEY SHALL NOT SUCCEED. The Birmingham operation will have the effect of uniting the Southern battle lines of resistance. We will be located in the very heart of the White South. Atlanta and Birmingham are the two great Segregation strongholds that must be saved in order to provide us with the TIME ELEMENT, which is so vital now, so that we may re-group, and roll back the evil gains of the satanic race-mixers.

We are getting on the ballot in every state possible. We must send representatives to advise local Units on how to place Gov. Faubus and the NSRP ticket on the ballot. Petitions are printed & being circulated. We have able, dedicated workers. We can do much if we have the funds to fully take advantage of the tremendous opportunities this election is affording. It is now, (as required by law) that we must get on the ballot, not a few days before the election. The coming 6 months are a time of crises. We must have funds coming in each month on a regular basis, that can be depended upon to take care of the expenses incurred. We must be able to count on a certain amount from you, our regular supporters. This is a 6 month struggle when all out energies must be placed behind the wheel, to place the Faubus ticket on the ballot. How much can you give? How much are you willing to give? The AMOUNT of the contributions will determine how much we accomplish. Enclosed with this issue you will find a "SIX MONTH CAMPAIGN PLEDGE CARD." We want every supporter to send in his card & give regularly for the next 6 months. You will receive regular reports on our progress, telling just what your donations are accomplishing. We know that you will stand with us. Let us hear from you at our new National Headquarters in Birmingham, Ala. Is America worth saving? Are beautiful White children worth saving? Now is the time to stand up together. Send your donation with your pledge card tonight. We are waiting to hear from you. Pass us the ammunition and we will conduct a political campaign which will change American History.

Faithfully Yours

Negro-Jewish meeting urges common cause

LOS ANGELES — Unity of Negro and Jewish minorities in the fight against bigotry and racism was the theme of last Sunday afternoon's meeting at Institutional Baptist Church, 6524 S. Main st., when members of Emma Lazarus Jewish Womens clubs and Los Angeles Jewish Cultural and Fraternal clubs were guests of Rev. L. D. Revoal, pastor, and his congregation.

Rev. Revoal was an invited speaker Feb. 21 at the Alexandria Hotel Protest Rally Against Anti-Semitism and Nazism, sponsored by the two Jewish groups. Sunday, the Negro minister returned the compliment, introducing as speakers Dr. Sanford Goldner, Cultural clubs executive secretary, and Mrs. Blanche Spindel, the Emma Lazarus president.

Recounting events in West Germany that foreshadowed world-wide anti-Semitic outbreaks recently, Mrs. Spindel told the meeting that "freedom

of any minority rests on freedom of all others."

Dr. Goldner linked Negro and Jewish struggles in the U.S. Pastors of several Negro congregations who were in the audience responded briefly.

Said Rev. Revoal: "This is a good beginning. It needs to be followed up with many more such meetings."

Jews Picket Woolworth's

NEW YORK N. Y.—Forty officers and members of the American Jewish Congress, picketed the F. W. Woolworth store at Fifth Ave., and 39th St. recently in a demonstration protesting lunch counter segregation in the South. Dr. Joachim Prinz, national president of the American Jewish Congress, led the picketing from 12:30 to 1 p.m. A spokesman said the American Jewish Congress demonstration is believed to be the first such protest made by a national Jewish body in sympathy with the negro sit-down movement in the South.

Jews AGITATE THE IGNORANT NEGROES!

The above article is photo-reprinted from the "Peoples World," official organ of the California Communist Party. The Communist Jews are fomenting a Negro war against White people. The Jew is solely responsible for the insolent Negro rebellion against all that we have given him in our vain attempt to civilize these cannibals from darkest Africa. If there were no Jews in America, there would be no Negro problem. The Jew is financing the Negro; Organizing the Negro, paying off the White sell-outs, and is completely and wholly responsible for the race-mixing menace in America. Inform your neighbors of these facts.

"Now - The All Out Attack"

The National States Rights Party has made more progress in the last 60 days than any like period in our history. Even though we have not been conducting any special membership drives, more new folks joined the NSRP in the last few weeks than in any other period. Also, there has been a noticeable influx of prominent business people and political leaders into our ranks. The Press and T.V. have been forced to take note of our tremendous gains. Our newspaper and other NSRP literature is in fantastic demand. It has become impossible to answer all the wonderful, encouraging letters pouring into Party Headquarters. We want to take this opportunity to thank you for your contributions. All mail is being received safely, so keep up the fine support.

One of the original founders of the States Rights Party Movement was the great patriot and statesman, Leander Perez of New Orleans. All patriots should take close note of the article on page 4 of the Thunderbolt. His charges, that the Zionist Jew is behind the communist and race-mixing conspiracies, are of extreme significance. It means that men of prominence and political importance are coming out in the open with the truth. The enemy is seeking to silence Perez, because they fear the truth he speaks will spread. We of the will you help/

Rights Party Qualifies In Alabama

FROM PRESS REPORTS
MONTGOMERY, Aug. 18—A new political group, the National States Rights Party, qualified today with Secretary of State Bettie Frink.

The group, chairmaned by John D. Knowles of Opelika, filed a list of 11 presidential electors with the secretary of state. The electors were chosen at the party's convention May 3 at Opelika.

The States Rights group, using the thunderbolt as its symbol, is the fifth party to list a slate of electors in Alabama.

The National States Rights Party qualified earlier with Mrs. Frink as did the Democratic and Republican Parties.

The States Rights group chose as its electors Knowles, Ernest Wilson, Jack Andrew Tomlinson, Mrs. Lila Evans, Lodwick H. Bartee, Annette M. Bartee, George E. Allen, Therman DeLee, Willie Bazzell Garrett, Lee J. Crowder and Sanford D. Rudd. Crowder also serves as party secretary.

The party platform demands that the Federal government stop:

"Interfering with the sovereign rights of the states as guaranteed by the constitution.

"Issuing decrees which violate state sovereignty.

"Fostering thought-control and refrain from violating the traditional social customs of the individual states."

It demands that all Federal control be removed from the National Guard and state law enforcement.

New Names Added To Faubus List

The Faubus-for-President movement in Hillsborough County has succeeded, said his chief backer here, and the Arkansas governor's name will appear on the ballot in November.

Joe Manning, real estate man and defeated candidate for Tampa mayor in the last city election, said he sent the names of 11 registered voters to Tallahassee yesterday—ten more than is needed.

An earlier petition, with 24 names, was one short of the 25 names necessary to qualify electors to put Faubus on the ballot under the banner of the National States Rights Party.

Manning said other counties will have Faubus electors, too, "about 27 of them, I expect."

Faubus Supporters Delay Signatures

TALLAHASSEE (AP) Florida

The state chairman of a group pushing Arkansas Gov. Orval E. Faubus as a presidential candidate said a drive in behalf of Faubus would be intensified in Florida if the unpledged elector plan goes out the window.

W. B. Burch of Killarney said his group had been holding back on filing petitions to put Faubus' name on the ballot pending a decision on a special legislative session to provide for unpledged electors.

BURCH SAID HIS group had about half of the required 7,500 signatures to petition to place Faubus' name on the ballot.

He said he had about 300 names have been filed with the secretary of state's office to date.

"PEOPLE WILL vote for this third party ticket who would not otherwise vote at all," he said. "And once they get to the polls, they'll vote Democratic on the state level."

Sen. Adams added he believes the States Rights party, headed by Gov. Orval Faubus of Arkansas, will gain enough Florida signatures before its Oct. 1 deadline to be entered on the ballot Nov. 8.

"It is being created," he said, "because of the great disgust in Florida with the national Democratic platform."

"But we have made our position clear, and I believe we are going to rally our people to the state ticket."

ADAMS WAS introduced to the community gathering on the shore of Starke Lake, and in the shadow of the American and Confederate flags that waved over the mobile platform, accepted a key to the city from Mayor John Minor.

One legislator, Rep. Troy Peacock of Jackson County, said that if the unpledged elector plan is dropped he plans to vote for Faubus.

"I believe the Faubus slate will provide a place to go for those people in Florida who can't accept the Democratic platform," Peacock said.

"It won't be as satisfactory as the unpledged elector plan, but it will give those who don't like the Democratic or Republican platforms a chance to register their disapproval."

Petitions being circulated for Faubus call for him to run under the banner of the National States Rights party. His running mate would be retired Adm. John Crommelin of Wetumpka, Ala.

No Choice? Here's Orval

The excuse for calling a \$10,000-a-day special session of the Florida Legislature, never any stronger than a frayed straw, snapped yesterday.

That excuse was that voters dissatisfied with the Democratic and Republican platforms and candidates have no other choice; so the Legislature must be reconvened to put on the November ballot a slate of Presidential electors pledged to no party and no candidate.

But now another group of dissidents is circulating petitions for a third-party ticket composed of Governor Orval Faubus of Arkansas and retired Admiral John W. Crommelin of Wetumpka, Ala. No special legislation is needed to place these candidates of the

ticket on the ballot. It is necessary to get the names of 7500 voters from 34 counties with Secretary of State Gray before Sept. 1—surely a simple task.

No one can deny that a Faubus-Crommelin ticket would give Florida voters a wider choice in November. Faubus is the Governor who "interposed" the National Guard against the federal court in Little Rock; it didn't stop school integration, true, but it did get him reelected and made him a hero of the extremists. Crommelin, a frequent candidate for office in Alabama.

W. B. BURCH OF KILLARNEY, veteran Orange County citrus grower, has been named Orange County chairman of the National States Rights Party which is trying to get organized in time to get candidates on the November ballot.

Secretary of State Bob Gray wrote Burch that the organization had until Oct. 1 to get their petitions before him so that the party could be recognized and its candidates placed on the ballot.

Prior information had set the deadline Sept. 1. Burch has better than 1,000 Orange County names on petitions.

He's traveling around the state collecting signatures. The state convention of the delegates of the Citizens' Councils is expected to endorse the third party at a meeting here Aug. 14 at Pierce's Restaurant.

Pickets blast papers, store about mixing

HOUSTON, Tex., Sept. 2—A lunch counter integration at Foley's Department Store was protested last night by pickets who marched around the downtown store.

Police counted 17 persons carrying 25 signs with such slogans as: "Foxy on Foley's," "I'd die for Dixie," "This store unfair to white folks," and "The Houston papers betrayed the people."

Newspapers and radio stations carried no advance notice of plans of a group of Houston stores to end segregation eating services last week.

there is no other choice, Virginia, Tennessee, Delaware, Kentucky, Arkansas and elsewhere. In Florida, the big battle is being waged. Many experts feel the National States Rights Party can carry Florida once on the ballot. We must have 7,500 registered voters sign States Rights petitions by October 1st. Since many folks sign who are not registered voters, we must get at least 10,000 names including the ones that will be rejected. The States requires that 10¢ be paid with each name filed, that means at least \$1,000 will have to be paid the State. WE HAVE ALREADY ACHIEVED HALF THAT GOAL.

To get on the ballot in the pivotal state of Florida is of the utmost importance to this movement. ALIFlorida's supporters of States Rights should circulate these petitions and try and collect 10¢ from each signer to be paid your county election supervisor for checking the names. As quickly as the petitions are filled, turn them in immediately to said local county election supervisor. BE SURE AND TELL HIM TO CERTIFY THE NAMES TO THE SECRETARY OF STATE. Then write or phone Mr. W. B. Burch, Chairman of National States Rights Party Killarney, Florida, to let him know that your petitions are filed. All those who need more petitions please write or phone long distance immediately, Mr. W. B. Burch, Killarney, Florida. It is urgent that you get these petitions and have them filled in without delay. October 1st is the deadline, but petitions must first be checked by your election supervisor, so time is running out. Let's get to work and we will carry Florida, November 8, September 27 should be considered as our deadline on filing out petitions in your county.

Governor Of Louisiana Defies U.S. In TV Talk

BATON ROUGE, La. (UPI)—Gov. Jimmie H. Davis warned on a statewide telecast Thursday night he will use interposition, if necessary, to block a federal court order to integrate New Orleans schools Sept. 7.

Davis said it is "time the sovereign states took a hand" to preserve segregation and state sovereignty "without prejudice, without compromise and without violence."

"Our United States Constitution provides that all rights not specifically delegated to our federal government are reserved to our sovereign states," Davis said. "Now come those who say our Constitution means something else."

"I did not create this issue. But I will not sidestep it. It has fallen my lot to be chief of state at a time when we must test those principles upon which our republic was founded."

Davis disbanded the New Orleans School Board and took control of the schools last week in an effort to block a federal court order to integrate at the first grade level this fall.

Davis could defy any deci-

sion the federal court makes, claiming immunity as governor of a sovereign state and forcing a court test of the extent of his powers by interposing his office between the federal courts and the schools.

Sikes Sees Armed Dixie Rights Fight

MILTON, Aug. 21 (U.S. Rep. Robert Sikes, of Florida, said yesterday the people of the South may have to take up arms in defense of their rights.

The Crestview congressman made the statement in remarks at a game management preserve meeting.

"If a man attempted to violate the rights of my home tonight, I would take up a shotgun and protect myself," Sikes said. "That is what may happen to the more than 40 million people of the South, and it may come sooner than you think."

Sikes said also he was disturbed over "minority rule in this country."

"I say to you, the rights of 40 million people can't be taken away from them by these minorities."

Sikes criticized both Republican and Democratic platforms.

JACKSONVILLE MINUTE MEN ON GUARD

On August 28th Negroes rioted against Whites in Jacksonville, Fla. They drove through white areas wildly firing guns and throwing fire bombs into white business places. This was in retaliation against the breaking up of Negro sit-ins and picket lines by patriotic White defenders. But, the Whitemen was not going to take such violence lying down. They armed and stood vigil in every white block near the Negro trouble spots. One Negro car swung into a white section firing guns into white homes. They were stopped by the accurate shooting of two white policemen and three armed white filling station attendants.

The Negro was dead. News of this action quited down the rebellious Negro community and the fighting stopped. Why did the battle cease -- BECAUSE WHITEMEN STOOD GUARD THAT NIGHT -- Because, when Negro rioters marched, the Whites jumped into cars and drove through the neighborhood, shouting, "Arm yourselves, the niggers are coming." (Just as Paul Revere rode awakening citizens that the red-coats were coming).

The Negroes were stopped and put back in their place. Stabbings, rapes, sit-ins, etc., etc., have stopped because Whitemen were armed and on guard that night.

How about you and your neighbor?

How about you and your neighbors? Are you ready in case of a Congo type attack on your street? Remember, the U. S. Constitution guarantees you the right to keep and bear arms in defense of your home and family. No law or city ordinance can legally be passed prohibiting this right. As long as your gun is carried openly (not concealed) you are within your rights. Jacksonville citizens sleep safely and soundly tonight because their Whitemen were ready and on guard that turbulent Sunday night.

Northerner Praises 'Mississippi Image'

A letter received recently by Tom Ethridge, columnist for the Jackson (Miss.) Clarion Ledger, provides a new outlook on the Poplarville incident.

"To millions of uneasy Yankees, believe me," says the writer from New Jersey, "the old Mississippi is the glamour girl of the nation. Sure, she's lied about (what queen isn't?) but so fantastically different that she keeps her detractors in a screaming frenzy, fit to be tied."

"The sheer audacity of the Poplarville incident proves that there are men in the Deep South who will fly into the face of Hell and the United Nations and put a check under them both—men who will defy airborne divisions and the legions of Hyde Park's Black Widow and be termed cowardly criminals."

"Surely no sane man would risk his life to shield an obscure, frightened, outraged young mother from the claws of the NAACP, from the spotlighted grilling by a Negro lawyer, from the sneers, leers and befouling lenses of Life, Time, Look, Ebony, CBS, NBC, UPI, AP—but they did it in Mississippi."

Viewers Term Ben Hur As Propaganda

Persons who saw the movie Ben Hur currently showing here in a Jewish owned theater say that while it is a beautifully filmed cinema, it boils down to being merely cleverly conceived and skillfully executed Jewish propaganda such as continually batters the public via the movies, tv and pinko press.

Having one of its ad slogans as "A Movie of the Christ", the picture, they said, sets out to fully exonerate the Jews from their responsibility for the crucifixion of Christ via the whitewash of omitting prime parts of Biblical accounts.

Played up are the splendor, grandeur and cruelties of the Roman Empire, the trial of Christ before Pontius Pilate left out as the Jews howled for his blood. Scenes magnify the role of the Roman soldiers in the actual crucifixion while Jewish priests are shown in on aside apparently in a role designed. Incorrectly to portray sympathy.

Invitations were sent to leading Jews for the grand opening last week. The story was that Cadillac were parked bumper to bumper in nearby garage installations. They all said they thought it was a wonderful picture.

NEW YORK (AP)—Roy Wilkins, executive secretary of the National Assn. for the Advancement of Colored People, said Sunday both the Republican and Democratic party platforms indicate "the Negro stands to gain no matter which party wins."

Sen. Jacob Javits (R-N.Y.), who appeared with Wilkins on the program, said the GOP this year adopted the strongest civil rights plank in its history, but conceded that he was not entirely satisfied with it.

Negro Bloc Votes Elect Governor In North Carolina

Bloc-voting Negroes have elected a governor in North Carolina.

Terry Sanford won the Democratic gubernatorial runoff in the June 25 election by a margin of some 77,000 votes over Dr. I. Beverly Lake.

But, acknowledged Time magazine, Sanford "got overwhelming support from North Carolina's 160,000 Negro voters."

Dr. Lake, a prominent attorney who campaigned on a program of constitutional government, States' Rights and segregation, drew 275,512 votes from North Carolina whites. He had promised to "create a climate of public opinion in strong opposition to integration."

Sanford and Dr. Lake were at opposite poles on the issue of race relations, Time reported, hailing the Sanford victory as "a clear mandate for moderation."

Lake's campaign forces noted that the NAACP-directed bloc voted as if one master pen stroke from New York City had marked all of the Negro ballots in the state.

North Carolina political analysts declared that Dr. Lake was actually the choice of white voters by a 32,000 margin, but lost the governorship due to Negro bloc voting.

The Durham Morning Sun reported: "Durham's five Negro precincts voted 3,600 votes for Terry Sanford and only 28 votes for Dr. Lake."

Reporting on three Negro precincts in Greensboro, the Greensboro Daily News listed one Negro box as giving Sanford 836 votes to only 4 for Dr. Lake. Another Negro precinct favored Sanford by a margin of 1,392 to 2, while the third gave Sanford all its 657 votes, with none for Dr. Lake.

The total Negro vote in Greensboro was 2,885 for Sanford, 6 for Lake. Similar tabulations were reported from elsewhere in the Tarheel State.

Nixon Down South

Vice-President Richard Nixon shakes hands with a group of well-wishers after his arrival at airport in Greensboro, N.C., on campaign trip into the South.

Nixon Invades the South With Civil Rights Pitch Mixing Hasn't Raised The Cultural Level Of Negroes,

Dr. Matthew Tayback, Baltimore's assistant commissioner of health, told a conference of school principals that integrated schools "can make no claims to be successful in solving the problem of social disorganization among Negroes in Baltimore."

Dr. Tayback based his statement on illegitimacy rates, which he considered a prime indication of social instability.

The health official told the June 28 meeting that during 1959, adult Negroes born and raised in Baltimore and Maryland gave birth to a greater percentage of illegitimate children than did Negro women born and raised in the Deep South.

He said 40 per cent of the births among native Maryland Negroes were illegitimate in 1959, compared to 25 per cent among Negro women in the South.

Dr. Tayback warned that unless the problem of social stability is solved, it will confound and defeat every

ability of the schools to show Negroes how to adapt themselves to family relationships and a form of behavior that is consistent with the needs of a modern, urban society."

He said that 50 per cent of the 171,000 children in Baltimore's public schools this September will be Negroes. By 1970, he predicted, half of the city's population and 70 per cent of the school enrollment would be Negro.

Dr. Tayback, in effect, admitted that the South's segregated schools have done a better job raising Negro standards than has Baltimore's integrated system.

After the meeting, some school officials said they thought Dr. Tayback had assigned too much responsibility to the school system for changing what they called "a deeprooted cultural pattern." Presumably, they meant that illegitimacy among Negroes is such a pattern.

Negroes Threaten To Drive Whites Out Of U. S. Soon, N. C. Defenders Are Told

The Negro race will drive the whites from the United States unless more white Americans awaken, an audience of North Carolinians was told this month.

Bernard Dixon, a state director of the North Carolina Defenders of States' Rights, told members of the group, meeting at Yanceyville, that white Americans in the United States will be faced with the same crisis as the whites in the Belgian Congo.

Speaking at the Yanceyville courthouse July 9, Dixon said: "We will be driven from our great country unless we form a united front against the NAACP. We must get more people to join our segregation organizations, or a few crackpots, carpet-baggers and scalawags, along with the Negro, will soon have full control of our country and its governments, as they almost have now of our federal government."

Turning to the recent gubernatorial race in North Carolina, Dixon continued: "The Negro bloc vote was

responsible for a 'moderate' being elected for Democratic nominee for governor of our state. This could not have been accomplished if the white people had been well organized."

Dixon pointed out that the black race is outbreeding the white race. This is largely due to their high rate of illegitimacy, he said.

"Welfare money is being handed out to Negro girls with six and more illegitimate children," Dixon declared. "It is very important that we have a stop, or at least more curbs placed, on welfare money for illegitimacy."

He concluded, "I call on every white person in this audience to do everything within their power to help us preserve the white race. We can help by subscribing to patriotic publications, talking to every person we possibly can about the seriousness of the integration threat, and by cooperating and lending assistance to our segregationist friends in every way possible."

'Neither Platform Recognized the Most Important Current Event in Race Matters'

WASHINGTON — Strictly speaking, the civil rights planks of both parties were not "liberal" — they were Victorian.

Midcentury prudery about the facts of races, as Carleton S. Coon once wrote, is not much different

from turn-of-the-century prudery about sex. The Democratic and Republican platform writers primly refused to take into account what was going on all around them — and what every schoolchild ought to be taught. Neither platform recognized the most important current event in race matters — there's a raging war on between the white and black races of the world.

One battlefield is the Congo republic. The blacks, for some weeks now have been driving the whites before them in an onslaught of instinctive and cultivated hatred. Somebody in the White House (presumably James Hagerly) prevented our white nation from committing any troops to the UN force in West Africa. It was an admission (although immediately denied) that to land white boys in Dark

political ideologies or social propaganda for our understanding. . . Making emotional speeches, writing personal diatribes . . . will not change facts. Ethnic differences are facts."

Mr. Weyl, a dispassionate researcher and collector, treats the facts of race from ancient Greece to modern America, and packs everything into one highly recommendable volume. If he has any viewpoint, save that of truth-telling, I can't find it. Negroes, in 240 experimental studies covering 41 years, are proved to be markedly inferior in intellect to the whites. Police records disclose that American Negroes are about 200 per cent more law-breaking than the national average. The New York Times, our greatest newspaper, is as skittish about designating color in its crime stories as Lord Tennyson would have been about whistling at a lady's legs.

Neo-Victorian prudery forbids our national political leaders to look at the naked truth. With prodigious fertility and decreasing morality, the Negro population is currently doubling every 33 years, by Mr. Weyl's calculations. In another century the 19 million colored people in the U.S.

FBI AND CIVIL RIGHTS

"Civil-rights schools for Southern police officers are being conducted by the Federal Bureau of Investigation, Director J. Edgar Hoover revealed recently. The schools, he said, are designed to explain to local police how federal laws operate, and how far federal jurisdiction extends.

Southern policemen are told "that the FBI did not write the civil-rights laws or hand down the decision on school segregation," Mr. Hoover said. "It's the FBI's job to enforce the law of the land with impartiality."

Mr. Hoover reported a relaxation of racial tensions in the South during the last three months and said "If everyone proceeds with moderation . . . these civil rights problems can be met and solved."

It is not J. Edgar Hoover's job to declare the Supreme Court's decisions "The Law of the Land," when everyone knows only Congress can pass new laws. We want no FBI schools in the South to intimidate local police officers into surrendering White Rights to the Negro. Hoover wants "moderation." We want him to pack up his carpetbag and get out of the South; Hoover has no business meddling in our school problem.

Governor Faubus stated "There are many who do not intend to vote for Kennedy or Nixon. If these people are to have any voice in the Presidential Race, there must be another set of electors on the ballot." Faubus said if the presidential race should be close at the time, then a group of unelected electors could throw the election into the hands of representatives, who has one vote.

DOWN WITH THE SUPREME COURT

We of the National States Rights Party do NOT recognize the Supreme Court as a lawmaking body. THE HIGH COURT IS OUTSIDE ITS JURISDICTION IN MAKING LAWS FORCING WHITEMEN TO MIX THEIR WHITE SCHOOLS. Only Congress has the power to make law.

President Jackson, once defied a Supreme Court ruling that he couldn't move an Indian tribe West. He moved them anyway with the retort to the court, "You have made your decision, now enforce it." THAT SHUT THEM UP! What is needed is MASSIVE DEFIANCE. No attention should be paid to the race mixing maniacs on the bench. If they or any of their stooges get in the way of a state officer, they should be arrested and jailed like the common criminals that they are. The courageous Attorney-General of Louisiana says, "The Government has been taken over by Negroes!" Interposition is the only answer and we must NOT submit the legality of interposition to the Federal Courts. It's up to the States to decide how their schools shall be run.

The number one plan of Communist subversion is to destroy the Whiteman through Mongrelization with the Blackman. Federal Law provides for the DEATH penalty for all who "Give aid and comfort to America's enemies." It is our position that the present members of the Supreme Court are guilty of Treason and should be thusly tried and given the ULTIMATE PENALTY.

The Supreme Court is stacked with Communists and traitors who

are appointed by a series of race-mixing presidents to serve over us for LIFE. The law must be changed so that THE PEOPLE ELECT Federal Judges. When they are held responsible to the White voter, they will start handing down fair decisions, and begin recognizing that Whitemen also have RIGHTS!

THE PRESENT COURT MUST GO OUT WITH THE TRAITORS, JOIN THE NATIONAL STATES RIGHTS PARTY AND FIGHT COMMUNIST RACE-MIXING TREASON!!

KLAN YOUTH TELLS OFF FBI

On September 29, FBI race mixers approached 18-year-old Sam Allmond, 212 Alabama Avenue, Rossville, Georgia. Sam is a member of the famed Chattahoochee Dixie Klans, Inc. The FBI offered Sam \$6,000 to "pimp" or "rat" on local Segregation Activists. Sam got rid of the snoops fast.

He told them to "Go straight to hell." God bless this brave young Klansman and may his righteous spirit spread.

What doth the Lord of thee but to do just to love mercy, and humbly with the Lord.

Prove self-justification.

Faubus Makes State's-Rights Plea In M.M.I. Commencement Talk

Relates Link To School

Millersburg, Ky., June 6 (AP)—Governor Orval E. Faubus of Arkansas said here Monday that states have the right to determine what policies are best for them.

Faubus gained international attention for his pro-segregation stand when federal troops were sent to Little Rock during its integration crisis in 1957.

He said many persons in high authority are trying to

enforce their policies against the wishes of the states and contrary to the wishes of the majority.

He made no direct reference to integration in his commencement speech at Millersburg Military Institute.

Urges Self-Determination

Faubus said a basic part of our government is "the right of the states and right of the people to self-determination, the right to decide for themselves what is good or what is bad . . ."

If state's rights aren't observed, he said, "this instrument of deciding for the people without giving them a choice in the decision will be the . . . weapon by which our free government is destroyed."

Faubus called his commencement appearance a "sentimental journey."

During World War II, he said, one of his aides was Lt. Brent Cull, Harrodsburg, an M.M.I. graduate, who was later killed in action. His son, Brent Cull, Jr., now attends the school.

GOVERNOR FAUBUS

THIS MONTH, GOVERNOR FAUBUS MOVED INTO KENTUCKY WITH HIS VITAL MESSAGE for States Rights. The Presidential candidate of the National States Rights Party has become the most sought after patriotic public speaker in America. GOD bless this great statesman. Our movement marches forward in his name. A new dawn for White America is just over the horizon. Stand with the National States Rights Party and Governor Orval Faubus.

PRESS BUILDS UP OBSCENE WEDDING

The last weeks Americans have witnessed the new vile low to which the corrupt press services; integrationist preachers and communist Jews have sunk. Both U.P.I. and A.P. are controlled by Jews. They have been brazenly flaunting before the American public the depraved "love" affair of the sickening Sammy Davis, Jr. and would-be movie star Mai Britt. Please note the picture at right. Miss Britt was disgracefully announcing her engagement to the ugliest negro-Jew in Hollywood, WHILE STILL married to her white husband. Note how the brazen hussy is displaying her legs before the niggerape. Yet, Jewish Hollywood holds Miss Britt out to your children as a "glamorous star," a person to be looked up to and an example for our children to follow. Any and all movies featuring Britt or Sammy Davis, Jr. should be boycotted and picketed. Those people are a menace to the pure White race. It should be remembered that Davis is a convert to Judaism. He is publicly flaunting the Jew theme of race-mixing filth before the public. The Jew press movies and tv use it to brainwash our children. The time has come to throw off Jewish treason.

Her divorce from Eddie Gregson becomes final September 28. She is 5 feet, 7 inches tall and he is 5-6. Davis said he didn't care "if the children are polka dot."

Under Cover Man Accuses Klan Of NAACP Murders

Tallahassee, Fla. (ANP) — A man who identified himself as a former undercover agent for the FBI testified before a Florida legislative committee last week that the Orlando Klavern of the Ku Klux Klan was responsible for the 1951 bomb slaying of Harry T. Moore and his wife.

Moore, a former NAACP leader in Mims, Fla., and his wife were blown to death by a bomb exploding in their home as they slept in bed. Their slayer or slayers have never been apprehended.

Richard L. Ashe, 31, a white Winter Haven public relations man, told the committee inves-

tigating the Klan, that he was informed while attending a Klan meeting in Orlando that a one-armed Orlando dragage operator named Edgar Brooklyn had a hand in the bombing. He said Brooklyn told him he had been picked up by the FBI and questioned many times after the bombing but the agents never had been able to get the goods on him. However, he added, Brooklyn had given him the definite impression he was involved but did not actually admit taking part in the crime.

In his testimony, he also revealed the Orlando Klasmens had stockpiled dynamite in a warehouse to use to prevent integration. He said Brooklyn supplied him with the information.

In addition to the bombing and dynamite stockpiling, Ashe also testified the Klan is linked to the bombing of Bethel Baptist Church, Birmingham, Ala., pastored by the Rev. F. L. Shuttlesworth, during the bus boycott by Negroes. Last week another bomb exploded outside the church, damaging it. The Rev. Shuttlesworth said that after a carload of white men passed the church, a smoking can of dynamite was discovered against a wall of the building. Will Hall, a Negro, picked up the can and placed it in the street where it exploded within

the minute.

Testifying still further, Ashe charged the Lakeland (Fla.) Klavern operated with the United Gun Club, Inc., on a five acre tract of land outside the city. The club, he said, is used as a front in order to permit the Klasmens to buy and stockpile ammunition in large quantities.

The Klan, said Ashe, was also responsible for the flogging of a Negro, Jesse Woods, last year. A band of men seized Woods from a jail at Wildwood (Fla.) and took him to the woods and whipped him.

Ashe said he joined the Klan at the request of Rae Jett, agent in charge of the FBI office at Lakeland, in order to get the information and draw a salary and expense allowance. While a member of the Klan he rose to the post of Exalted Cyclops, or chapter head, before being kicked out by E. L. Edwards of Atlanta, chief of the U. S. Knights of Ku Klux Klan.

The committee also heard testimony that Sheriff Hugh Lewis of Suwannee County was a Ku Klux Klan member at the time a Negro living near Live Oak was flogged in 1955. The victim was Richard Crooks, described by Lewis himself as "a good citizen".

This information was disclosed by private detective William J. Griffin of Tampa, also a one-time member of the Klan.

UNAMERICAN F B I PIMPS INFILTRATE WHITE GROUPS

Thousands of dollars are being wasted by the FBI every year in paying off pimps who spy on White supremacy groups in America. Your tax dollars are NOT being used to fight communism, but to harass innocent Whites who do not want to send their White children to school with degenerate blacks. The article above is photo-reprinted from the negro newspaper, "The Louisville Defender." The negroes are bragging to their black readers about how the F.B.I. is hounding White people. In the above story, a low vile Judas turncoat named Richard Ashe tells how he infiltrated the Klan and became an Exalted Cyclops (chapter head) and how he tried to frame Edgar Brooklyn for a negro bombing. Brooklyn is an honest, outstanding White patriot in his community. The F.B.I. bothered Brooklyn for some time, but he stood his ground. He knew his Constitutional rights; he knew he didn't have to answer any of the FBI's trick questions. Mr. Brooklyn is still a free man because he would not answer or cooperate with the Jew-controlled FBI in any way. White America needs more patriots like Edgar Brooklyn.

OUT OF THEIR OWN MOUTHS

As RIGHT has consistently pointed out, the only ones to gain from the Atlanta synagogue bombing was the Zionists, themselves. From it they have gotten millions of dollars in contributions, millions of more dollars of free, sympathetic publicity, laudations from pulpits and do-gooders the world over, a great tightening of their own ranks, with a big increase in membership and power of Zionist groups dedicated to fighting the goyim enemy and, most importantly of all, the creation of a super-sympathetic attitude of the public which, they hope, will make it possible to force bills through Congress to ban all nationalist truth-telling literature. Such laws are already introduced. Here is an article photographed from an important Zionist newspaper which proves RIGHT's thesis:

Temple Bombing Theme Helps B'nai B'rith Retain Members

CINCINNATI, O. (P-O)—B'nai B'rith has used the Atlanta synagogue bombing and resultant newspaper publicity "to good advantage in furthering the efforts of membership and retention workers," the B'nai B'rith district grand lodge No. 2 bulletin reported this month.

THE BULLETIN, edited by Max Kohnop, noted that the newspaper publicity "gave considerable information relative to background material, particularly the part that B'nai B'rith played in the apprehension of the five suspects in the bomb-

ing." Reference to the bombings was made in an article describing "the most intensive membership campaign in the history of the order."

THE BULLETIN added that all district 2 lodge presidents, retention chairmen and financial secretaries have received flyers "showing reprints of newspaper publicity on the bombing, in efforts to get delinquent members to pay their dues."

"Quite a few lodges used this material with gratifying results," the bulletin said.

2d Negro Convicted In Negro Home Bombing

Little Rock, Ark., June 9 (U) — A 30-year-old Negro has been convicted of bombing a Negro student's home last February 9 and was sentenced to five years in prison and fined \$500.

Maceo Antonio Binns, Jr., was the second Negro convicted in the blast which caused minor damage at the home of Carlotta Walls, one of eight Negro students who attended integrated schools here last term. Herbert Odell Monts drew a five-year term May 19.

investigate the real bombers. They simply want their paid pimps to get that bonus by lying against White Segregationists. So look around you. Who are the pimps? Let's give 'em the old heave-ho!

Never forget that J. Edgar Hoover is the White South's number one enemy!

JEWS KIDNAP GERMAN PATRIOT

The brazen kidnapping of Adolph Eichmann by secret Jewish agents of the Israeli government is the most shocking act of international banditry in this century. The story at right is from "Newsweek" in the first column, from "Time" in the second column. Note how Friedman, now an official in Ben-Gurion's government, first worked for the Communist government of Poland murdering Germans. The Jews were out to get Eichmann because, during the war against Communist Russia, he was in charge of arresting communists and other treasonous enemies of the German government. Since most Jews are Communists & have always been enemies of White Christian nations, an overwhelming number of Communist traitors arrested did turn out to be Jews. Some were tried for treason and rightly executed. The wild Jewish claim that 6,000,000 Jews died in Germany during World War II has been disproved by many authorities. There were not 6,000,000 Jews in Europe at that time and, at the end of the war, the world Jew population had increased. The bloody Jews want vengeance on Eichmann because he did his duty as a Christian patriotic German soldier in a war against world communism, and against world Jewry. Note that the Jews planned to kidnap Eichmann's wife and innocent children. Those inhuman monsters must be made to pay for their hideous crimes.

Israel insultingly violated Argentine sovereignty by illegally kidnapping Eichmann. The kidnapping is contrary to the laws of all civilized nations. Israel proposes to try Eichmann under an ex post facto law that wasn't on the books at the time that he was alleged to have violated it. The Jewish state of Israel was not in existence at the time that Eichmann allegedly committed the alleged crime. The Jewish tribunal which now proposes to convict Eichmann was not in existence at that time. Furthermore, Eichmann's so-called crime was not committed in Israel and he had never before set foot on Israel soil before his criminal captors carried him there. According to Anglo-Saxon common law and all other civilized codes of justice, Israel has no legal jurisdiction over Eichmann. How can he obtain a fair trial or an impartial jury in Israel where it would be impossible for him to be tried by a jury of his own peers.

(Continued to page 4.)

ADOLF EICHMANN, (EARLY 1930S)

When the war ended, Tuvia Friedmann joined the Polish intelligence service and went to visit the homes of two concentration camp officials, whose addresses he had overheard and memorized while he was scrubbing the officers' latrine. Before they were court-martialed and hanged by the Poles, they gave Friedmann more home addresses. Moving to Austria in 1946, Friedmann began working for the Zionist movement and continued his relentless hunt. Once he even posed as a Gestapo officer, having himself arrested, and boasting of his crimes until other Nazis in the same POW stockade confided their secrets to him. "All he lived for," a cousin in Miami, Fla., recalled last week, "was to catch those fellows." Friedmann's total of major catches: 237.

In one such POW camp sat Adolf Eichmann. Instead of killing himself, he had taken to the woods and had been captured in Austria. He had even told his right name, but it was misunderstood as Eckmann. Unrecognized, Eichmann spent a year and a half in the prison camp, then escaped from a work detail. Taking refuge with the family of a fellow Nazi in North Germany, he went to work as a woodcutter.

Friedmann, who specialized in shadowing the families of fugitive Nazis, located Eichmann's wife, Vera, and their three children in a small Austrian town. He summoned an Israeli team of kidnappers to take the whole family to Israel to make Eichmann show himself. "I'll find Eichmann," he told a relative, "no matter how long it takes."

Some time after 1950, Eichmann fled Germany. From Argentina came a report he had worked for Perón's police, then fled in 1955. Later reports put him in Spain, in Damascus, and Friedmann publicly announced last October that his quarry was in Kuwait on the Persian gulf.

Last week, most reports agreed Eichmann had returned to Argentina where Friedmann ferreted him out and had agents smuggle him out to Israel.

From Buenos Aires, TIME Correspondent Piero Saporiti last week supplied the answer: "The Israelis found Adolf Eichmann in Argentina. He arrived in this country in 1952 from Spain. He was traveling with an Italian Red Cross document obtained through the Vatican's D.P. relief department, which qualified him as a displaced person. The document was in the name of Krumei, one of Eichmann's assistant exterminators who was rearrested in West Germany following Ben-Gurion's announcement."

Eichmann at first worked as a surveyor for a German-American engineering firm called Capri. For the next several years he turned up under various aliases in Brazil, Paraguay and Bolivia. By 1956 he was back in Argentina with a job as mechanic in the capital's outskirts, worked later on as an overseer on a farm in the interior. In 1958 he returned to Buenos Aires, became an office employee in an automobile plant and lived near the airport with his German wife and four children (the last was born after his family joined him).

Eichmann, now 54, bore no resemblance to the jaunty SS officer of the past. He had gone almost completely bald, hollow-checked, with big flopping ears and a long, drooping nose. Yet early last month Israeli secret agents identified their quarry. From then on they stalked him day and night. A five-man commando squad headed by one Yehudah Shimon was sent from Israel to Buenos Aires. At the same time, EL AL (Israeli Airlines) New York Station Manager Joseph Klein, who himself bears a tattooed number from one of Eichmann's concentration camps on his arm, flew down to make arrangements for a special EL AL flight. It was to carry an Israeli delegation headed by Minister of State Abba Eban to attend the 150th anniversary of Argentine independence.

Quick Grab. On May 13 Eichmann walked along General Paz Avenue on his way home from work. An automobile swerved out of the heavy traffic, screeched to a halt. Before the startled Eichmann could struggle or cry out, he was grabbed and flung into the car. That night a message was flashed to Ben-Gurion. Decoded, it read: "The beast is in chains." Eichmann's family spent the night telephoning friends and checking hospitals and morgues. Next morning, they disappeared into hiding.

At 5:52 p.m. on May 20, the EL AL plane (No. 4X-AGE) carrying the Israeli delegation landed at Buenos Aires airport. At the controls was Zvi Tohar, chief pilot of the airline, and besides the delegation the Bristol Britannia transport carried an abnormally large crew of 19. Six hours later, New York Manager Joseph Klein went to the airport, had the plane fueled up and cleared for departure to "Dakar, Rome, and further destination pending orders from EL AL headquarters." Shortly after midnight, as a couple of sleepy watchmen looked on, Klein dispatched the plane himself, and in effect stranded the Israeli delegation. Had the Britannia's 19-man crew carried the captured war criminal with them? Israeli officials denied it, but three days later Eichmann appeared in handcuffs before a Jaffa court, said firmly: "I am Adolf Eichmann."

INTERNATIONAL JEWISH GANGSTERS
KIDNAP EICHMANN

(Continued from Page 3.)

What if Nasser of Egypt were to kidnap Ben-Gurion of Israel for trial on charges of murdering thousands of Arab refugees? The Jews would scream to high heaven for U.N. O. intervention. Eichmann must be freed and safely returned to Argentina or the civilized nations of the world must brand the Jewish State of Israel as a bandit state. Jewish officials and agents must be punished for their crime of kidnapping in which they are trying to establish Israel as a super state with jurisdiction over the individual citizens of all nations. Otherwise any citizen, of any nation, who incurs the wrath of Israel will be in danger of being kidnapped by secret Jewish agents who would pounce on him in the night, or even broad daylight, and carry him to Israel to be murdered. The civilized nations of the world should impose economic sanctions against the Jewish bandits until Eichmann is freed in good condition and those responsible for the kidnapping punished. Otherwise, international lawlessness will become even more rampant. Why not write a letter today to the Argentine Ambassador, Argentine Embassy, Washington, D.C. Urge him to continue his all-out fight to free Eichmann and punish the criminal state of Israel.

CRISES IN NEW ORLEANS CALLS FOR FAST ACTION

Dear Member and Supporter:

This Thunderbolt was rushed to press before the election was held. You will receive your 'Private Election Report' in a few days. The situation is so grave we couldn't wait. By the time this reaches you our New Orleans N.S.R.P. Unit will be out on the streets passing out thousands of free copies of this issue. Dr. Fields will be there for public resistance rallies and speakings. None of this was part of our planned budget. We are a mobile organization and can fight the enemy on any front in any city. We feel you approve such swift action to meet the enemy. All of this takes money out of our regular budget. You all have been so wonderful and given so generously, that we feel we cannot again ask for large donations.

One year ago we asked everyone not to send in \$5 - \$10 or \$20, (or give till it hurts) but for everyone to give just one dollar, that's right just one dollar. It was like a chain letter drive - if everyone would give \$1 we would have more than enough to finance the drive - the big problem is that usually only 20% of our people will give at any one time and some must give \$5 and \$10 to make up for those who put it off or forget. Our last "kick in a buck" drive seemed to make everyone happy and 90% of you gave \$1.00. For this New Orleans drive, we are going to ask one and All to give just \$1. Remember, if you fail, the burden is on someone else - if all of you give \$1. (The price of 4 packs of cigarettes or one movie ticket) we will go over the top, if you fail - we go into debt and the drive fails.

Back us, so we can keep fighting this satanic enemy.
